Part A: Submission Summary – All sites	8
Part B: Option Summary beyond 2027	40
Part C: Other feedback – for future consideration	42

Page left intentionally blank.

INTRODUCTION

The community and stakeholders were invited to submit on the draft Speed Management Plan between 24 April and 9 June 2023.

The draft 'Speed Management Plan (SMP) 2023-33: For Consultation' comprised two parts, i.e:

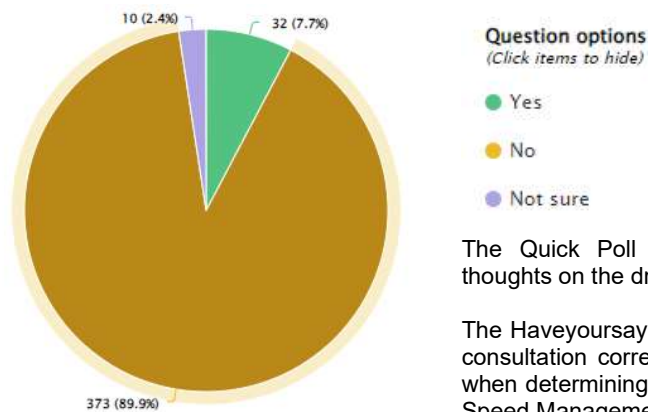

- Part A What the Council proposes to implement up to the end of 2027, comprising high priority high-benefit areas.
- Part B What the Council is planning to implement beyond 2027.

Submissions were received via:

Quick Polls Online survey

This survey provided respondents with an initial impression of the Speed Management Plan without any feedback being requested or provided, i.e. Yes/ No/ Not sure.

Do you think we've got the Speed Management Plan right?

The Quick Poll provided a snapshot of peoples thoughts on the draft Speed Management Plan.

The Haveyoursay emails, survey, map pins and pre-consultation correspondence was much more useful when determining the communities views on the draft Speed Management Plan.

The proposals were confirmed for implementation as consulted or amended following consideration of the Haveyoursay feedback as explained below.

Part A and B

The feedback for parts A and B were collected from a variety of sources and were split into:

- Part A: Feedback received on Do you agree with the proposed Speed Management Plan?
- Part A: Feedback received on each site
- Part B: Feedback received on prioritising options for what Council plans to focus on beyond 2027

The sources used to collect the feedback covering Part A and Part B follow:

- **Responding** to questions via the HaveYourSay@kapiticoast.govt.nz Online survey noting that submitters could provide feedback on as many sites as they wished.
- **Commenting** on proposals via:
 - Pre-Speed Management Plan consultation – several requests were made in the period leading (December 2022 to April 2023) up to the consultation period commencing where submitters were advised that their request would be considered following the release of the draft SMP.
 - HaveYourSay@kapiticoast.govt.nz e-mails that included:
 - Hardcopy survey forms that were available at the Community Board led meetings and markets.
 - 1 x verbal submission that was noted in writing.
 - HaveYourSay@kapiticoast.govt.nz pins that were dropped onto a GIS map illustrating the location and type of suggested improvements.

The submissions were collated and categorised by Community Board and Street/ Road as follows.

No.	Description	Part (Attachment)			No. of submitters
		A	B	C	
1	Pre-Speed Management Plan consultation	55 (3)	-	12 (3)	67
2	Haveyoursay – Online Survey	226 (5)	100 ¹ (6)	-	226
3	Haveyoursay – E-mails	61 (7)	-	41 (7)	102
4	Haveyoursay – Pins on Maps	6 (8)	-	14 (8)	20
	Total	348	100	67	415

¹ 100 of the 226 submitters commented on Part B

Part A: Do you agree with our proposed Speed Management Plan?

Stakeholders were requested to respond to the above question which resulted in the following:

A sample of the comments submitted by stakeholders follow as outlined in Table 1.

Table 1: Speed Management Plan – Agree (Yes/ No/ In part)

No	Do you agree with our proposed Speed Management Plan?	Sample comments
1	Yes	<ul style="list-style-type: none"> • Yes. Slower speeds = safer roads and fewer fatalities and injuries • There are too many drivers who regularly speed and have very little regard for other road users within the Kapiti region. Lowering the speed limit particularly around school areas is important to prevent injuries and accidents. • Reducing speed in urban and residential areas saves lives, reduces noise, pollution and fuel emissions.
2	No	<ul style="list-style-type: none"> • Reducing speed in urban and residential areas saves lives, reduces noise, pollution and fuel emissions. • I am sick of the speed limits getting lower and lower. Soon it will be quicker to get out and walk. It's so frustrating on roads like old SH1 between Raumati Road and Ihakara St there's no reason to be 50kmh. There's nothing on one side of the road and a handful of houses on the other. Where's the logic in 50? • No! Absolutely not. Why would Mazengarb go to 40km???!!! You are making it so hard to travel around Paraparaumu and now lowering the speed, so it takes even longer? This is so frustrating to read, you are making it so hard for residents to live here. We need more accessible streets to stop these traffic jams, please invest into this and stop lowering the speed, this is madness. Stop this nonsense!!! We live two blocks away from a school and there is no need for our street to be 30km.
3	In part	<ul style="list-style-type: none"> • I agree with the changes to 30km/h in school zones on a variable basis, but only agree partly to some of the permanent changes proposed. • I agree that the plan has some very good proposals but there are some urgent issues that need to be addressed whether it be as part of that plan or extra to it. • Some parts of it

Refer to:

- Attachment 4 for a summary of all submissions.
- Attachment 5 for all submissions as submitted.

Page left intentionally blank.

Part A: Submission Summary – All sites

Stakeholders were requested to provide feedback on each site which is summarised in in table 2.

Note: The 226 Haveyoursay submitters made 287 submissions on the 29 projects.

No	Key	Description
1	Haveyoursay survey	Each submitter had the opportunity to select one of the following and provide a comment: a. Yes, you have it about right. b. You need to do more. c. You need to do less. d. Other.
2	Comments – Pre SMP	Speed related issues raised prior to the Speed Management consultation process commencing. The feedback is recorded as a comment as it lacks the structure outlined in 1.
3	Comments – Haveyoursay -email	Each submitter had the opportunity to provide feedback on the proposals but without the structure outlined in 1. The feedback is recorded as a comment as it lacks the structure outlined in 1.
4	Comments – Haveyoursay - Maps	Each submitter had the opportunity to drop a pin onto a GIS map that formed part of the A Speed Management Plan for the Kāpiti Coast Have Your Say Kāpiti Coast (kapiticoast.govt.nz) . The feedback is recorded as a comment as it lacks the structure outlined in 1.

A summary of the feedback for each site follows covering:

- Draft proposal
- Responses
- Discussion
- Conclusion and recommendation

Site A: PAEKĀKĀRIKI SCHOOL	
Draft Proposal	
The objective of implementing the 30km/h variable speed limit based on a 100m buffer from the school boundary is to (1) reduce the risk to all road users in the period immediately before/ after school (2) provide a safe crossing point on Wellington Road for pedestrians to cross to Campbell Park noting that this is a bus route and in the periods outside before/after school there is minimal activity generated by the school on surrounding roads.	
16 x Responses - Sample feedback follows as submitted	
1.	1 x Yes, you've got it right. a. Please also apply to Paekākāriki Playcentre, which is located on the same road.
2.	4 x You need to do more. a. The zone needs to be bigger - children walk to school from all over the village and this zone is just too small. We also need safe crossing points to help our children get to and from school safely. There is only one pedestrian crossing in Paekakariki, it is nowhere near the school. I think we must be the only school in the region where children are not given safe crossing points. b. Paekākāriki is a small village with a lot of walkers and cyclists. The entire village should be 40kmph permanently. This would make it safer for existing walkers and cyclists and encourage others to get out of their cars. The proposed 30 kmph zone around the school is too small. There should also be a crossing of Wellington Road at Campbell Park.
3.	1 x You need to do less. a. Less streets
4.	0 x Other
5.	10 x Comments a. Paekakariki Community Board - That the proposed 100m boundary being applied to the proposed school zone be extended to a 1 km radius for delivery before the end of 2023 and for speed limit changes to apply at all times (permanent with no variable step). For safe crossing infrastructure to be installed both over Wellington Road to Campbell Park/Scout Hall and across SH59 between the main entrance to the village and to old BP/Ian's coffee site. That safety improvements are made for those walking and cycling beside SH59, especially around the houses on SH 59. That a specific proposal for traffic calming and other measures be developed with residents of The Parade. That all works not completed before the end of 2023 (point 1) be completed before the end of 2027. That bi-lingual signage be used in all instances where a suitably approved option is available. ENDORSED BY Paekākāriki School/ Paekākāriki Playcentre/ Paekākāriki Scouts/ Kapiti Cycling Action/ And 82 individual signatories in support.
Discussion	
6.	The majority of the feedback supports extending the 30km/h speed zone beyond what was outlined in the draft proposal.
7.	It is unclear whether the views from the submitters reflect the entire population of Paekakariki Village and whether Emergency Services and Public Transport providers were contacted.
Conclusion and recommendation	
Given the uncertainty and the apparent support for an extended 30km/h permanent speed limit it is recommended that:	
8.	With Council approval the community and key stakeholders are invited to submit their feedback on two options: <ul style="list-style-type: none"> Option 1: Paekakariki Village – permanent 30km/h limit Option 2: Paekakariki School – variable 30km/h speed limit
9.	Council officers report back to Council in October 2023 with the results and a recommended option to be implemented.
This additional round of consultation will not affect the Implementation Programme and will enable Council to submit the Final Speed Management Plan 2023-33 to Waka Kotahi in 2023 for certification, i.e., once certified early in 2024 speed limits can be legally implemented and enforced.	
•	2024 - by 30 June To be completed pending conclusion of the 2 nd round of consultation outlined above
•	2024 - 2027 To be completed pending conclusion of the 2 nd round of consultation outlined above

Site B: TE RĀ WALDORF SCHOOL AND TE RĀWHITI KINDERGARTEN	
Draft Proposal The objective of implementing the 30km/h Permanent Speed Limit on Poplar Avenue based on a 100m buffer from the school boundary is to reduce the risk to (1) cyclists travelling on Poplar Ave given the narrow shoulders forces some cyclists to travel in the 'live' lane with vehicles (2) pedestrians/ cyclists crossing Poplar Ave to Queen Elizabeth Park (3) students/ parents in the period immediately before/ after school.	
17 x Responses - Sample feedback follows as submitted.	
1.	4 x Yes, you've got it right.
a.	Agree with the speed limit but believe that this should only be a variable speed limit.
2.	1 x You need to do more.
a.	Te Rā and Raumati South schools are quite close together. Between them is the bike trail entrance to Queen Elizabeth Park, with a busy bike crossing. I think making the whole stretch of Poplar Ave and Matai Road into a 30km/h zone would work best for keeping traffic under control and providing maximum safety for school students and cyclists.
3.	5 x You need to do less.
a.	30 variable around school
4.	2 x Other
a.	Make sure the water does not stay on the carparks, make sure to have an easy waterflow into Queen Elizabeth Park. Easy to do and it will help more than the road restrictions. Plus, you would help the houses in the back with the extended water which will become more in the years to come. Keeping the area save for everyone.
b.	Due to the kindergarten, I think 30km limit during school time is necessary.
c.	Maybe add a crossing to the overflow parking place.
5.	5 x Comments
a.	There are known safety and speed risks on this road so there is no valid reason to delay this into 2024-2027. 2. This road is the only connector between Raumati South and SH1 so it's strategic utility (peri[1]urban) should therefore be recognised. Outside of school start/ends it makes sense to maintain it at 50km/h, permanently reducing to 30 km/h undermines its acceptability and compliance. 3. On the basis of the above item the hump H is not required. Threshold T could be designed to visually narrow the road but retain a 50/30km/h speed option. 4. For consistency and safety extend the calmed school zone 30km/h to Mātai Rd. 5. Deliver the Ped/Cycle crossing shown on Poplar Ave in the image before 2024. Current data (provided to Raumati Community Board) shows speeds in excess of 50km/h regularly being recorded on the crossing. This is still an unsafe crossing place. 6. Drop to permanent 30km/h on the approach to the new crossing and to west on Poplar Ave.
Discussion	
6.	The mean speed of vehicles travelling past the school and kindergarten is 46 and 50km/h between 8-9am and 3-4pm respectively, well above the safe and appropriate speed of 30km/h that will maximize the chance of survival for a pedestrian if hit by a vehicle.
7.	Poplar Avenue is used by several different users including Over Dimension vehicles and cyclists, which will be considered during the design process.
8.	Feedback received:
	<ul style="list-style-type: none"> prior to the consultation commencing requested that a shared cycle/ pedestrian raised crossing opposite the entrance to QE Park be constructed with urgency. from submitters support amending the proposal to replace the 30km/h permanent speed limit with a 30km/h variable speed limit. from Te Ra School highlighted that they cross Poplar Ave regularly to access Queen Elizabeth Park. It is appropriate therefore to construct a Raised Safety Platform to reduce speeds to safe and appropriate (below 30km/h) and reduce the risk of serious injury to a pedestrian if struck by a vehicle.
Conclusion and recommendation	
Considering the feedback and that Poplar Ave is an Urban Collector it is recommended that <u>the proposal is amended</u> i.e., (1) Install 30km/h Variable Speed Limit (2) Construct dual Cycle/ Pedestrian Crossing on a Raised Platform (3) Construct a Raised Pedestrian Platform on Poplar Avenue opposite the school.	
•	2024 - by 30 June Install 30km/h Variable Speed Limit on Poplar Ave fronting Te Ra Waldorf School and Te Rawhiti Kindergarten and the dual Cycle/Pedestrian crossing on a Raised Platform.
•	2024 - 2027 Construct a Raised Pedestrian Platform near the school entrance with motor vehicles having priority as part of a package of infrastructure improvements covering the Kāpiti Coast.

Site C: RAUMATI BEACH SCHOOL	
Draft Proposal	
The objective of extending the permanent 30km/h speed limit east of Weka Road (based on a 100m buffer from the school boundary) is to reduce the risk to all road users in the period immediately before/ after school and those road users crossing Raumati Road between Weka Park and Kapiti College/ Raumati Beach School during other periods.	
16 x Responses - Sample feedback follows as submitted.	
1.	7 x Yes, you've got it right. a. Yes, I agree with the extension to the 30km/h plan.
2.	0 x You need to do more.
3.	2 x You need to do less. a. 30 variable around school
4.	1 x Other a. Differential lower speed at school start and finish times
5.	6 x Comments a. The 30km/h speed limit needs to extend past the childcare centre, school and kindergarten area east of the kindergarten. At present the 30km/h stops before these areas which is dangerous as drivers speed up right in front of the areas with most pedestrians/ cyclist.
Discussion	
6. Raumati Road is used by several different users including Over Dimension vehicles and cyclists, which will be considered during the design process. 7. Feedback received from submitters support amending the proposal to extending the 30km/h permanent speed limit further east. 8. On site checks has confirmed that extending the permanent 30km/h speed zone east to immediately west of Gold Coast apartment is practical. 9. Reconstructing the existing Pedestrian Zebra Crossing on a Raised Safety Platform will reduce speeds to safe and appropriate (below 30km/h) and reduce the risk of serious injury to a pedestrian if struck by a vehicle.	
Conclusion and recommendation	
Considering the feedback supports extending the 30km/h speed limit east of the proposed location it is recommended that the <u>proposal is amended</u> , i.e., extend the permanent 30km/h speed zone to immediately west of Gold Coast apartments and reconstruct the existing Pedestrian Zebra Crossing on a Raised Safety Platform.	
The implementation of the 30km/h speed zone and construction of the Raised Safety Platform will occur simultaneously and will assist in motorists adhering to the 30km/h speed limit.	
• 2024 - 2027	Extend the existing permanent 30km/h speed limit east and reconstruct the existing Pedestrian Zebra Crossing on a Raised Safety Platform as part of a package of infrastructure improvements covering the Kapiti Coast.

Site D: RAUMATI SOUTH SCHOOL	
Draft Proposal The objective of implementing the 30km/h variable speed limit (based on a 100m buffer from the school boundary) is to reduce the risk to all road users in the period immediately before/ after school noting that this is a bus route and in the periods outside before/after school there is minimal activity generated by the school on surrounding roads.	
15 x Responses - Sample feedback follows as submitted	
1. 5 x Yes, you've got it right.	a. The crossing for the school needs to change, it's ridiculous having it on a corner.
2. 4 x You need to do more.	a. Do it once and do it right - this should be at least a 1.5-kilometre radius from the school to create safer options for our kids to walk, bike or scoot from home to school. Safety issues for kids travelling to school don't happen just outside the school gate. KCDC need to support our kids to be able to make these trips independently. The community have been asking for this since at least 2013.
3. 2 x You need to do less.	a. No comments provided
4. 0 x Other	
5. 4 x Comments	a. Extend 30km/h school hours calming to the junction of Mātai and Hillcrest Rd – this will provide a slower speed environment for children on cycles approaching along Hillcrest Rd and Mātai Rd. 2. Extend 30km/h variable to the junction of Tiromoana Rd and Dale Rd – this will provide a slower speed environment for children on cycles approaching along Dale Rd. & Tiromoana Rd. 3. Extend variable 30km/h south on Mātai to connect to Poplar Ave. This is a very busy route for two schools so have a higher speed segment between the schools makes no sense.
Discussion 6. Feedback received from submitters supports amending the proposal to extend the 30km/h variable speed limit along the length of Matai Road. 7. Extending the zone beyond what is proposed is likely to result in low compliance with the 30km/h Variable Speed Limit as motorists will associate the speed limit with the activity associated with the school such as vehicles maneuvering into car parks, pedestrians crossing the road. 8. Investigations are underway as part of the design into the Poplar Ave dual pedestrian/ cycle crossing how the crossing facilities on Matai Road adjacent the intersection can be improved.	
Conclusion and recommendation Given the likelihood that extending the 30km/h Variable Speed Limit along the length of Matai Road is likely to result in low compliance by motorists it is recommended that the <u>proposal is implemented as consulted</u> and according to the following timeline.	
• 2024 - by 30 June	Install 30km/h Variable Speed Limits on Matai Road fronting Raumati South School.
• 2024 - 2027	Reconstruct the existing Pedestrian Zebra Crossing on a Raised Safety Platform as part of a package of infrastructure improvements covering the Kapiti Coast.

Site E: PARAPARAUMU COLLEGE	
Draft Proposal	
The objective of implementing the 30km/h variable speed limit based on a 100m buffer from the school boundary is to reduce the risk to all road users in the period immediately before/ after school noting that this is (1) a bus route (2) in the periods outside before/after school there is minimal activity generated by the school on surrounding roads (3) is an urban collector carrying over 8000 vehicles per day.	
40 x Responses - Sample feedback follows as submitted.	
1. 15 x Yes, you've got it right.	a. School zone should be extended to join Paraparaumu college, Kenakena and Paraparaumu Beach schools.
2. 6 x You need to do more.	a. You need to do more for all early childhood centers, schools and Colleges. Speed humps would be more effective as not everyone takes note of speed signs. In Pram we currently have 50k in the majority of areas and yet some are driving at over 100k.
3. 7 x You need to do less.	a. Have you driven Past this school at 8.30 or 3pm? There is no possibly way anyone could drive over 30km as it is. Youve completely rammed us as it is!!! What a waste of money you are spending on this, this council is mad.
4. 6 x Other	a. Let's teach teenagers to be responsible for themselves and stop trying to run ahead of them fixing everything so no one has to deal with consequences shall we.
5. 6 x Comments	a. There should be a reasonably high deterrence to taking a vehicle near a school at beginning/ end times. Cyclists/ walkers should have priority. There are huge hold ups every day from the effect of large numbers of students crossing Mazengarb Road. With a 30km/h speed limit this will increase so traffic planning needs to think how to route this traffic different ways to avoid the Guilford Drive roundabout, at these times.
Discussion	
6. Mazengarb Road is used by several different users including Over Dimension vehicles and cyclists, which will be considered during the design process.	
7. Most of the feedback received from submitters (including the leadership team from Paraparaumu College) supports the proposal.	
8. Extending the zone beyond what is proposed is likely to result in low compliance with the 30km/h Variable Speed Limit as motorists will associate the speed limit with the activity associated with the school such as vehicles maneuvering into car parks, pedestrians crossing the road.	
9. Council is required by legislation to install either a 30km/h permanent or 30km/h Variable Speed Limit.	
Conclusion and recommendation	
Considering the feedback and that Mazengarb Road is an Urban Collector it is recommended that <u>the proposal is implemented as consulted</u> , i.e., a Variable Speed Limit is installed together with installing a new Pedestrian Crossing that will reduce the risk to pedestrians and facilitates movement during periods when school related activity is low.	
• 2024 - by 30 June	Install 30km/h Variable Speed Limits on Mazengarb Road fronting Paraparaumu College.
• 2024 - 2027	Construct a Pedestrian Zebra Crossing on Mazengarb Road north of Stella Court as part of a package of infrastructure improvements covering the Kapiti Coast.

Site F: KAPITI PRIMARY SCHOOL
<p>Draft Proposal</p> <p>The objective of implementing the 30km/h Permanent speed limit based on a 100m buffer from the school boundary is to reduce the risk of serious injury or death to a pedestrian/ cyclist if struck by a vehicle in an area where there is significant activity by non-motorized users generated by other land uses, e.g., Kapiti Aquatic Centre.</p>
12 x Responses - Sample feedback follows as submitted.
<p>1. 1 x Yes, you've got it right. a. No commentary supplied.</p>
<p>2. 1 x You need to do more. a. Too slow</p>
<p>3. 8 x You need to do less. a. This is stupid. These are side roads with heaps of speedbumps, they are sufficient for this area</p>
<p>4. 1 x Other a. Yes, you have it right, but it needs to be implemented faster and coupled to separate cycleways.</p>
<p>5. 1 x Comment a. Kapiti Primary School - At the minute we don't have too many issues</p>
<p>Discussion</p> <p>6. Most of the feedback does not support the proposal. 7. Reducing the speed limit below 50km/h is to ensure that motorists travel no faster than the safe and appropriate speed limit especially during periods when the motorists are not held up by other traffic.</p>
<p>Conclusion and recommendation</p> <p>Considering the feedback, it is recommended that the proposal is amended, i.e., the proposed 20km/h permanent speed limit is replaced with a 30km/h permanent speed limit ensuring consistency with other zones (e.g., schools/ town centres) where there are high numbers of active roads users such as pedestrians, cyclists, and mobility scooters.</p> <ul style="list-style-type: none"> 2024 - by 30 June Install 30km/h Permanent Speed Limits on Brett Ambler Way, Iver Trask Place, and Ngahina Street.

Site G: OUR LADY OF KAPITI SCHOOL	
Draft Proposal	
<p>The objective of the proposal is to (1) implementing the 30km/h Permanent speed limit (based on a 100m buffer from the school boundary) to reduce the risk of serious injury or death to a pedestrian/ cyclist if struck by a vehicle and includes Milne Drive and adjoining streets (2) provide a safe crossing point for students crossing Presentation Way.</p> <p>In the periods outside before/after school there is minimal activity generated by the school on surrounding roads.</p>	
20 x Responses - Sample feedback follows as submitted.	
1.	4 x Yes, you've got it right.
a.	Looks great light timing in mornings still an issue with traffic going into that area during school term hopefully will help.
2.	0 x You need to do more.
3.	9 x You need to do less.
a.	Milne Drive - proposed 30km/h should not include all of Milne as there is no thoroughfare to Trent Drive, Compass Court, etc. so the shape of the buffer zone is not fit-for-purpose and so the 30km/h speed limit should not extend that far back into Milne Drive. As a resident who has lived in Milne Drive for over 20 years, it is clear that the roads are wide enough and there is simply not enough foot traffic along this road to justify lowering the speed limit to 30km/h. However, I do agree that Presentation Way should be lowered to 30km/h for safety of children being dropped off/picked up and the pedestrian refuge island on this road is sensible.
4.	4 x Other
a.	It is already a bottle neck getting in and out of Milne Drive during school arrival and home time and to be honest it's difficult to go above 30km you are crawling at best so why change it. Has there been a recorded accident along there? And why not actually ask the people that live in Milne Drive what they think face to face instead of expecting them to find out mostly via Facebook. How far along Milne Drive will this 30km go, it's not as if it is a through road. And no speed bumps, this will make it even worse.
5.	3 x Comments
a.	...and from what we can see on your plans and maps, it is your intent to turn Milne Drive and all surrounding streets into a 30km/h zone. We fail to see the necessity or rationale behind such a move and strongly object to such a move.
Discussion	
6.	Most of the feedback does not support the proposal.
7.	Council is required by legislation to install either a 30km/h permanent or 30km/h Variable Speed Limit.
8.	There is support for a Variable Speed Limit in the vicinity of the school.
9.	Implementing a 30km/h Permanent speed limit on Milne Drive and adjoining roads/ streets is likely to result in low compliance due to the lack of activity on the roads/ streets in question.
Conclusion and recommendation	
<p>Considering the feedback, it is recommended that <u>the proposal is amended</u>, i.e., the proposed 30km/h permanent speed limit is replaced with a 30km/h Variable speed limit on Milne Drive fronting Our Lady of Kapiti school with a new Pedestrian Refuge constructed on Presentation Way.</p>	
•	2024 - by 30 June Install 30km/h Variable Speed Limit on Milne Drive fronting Our Lady of Kapiti School.
•	2024 - 2027 Construct a Pedestrian Refuge on Presentation Way as part of a package of infrastructure improvements covering the Kapiti Coast.

Site H: KAPITI COLLEGE	
Draft Proposal	
<p>The objective of:</p> <ul style="list-style-type: none"> Implementing the 30km/h: <ul style="list-style-type: none"> Variable speed limit (based on a 100m buffer from the school boundary) is to reduce the risk to all road users in the period immediately before/ after school noting that in the periods outside before/after school there is minimal activity generated by the school on surrounding roads. Permanent speed limit on Allen Road and Margaret Road is to (1) formalise the existing operating speeds of 22 and 27km/h - all periods (2) reinforce to motorists the maximum legal speed limit. Constructing a Raised Threshold Treatment on Rosetta Road is to reduce the speed of vehicles travelling north on Rosetta Road whose mean operating speed of 36km/h is above the safe and appropriate speed of 30km/h that will maximize the chance of survival for a pedestrian if hit by a vehicle. 	
12 x Responses – Sample feedback follows as submitted	
1.	5 x Yes, you've got it right. <ul style="list-style-type: none"> just to ensure its a sensible speed limits around schools as me and my siblings all attend school and for the safety on the community.
2.	2 x You need to do more. <ul style="list-style-type: none"> Do it once and do it right - this should be at least a 2-kilometre distance from the school to create safer options for our kids to walk, bike or scoot from home to school. Safety issues for kids travelling to school don't happen just outside the school gate.
3.	2 x You need to do less. <ul style="list-style-type: none"> 30 variable around school, 50 other streets
4.	0 x Other
5.	3 x Comments <ul style="list-style-type: none"> Extend variable 30km/h to Hillcrest / Raumati Rd roundabout and to Hillcrest/Telford Way. This provides a consistent 30 km/h precinct during key school hours. Leaving a higher speed (less safe for children) gap from 135 Hillcrest to Kiwi Rd is not sensible.
Discussion	
<p>Rosetta Road and Matatua Roads are used by Over dimension vehicles which will be considered during the design process.</p> <p><i>Hillcrest Road 30km/h Variable Speed Limit</i></p> <ol style="list-style-type: none"> Most of the feedback supports the proposal to install a Variable Speed Limit on Hillcrest Road. Investigations by Council staff have confirmed that there is benefit in extending the Variable Speed Limit immediately south of Telford Way as Telford Way provides access to Kapiti College. <p><i>Allen Road/ Margaret Road 30km/h Permanent Speed Limit</i></p> <ol style="list-style-type: none"> No feedback was received on the proposal to reduce the 50km/h speed limit on Allen and Margaret Roads to 30km/h, noting that the speed of vehicles not held up by other vehicles is 27 and 22km/h respectively. <p><i>Rosetta Road Threshold Treatment</i></p> <ol style="list-style-type: none"> Feedback on this proposal is covered by Site W: Raumati Beach Village 	
Conclusion and recommendation	
<p>Considering the feedback, it is recommended that <u>the proposal is amended</u>, i.e., the proposed 30km/h Variable speed limit is extended to immediately south of Telford Way.</p> <ul style="list-style-type: none"> 2024 - by 30 June Install 30km/h Variable Speed Limit on Hillcrest Road. 2024 - 2027 Construct Raised Threshold Treatment on Rosetta Road as part of a package of infrastructure improvements covering the Kapiti Coast. 	

dsas 17 of 42

Site I: PARAPARAUMU BEACH SCHOOL	
Draft Proposal	
The objective of implementing the 30km/h variable speed limit (based on a 100m buffer from the school boundary) is to reduce the risk to all road users in the period immediately before/ after school noting that this is a bus route and in the periods outside before/after school there is minimal activity generated by the school on surrounding roads.	
25 x Responses – Sample feedback follows as submitted.	
1. 9 x Yes, you've got it right.	a. Around schools is fine between school hours. All other roads around Kāpiti is stupid as you will just add to the congestion.
2. 4 x You need to do more.	a. As the Principal of PBS, I would like to see 30km variable speed zone increase slightly e.g., south on Gray Ave to the corner of Callender Terrace and east down Beachwater to the corner of Guilford.
3. 6 x You need to do less.	a. With all the children about and cars parked on both sides this alone slows down traffic.
4. 2 x Other	a. Yes, you have it right, but it needs to be implemented faster and coupled to separate cycleways.
5. 4 x Comments	a. Speed leading up to crossings need to be 30kmph (I realize this needs govt. change/Waka Kotahi change)
Discussion	
6. Most of the feedback supports the proposal in full or with amendments.	
Conclusion and recommendation	
Considering the feedback, it is recommended that <u>the proposal is amended</u> , i.e., the proposed 30km/h Variable speed limit is extended along Gray Road to Callender Terrace.	
<ul style="list-style-type: none"> 2024 - by 30 June Install 30km/h Variable Speed Limits on Gray Avenue and Martin Road. 	

Site J: KENEKENA SCHOOL	
Draft Proposal	
<p>The objective of implementing the 30km/h:</p> <ul style="list-style-type: none"> Variable speed limit (based on a 100m buffer from the school boundary) is to reduce the risk to all road users in the period immediately before/ after school noting that in the periods outside before/after school there is minimal activity generated by the school on surrounding roads. Permanent speed limit on Donovan Road (Te Kupe to Percival Road) is to reduce the risk of serious injury or death to a pedestrian/ cyclist if struck by a vehicle in an area where there is significant activity generated by other land uses, e.g., Paraparaumu Kindergarten, Kapiti BMX club, Te Atiawa Park, Kenakena shops. 	
24 x Responses – Sample feedback follows as submitted	
1.	3 x Yes, you've got it right. <ul style="list-style-type: none"> Makes sense.
2.	4 x You need to do more. <ul style="list-style-type: none"> Kenakena School agrees with the proposed changes to Donovan Rd and welcomes these changes. Relating to Golf Rd, Arnold Dr and Percival Rd we believe more could be done to assist children with safer passage to and from school. We would encourage Kapiti Coast Council to install Pedestrian refuge areas alongside the variable speed restrictions. Golf Road in particular carries a large amount of the school traffic and has a large volume of commuter traffic especially in the mornings. Currently Golf Rd provides no safe crossing point for children. Children using bikes or scooters currently have no direct pedestrian ramps (some have been removed in the last year), adding to this the 90 deg corner of Golf and Martin roads further creates safety issues, not only for pedestrians but also vehicular traffic. Percival and Martin roads have particular features that make pedestrian and cycle travel more unsafe than usual, that is the hill each cross. The hill restricts the view of both cars and pedestrians when trying to cross/travel along these roads, with no Western foot path along Percival Road children are forced to cross at either end with little warning of oncoming traffic. Percival could be included in the variable speed zone.
3.	8 x You need to do less. <ul style="list-style-type: none"> Donovan Road to be Variable.
4.	3 x Other <ul style="list-style-type: none"> Yes, you have it right, but it needs to be implemented faster and coupled to separate cycleways.
5.	6 x Comments <ul style="list-style-type: none"> The Ministry of Education also seeks clarity on the speed management for Kāpiti College and Kenakena School. It is noted that Maps H and J are inconsistent with their corresponding descriptions in Table 9. While the maps show that the Council intends to transition these schools from a variable speed limit to permanent, Table 9 indicates a transition from permanent to variable. It is presumed that the description in Table 9 is incorrect, as this is contradictory to the Council's intention of prioritising variable speed limits around schools, followed by permanent speed limit reductions
Discussion	
<p><i>Golf Road/ Martin Road 30km/h Variable Speed Limit</i></p> <ol style="list-style-type: none"> There is strong support from both the Ministry of Education and Keneken School. Note that: <ul style="list-style-type: none"> Installing 30km/h Variable Speed Limits is an interim step before permanent 30km/h speed limits are installed in the future as per advice outlined in the Waka Kotahi Speed Management Guide. Future improvements around Gold and Martin Roads will be investigated as part of the focus of future Speed Management Plans. <p><i>Donovan Road 30km/h Permanent Speed Limit</i></p> <ol style="list-style-type: none"> While there is mixed support for the proposal there is strong support from both the Ministry of Education and Keneken School. The original proposed has been amended to align the infrastructure (Raised Pedestrian Platform) with pedestrian desire lines. 	
Conclusion and recommendation	
<p>Considering the feedback, it is recommended that <u>the proposal is amended</u>, i.e., construct a Raised Safety Platform on Donovan Road east of the shops on the pedestrian desire line.</p> <ul style="list-style-type: none"> 2024 - by 30 June Install 30km/h Variable Speed Limits on Golf and Martin Roads. 2024 - 2027 Construct 1 x Flush Threshold treatment, 1 x Raised Safety Platform, 1 Pedestrian Zebra Crossing on a Raised Platform, 1 x Raised Threshold Treatment as part of a package of infrastructure improvements covering the Kapiti Coast. 	

Site K: PARAPARAUMU SCHOOL	
Draft Proposal	
The objective of implementing the 30km/h Permanent speed limit on parts of Ruapehu/ Hinemoa Street and Epiha Street is to reduce the risk of serious injury or death to a pedestrian/ cyclist if struck by a vehicle in an area where there is significant activity generated by other land uses, e.g., Paraparaumu School, local shops, Kapiti Coast Funeral Home, and the activity associated with Paraparaumu Station.	
19 x Responses – Sample feedback follows as submitted.	
1.	2 x Yes, you've got it right. a. No comments provided.
2.	0 x You need to do more.
3.	9 x You need to do less. a. Variable speed limit. Not enforced on weekends. Hinemoa St has no need of a 30km restriction outside of school hours.
4.	1 x Other a. Yes, you have it right, but it needs to be implemented faster and coupled to separate cycleways.
5.	7 x Comments a. Speeding cars down Ruapehu Street b. Tongariro Street - Interested in reduced speeds
Discussion	
6. Both sections of Hinemoa and Ruapehu Streets are used by heavy vehicles, a consideration in the design process. 7. The speed of vehicles not held up by other vehicles on Hinemoa (Kapiti Rd – Ruapehu St) and Ruapehu Streets (Hinemoa St to Redwood Cl) is 33 and 39km/h respectively. 8. The feedback received favours reduced speeds using a 30km/h Variable Speed Limit. 9. Pedestrians cross (1) Ruapehu Street using the existing Raised Pedestrian Zebra Crossings (2) Hinemoa Street using the existing Pedestrian Zebra Crossing and the Pedestrian Crossing Point to the GWRC car park. 10. This section of Hinemoa/ Ruapehu Street and Kapiti Road is classified as an Urban Connector carrying more than 6000 vehicles per day including heavy vehicles. 11. Installing a Variable Speed Limit would be challenging given the space limitations on Kapiti Road. 12. Extending the 30km/h Permanent speed limit to include Tongariro Street has some merit given the presence of a number of the businesses (e.g. Kapiti Impact Hub, Kapiti Impact Church, Mātauranga Medical, L'Arche Kapiti, Mary's Guest House) but was not included in the original proposal.	
Conclusion and recommendation	
Considering the feedback, it is recommended that <u>the proposal is implemented as consulted</u> and according to the following timeline.	
<ul style="list-style-type: none"> 2024 - 2027 	<ul style="list-style-type: none"> Implement a 30km/h permanent speed limit on Epiha Street and sections of Hinemoa and Ruapehu Streets Construct 1 x Raised Threshold Treatment on Ruapehu Street. Reconstruct the existing Zebra Crossing on a Raised Safety Platform on Hinemoa Street. Construct 2 x Flush Threshold Treatments, 1 each on Hinemoa Street and Kapiti Road. <p>All of the above will be constructed as part of a package of infrastructure improvements covering the Kapiti Coast.</p>

Site L: KAPAKAPANUI SCHOOL	
Draft Proposal	
The objective of implementing the 30km/h Permanent speed limit around Kapakapanui School (based on a 100m buffer from the school boundary) including parts of Ngarara Road and Park Avenue is to reduce the risk of serious injury or death to a pedestrian/cyclist if struck by a vehicle in an area where there is significant activity generated by other land uses, e.g., Waikanae Community Market, Waikanae Park Playground, Waikanae Swimming Pool, Waikanae Rugby and Squash Clubs.	
18 x Responses – Sample feedback follows as submitted.	
1.	2 x Yes, you've got it right. a. This is a residential area with a bend as you approach from both ways. With a large school role (around 600), too many road users, including parents often exceed the 50kmh speed limit and therefore needs to be lowered, with 30kmh a good base.
2.	1 x You need to do more. a. The intersection of park Ave and Ngarara is dangerous. It needs to have speed humps. Lots of children from school cross the road to go to the park every day. Cars race in both directions. A lot of them are ute's and van's probably from building sites. They speed around at 50-60 KM. I can't count the times I've had near misses trying to cross with pushchair and it the dog. There needs to be a proper foot path along Ngarara road from the school to at least the Russell Reserve entrance. Then some safe way for walkers and cyclists to cross. I think the 30 KM needs to go to Walton Ave. maybe a speed bump at that spot. I think what happens is people come off the expressway and forget to slow down.
3.	4 x You need to do less. a. 30 variable around school only: 50 other streets
4.	4 x Other a. I totally agree with a 30km speed limit in the area. I have children at the school and see cars speeding during drop off and pick up times. However outside of these times the streets are very quiet. I believe this area only needs to be 30 during school drop off/pick up times.
5.	7 x Comments a. Having looked at your mapped proposal- I applaud every proposed change. Kapakapanui Road in Waikanae due to both its configuration and the speed of those using it- poses significant threat to both people and animals. Thank you for this important initiative.
Discussion	
6. Park Avenue and Ngarara Road south of Park Avenue are used by Over Dimension vehicles a consideration during the design process. 7. The feedback in general supports the proposal with differing views on whether (1) the 30km/h speed limit around the school should be permanent or variable (2) where the speed limit on Ngarara Road should be reduced permanently to 30km/h. 8. It should be noted that the activity on both sides of Park Avenue and Ngarara Road is increasing and that speed cushions exist on the section of road to slow traffic down to safe and appropriate speeds.	
Conclusion and recommendation	
Considering the feedback, and that the activity in this area is forecast to increase it is recommended that <u>the proposal is implemented as consulted</u> and according to the following timeline.	
<ul style="list-style-type: none"> 2024 - 2027 	<ul style="list-style-type: none"> The existing speed cushions on Ngarara Road will be removed when the new infrastructure is installed. Implement a permanent 30km/h speed limit around Kenekena School and on parts of Ngarara Road and Park Avenue. Construct 1 x Flush Threshold treatment on Park Avenue. Construct 2 x Raised Threshold Treatments on Ngarara Road. Construct 3 x Pedestrian Zebra Crossings on Raised Platforms on Belvedere Avenue, Rimu Street and Ngarara Road. <p>All the above will be constructed as part of a package of infrastructure improvements covering the Kapiti Coast.</p>

Site M: WAIKANAĒ PRIMARY SCHOOL	
Draft Proposal	
The objective of implementing the 30km/h variable speed limit (based on a 100m buffer from the school boundary) is to reduce the risk to all road users in the period immediately before/ after school noting that Winara Avenue is used as a bus route and in the periods outside before/after school there is minimal activity generated by the school on surrounding roads.	
19 x Responses – Sample feedback follows as submitted.	
1.	3 x Yes, you've got it right. a. Include Waikanae school in 1km expanded speed limits in 2027 plan. Looks like only Paraparaumu & Ruamati schools are included in that plan.
2.	3 x You need to do more. a. It should be a permanent speed reduction to 30km/h
3.	2 x You need to do less. a. Pedestrian crossing on Winara would be good. Again, traffic is slow at school time so variable is fine. The real issue, and until you address this nothing else you do will fix it, is the lack of a second railway crossing. Put on in north of the station to bypass all the commuter trains, and it will fix everything. I promise.
4.	5 x Other a. Leave it as it is
5.	6 x Comments a. I support a permanent 30km/hr zone around Waikanae School as shown in the Council's Speed Management Plan. I would also support clear ways for parents to drop off and pick up kids (so no parking for residents or any other person on the surrounding roads around the school during those times). The latter point is important because if we move to higher density housing like what is proposed for the Gus Evans site; and given the RMA now no longer requires on-site car parking - residents of those higher density sites are likely going to be parking on the roads. Council when approving higher density developments on roads by schools need to be aware that those car parks on the road won't be available during certain times of the day and may encourage them to support more onsite parking. Also I think the 30km/hr should be extended permanently to Elizabeth Street from Winara Avenue to the Railway line. I would also like to see Council install a pedestrian crossing over Elizabeth Street to the dairy. In addition to the above I would support fully subsidised school transport for all school children; and if the government isn't going to fund this (although I note current Govt is proposing this in the budget); that Councils and Schools / MoE top up to ensure it is free.
Discussion	
6.	The feedback in general supports the proposal with differing views on whether the 30km/h speed limit should be permanent or variable.
7.	The 30km/h Variable Speed Limit is proposed as it reduces the risk to pedestrians during the periods immediately before/ after school and facilitates movement during periods when school related activity is low.
8.	Converting the existing Kea Crossing in Winara Avenue is supported by Waikanae Primary and will complement the proposed 30km/h Variable Speed Limit.
Conclusion and recommendation	
Considering the feedback, it is recommended that <u>the proposal is amended (i.e., convert the existing Kea Crossing in Winara Avenue to a Pedestrian Zebra Crossing)</u> and implemented according to the following timeline.	
•	2024 - by 30 June Install 30km/h Variable Speed Limits around Waikanae Primary School.
•	2024 - 2027 Convert existing Kea Crossing in Winara Avenue to a Pedestrian Zebra Crossing as part of a package of infrastructure improvements covering the Kapiti Coast.

Site N: TE HORO SCHOOL	
Draft Proposal	
The objective of implementing the 30km/h variable speed limit (based on a 100m buffer from the school boundary) is to reduce the risk to all road users in the period immediately before/ after school noting that in the periods outside before/after school there is minimal activity generated by the school on surrounding roads.	
7 x Responses – Sample feedback follows as submitted.	
1.	2 x Yes, you've got it right. a. No comments supplied.
2.	0 x You need to do more.
3.	0 x You need to do less.
4.	2 x Other a. Leave it as it is.
5.	3 x Comments a. Te Horo School - We have plenty of car parking at this stage, if we continue to grow, I could see this becoming a problem but right now everyone is happy.
Discussion	
6. Hautere Cross Road and School Road are used by Over Dimension vehicles, a consideration during the design process. 7. Council is required by legislation to install either 30km/h permanent or variable speed limits outside all schools. 8. The 30km/h Variable Speed Limit is proposed as it reduces the risk to pedestrians during the periods immediately before/ after school and facilitates movement during periods when school related activity is low.	
Conclusion and recommendation	
Considering the feedback, it is recommended that <u>the proposal is implemented as consulted.</u>	
•	2024 - by 30 June Install 30km/h Variable Speed Limits on School Road.
•	2024 - 2027 Discuss with Te Horo School developing a long-term plan to manage parking demand.

Site 0: OTAKI COLLEGE	
Draft Proposal	
The objective of implementing the 30km/h variable speed limit based on a 100m buffer from the school boundary is to reduce the risk to all road users in the period immediately before/ after school noting that (1) in the periods outside before/after school there is minimal activity generated by the school on surrounding roads (2) Mill and Waerenga Roads are urban collectors carrying approximately 6000 and 3000 vehicles per day respectively.	
4 x Responses – Sample feedback follows as submitted.	
1.	1 x Yes, you've got it right. a. No comment supplied.
2.	0 x You need to do more.
3.	0 x You need to do less.
4.	0 x Other
5.	3 x Comments a. Otaki College - Awaiting raised crossing - promised installation for 2023.
Discussion	
6. Limited feedback received but Otaki College unreservedly supports the proposal. 7. There have been reports in the past that vehicles have not yielded to pedestrians using the Pedestrian Zebra Crossing. 8. Design of the Pedestrian Zebra Crossing on a Raised Safety Platform for Mill Road is currently underway.	
Conclusion and recommendation	
Considering the feedback, it is recommended that <u>the proposal is implemented as consulted</u> and according to the following timeline.	
<ul style="list-style-type: none"> 2024 - by 30 June 	<ul style="list-style-type: none"> Install 30km/h Variable Speed Limits on Mill and Waerenga Roads. Reconstruct the existing Pedestrian Zebra Crossing on a Raised Safety Platform on Mill Road as per a previous commitment provided to Otaki College.
<ul style="list-style-type: none"> 2024 - 2027 	<ul style="list-style-type: none"> Relocate existing Pedestrian Crossing on Waerenga Road northwest of its current location on a Raised Safety Platform as part of a package of infrastructure improvements covering the Kāpiti Coast.

Site P: OTAKI SCHOOL	
Draft Proposal	
The objective of implementing the 30km/h variable speed limit (based on a 100m buffer from the school boundary) is to reduce the risk to all road users in the period immediately before/ after school noting that (1) in the periods outside before/after school there is minimal activity generated by the school on surrounding roads (2) Mill and Waerenga Roads are urban collectors carrying approximately 6000 and 3000 vehicles per day respectively.	
4 x Responses – Sample feedback follows as submitted.

2.	0 x You need to do more.
3.	0 x You need to do less.
4.	0 x Other
5.	3 x Comments a. Waerenga Road – XXXX would like to report that the number of vehicles speeding down his street are getting worse. Request reduced speed limit or speed humps.
Discussion	
6.	The Pedestrian Zebra Crossing on Mill Road is effective in slowing down vehicles and no further form of traffic calming is required.
7.	It is proposed to reconstruct the existing Pedestrian Zebra Crossing in Waerenga Road on a Raised Safety Platform.
Conclusion and recommendation	
Considering the feedback, it is recommended that <u>the proposal is implemented as consulted</u> according to the following timeline.	
• 2024 - by 30 June	Install 30km/h Variable Speed Limits on Mill and Waerenga Roads.
• 2024 - 2027	Reconstruct the existing Pedestrian Crossing in Waerenga Road on a Raised Safety Platform as part of a package of infrastructure improvements covering the Kapiti Coast.

Site Q: TE KURA-A-IWI WHAKATUPURANGA RUA MANO	
Draft Proposal	
The objective of extending the existing 30km/h Permanent Speed Limit on Tasman Road from immediately west of Te Rauparaha Street to the existing threshold on the western edge of the 100m school buffer is to reduce the risk of serious injury or death to a pedestrian/ cyclist if struck by a vehicle in an area where there is significant activity generated by other land uses, e.g. Te Wananga o Raukawa – Otaki Campus, The Hub Church, He ITI Na Motai School.	
0 x Responses – Sample feedback follows as submitted.	
1.	0 x Yes, you've got it right.
2.	0 x You need to do more.
3.	0 x You need to do less.
4.	0 x Other
5.	0 x Comments
Discussion	
6. No feedback was received on the proposal. 7. The mean speed of vehicles travelling past the school is 42 and 37km/h between 8-9am and 3-4pm respectively, is well above the safe and appropriate speed of 30km/h that will maximize the chance of survival for a pedestrian if hit by a vehicle. 8. Reducing the speed limit to a safe and appropriate speed limit below 50km/h to is to reinforce to motorists that maximum legal speed limit especially during periods when the motorists are not held up by other traffic. 9. Reducing the speed limit will reduce the risk of serious injury or death to a pedestrian/ cyclist if struck by a vehicle in an area where there is significant activity by non-motorized users.	
Conclusion and recommendation	
Considering the limited feedback, it is recommended that <u>the proposal is implemented as consulted</u> and according to the following timeline.	
<ul style="list-style-type: none"> 2024 - 2027 	<ul style="list-style-type: none"> Replace the existing 50km/h speed limit with a permanent 30km/h speed limit extending from Te Rauparaha Street to the existing 50/80 threshold treatment. Construct 1 x Raised Threshold Treatment on a Raised Safety Platform as part of a package of infrastructure improvements covering the Kapiti Coast.

Site R: TE KURA KAUPAPAPA MAORI O TE RITO	
Draft Proposal	
The objective of implementing the 30km/h Permanent speed limit (based on a 100m buffer from the school boundary) is to reduce the risk to all road users in the period immediately before/ after school recognizing that other land uses in the area generate activity in addition to the school, for example Rangiatea Church, Te Hui Amorangi Ki Te Upoko O Te Lka and the new entrance accessing the Te Wananga O Raukawa campus.	
1 x Responses – Sample feedback follows as submitted.	
1.	0 x Yes, you've got it right.
2.	0 x You need to do more.
3.	1 x You need to do less. <ul style="list-style-type: none"> a. 30 variable around school b. 50 other streets
4.	0 x Other
5.	0 x Comments
Discussion	
<ul style="list-style-type: none"> 6. Limited feedback as received. 7. Te Rauparaha Street and Convent Road are used by heavy vehicles and members of the Otaki Golf Club, a consideration during the design process. 8. The mean speed of vehicles travelling past the school is approximately 49km/h between 8-9am and 3-4pm respectively, well above the safe and appropriate speed of 30km/h that will maximize the chance of survival for a pedestrian if hit by a vehicle. 9. Reducing the speed limit will reduce the risk of serious injury or death to a pedestrian/ cyclist if struck by a vehicle in an area where there is significant activity by non-motorized users. 	
Conclusion and recommendation	
Considering the limited feedback, it is recommended that <u>the proposal is implemented as consulted</u> and implemented in accordance with the following timeline.	
<ul style="list-style-type: none"> • 2024 - 2027 	<ul style="list-style-type: none"> • Implement a permanent 30km/h speed limit on Te Rauparaha Street from Tasman Road extending north of Hadfield Court. • Construct 2 x Raised Safety Platforms on Te Rauparaha Street.

Site S: ST PETER CHANEL SCHOOL	
Draft Proposal	
The objective of implementing the 30km/h Permanent speed limit (based on a 100m buffer from the school boundary) encompassing the Te Pou o Tainui marae is to reduce the risk to all road users in the period immediately before/ after school.	
3 x Responses – Sample feedback follows as submitted.	
1.	1 x Yes, you've got it right. a. Are you aware that the Te Raukawa Kohanga Reo is situated at the rear of Tainui Marae (opposite) Bennetts Rd? It would be very disappointing if what you have planned is lessened after consultation. There is considerable heavy traffic on this road (Agricultural Contractor & amp; Golf Club.)
2.	0 x You need to do more.
3.	1 x You need to do less. a. 30 variable around school only b. 50 around all other streets
4.	0 x Other
5.	1 x Comment a. Request speed hump on Convent Road
Discussion	
6. Te Rauparaha Street and Convent Road are used by heavy vehicles and members of the, a consideration during the Otaki Gold Club, a consideration during the design process. 7. The proposed 30km/h permanent speed limit together with the proposed 30km/h speed limit in front of Site R if implemented would result in a 30km/h zone approximately 1km long. If implemented this would result in a low level of compliance by motorists adhering to the speed limit. 8. The level of activity generated by the land uses in this Convent Road is likely to be less that of Site R. 9. Implementing a 30km/h permanent speed limit in Bennetts Road is not appropriate for a Rural Road. 10. Implementing a 30km/h variable speed limit for both St Peter Chanel School and Te Pou o Tainui marae would provide both with the flexibility to reduce speeds independently from each other while an event is underway, e.g., before/after school or during a tangihanga or hui.	
Conclusion and recommendation	
Given the feedback it is recommended that <u>the proposal is amended</u> (i.e., the proposed 30km/h permanent speed limit is replaced with two 30km/h Variable speed limits on Convent Road commencing immediately north of Hadfield Court and extending to north of Bennetts Road) and implemented in accordance with the following timeline.	
<ul style="list-style-type: none"> 2024 - by 30 June 	Install 2 x 30km/h Variable Speed Limits fronting both St Peter Chanel School and Te Pou o Tainui marae, each of which can be operated independently from the other. All of the above will be constructed as part of a package of infrastructure improvements covering the Kapiti Coast.
<ul style="list-style-type: none"> 2024 - 27 	Consideration will be given to constructing a Raised Safety Platform on Convent Road as illustrated on Map S.

Site T: TE WAITOHU SCHOOL
Draft Proposal <p>The objective of implementing the 30km/h variable speed limit based on a 100m buffer from the school boundary is to reduce the risk to all road users in the period immediately before/ after school noting that Waitohu Valley Road is a logging route and in the periods outside before/after school there is minimal activity generated by the school on surrounding roads.</p>
1 x Responses – Sample feedback follows as submitted.
1. 0 x Yes, you've got it right.
2. 0 x You need to do more.
3. 1 x You need to do less. a. No comments supplied.
4. 0 x Other
5. 0 x Comments
Discussion <p>6. Waitohu Valley Road is used by heavy vehicles, a consideration during the design process. 7. 'School Zone' signs currently operate on Waitohu Valley and Te Manuao Roads. 8. The proposed 30km/h Variable Speed Limit (VSL) will replace 2 of the 'school zone' signs with 2 additional VSL signs being installed at new locations.</p>
Conclusion and recommendation <p>It is proposed that <u>the proposal is implemented as consulted</u> and implemented in accordance with the following timeline.</p> <ul style="list-style-type: none"> 2024 - by 30 June Install 30km/h Variable Speed Limits fronting Waitohu School.

Site U: RIVERBANK ROAD	
Draft Proposal	
<p>The objective is to implement a Safe and Appropriate Speed limit on the sections of Riverbank Road considering (1) the different types of road users using the road (2) the potential for increased conflicts between through traffic and residents accessing their properties (new and under development). This has resulted in the proposal to reduce the speed limit on the section:</p> <ul style="list-style-type: none"> • Old SH1 to Aotaki Street – Reduce the existing 70km/h speed limit to 50km/h. • Aotaki Street to Rangioru Street – Reduce the existing 70km/h speed limit to 60km/h. 	
11 x Responses – Sample feedback follows as submitted.	
1.	1 x Yes, you've got it right.
a.	No comments supplied
2.	1 x You need to do more.
a.	Proposed 50km area is good. I would like to see the proposed 50km area extended for the full length of Riverbend Road. I would also like to see a cycle/ walk route for the full length of Riverbend Road (off the current carriageway). There is increased industrial traffic for the full length, and the route is used to access Ōtaki Beach, from the expressway. At times the road is very busy and the carriageway west of Aotaki Street is narrow, leaving minimal room for walkers and cyclists. There appears to be plenty of room on the verge for a shared path to be developed.
b.	Until a path can be developed, a 50km speed limit is appropriate.
3.	1 x You need to do less.
a.	Keep 70 on road
4.	2 x Other
a.	It's a terrible idea do not do this. No - the current road speeds are safe and adequate. Also, there are not enough police in the district to police the restrictions so they wouldn't be policed or adhered to. Waste of rate payer money.
5.	6 x Comments
a.	Just make it all 50km/hr from State highway one to Aotaki
Discussion	
6.	Riverbank Road is used by Over Dimension vehicles.
7.	The feedback in general supports the proposal.
Old SH1 to Aotaki Street	
8.	Waka Kotahi's MegaMaps:
a.	Classifies this section of Riverbank Road as an Urban Collector.
b.	Recommends that the Safe and appropriate speed limit in this section of Riverbank Road as 40km/h.
9.	50km/h is recommended as it aligns with the speed limits on the adjacent streets.
10.	The mean speed of vehicles not held up by other vehicles is 58km/h.
Aotaki Street to Rangioru Road	
11.	Waka Kotahi's MegaMaps:
c.	Classifies this section of Riverbank Road as Rural.
d.	Recommends that the Safe and appropriate speed limit on this section of Riverbank Road as 60km/h.
12.	The mean speed of vehicles not held up by other vehicles is 59km/h.
13.	As the roadside development on this section of Riverbank Road extension increases there may be justification in the future to reduce the speed limit to 50km/h.
Conclusion and recommendation	
<p>Considering the feedback, it is recommended that <u>the proposal is implemented as consulted</u> and implemented in accordance with the following timeline.</p>	
• 2024 - by 30 June	<ul style="list-style-type: none"> • Reduce the existing 70km/h speed limit between Old SH1 and Aotaki Street to 50km/h. • Reduce the existing 70km/h speed limit between Rangioru Road and Aotaki Street to 60km/h.

dsfas 30 of 42

Site V: RAUMATI SOUTH VILLAGE	
Draft Proposal	
The objective is to replace the existing 30/40 posted speed limits on Poplar Avenue between The Esplanade and Matai Road with a permanent 30km/h speed limit thereby avoiding frequent changes in speed limit.	
15 x Responses – Sample feedback follows as submitted.	
1.	5 x Yes, you've got it right. a. Looks good.
2.	2 x You need to do more. a. Raumati South (South of the shops) has a number of streets with no footpaths. Therefore, I believe that the speed limit should be 30 along the Esplanade, Forest Road, Kainui Road, Tennis Court Road (parked cars make the road very narrow), Jeep Road etc. Children walk these roads every day to school and cars are often going way too fast in Raumati South - on particular the straight stretches of road (Tennis Court Rd and The Esplanade).
3.	4 x You need to do less. a. Keep 40 on roads.
4.	0 x Other
5.	4 x Comments a. I would like the Council to consider extending the 30km zone around the Raumati south village 250m up all side streets to create a slow area.
Discussion	
6. The feedback in general supports the proposal. 7. Two roads that were not included in the original proposal, both No Exit have been included in the revised proposal, i.e. The Crescent and Dell Road noting that the mean speed of vehicles not held up by other vehicles is 18km/h and 23km/h respectively. 8. The length of both sections of Poplar Ave (225m – western end, 310m – eastern end) that have a 40km/h speed limit are below the minimum recommended length of 400m (Source: Speed Management – Additional Technical information). 9. The length of the section of Poplar Ave that has a 30km/h speed limit is below the minimum recommended length of 300m (Source: Speed Management – Additional Technical information).	
Conclusion and recommendation	
Considering the feedback, it is recommended that <u>the proposal is amended</u> to include The Crescent and Dell Road and implemented in accordance with the following timeline.	
<ul style="list-style-type: none"> 2024 - by 30 June 	<ul style="list-style-type: none"> Reduce the existing speed limit on Poplar Ave (between The Esplanade and Matai Road), The Crescent and Dell Road to 30km/h.

Site W: RAUMATI BEACH VILLAGE	
Draft Proposal	
The objective is to ensure compliance with the existing 30km/h speed limit on Matatua Road and Rosetta Road by constructing 2 x Raised safety Platforms and to maximize the chance of survival for a pedestrian if hit by a vehicle.	
16 x Responses – Sample feedback follows as submitted.	
1.	6 x Yes, you've got it right. a. Please add in speed bumps and better signage as people are disregarding these speed limits here, particularly out of owners.
2.	1 x You need to do more. a. The speed limit is fine. However, as we live on Rosetta Rd near Garden Road, we notice very little adherence to the limit in either direction. There is little doubt that a speed hump close to the Garden Rd entrance on Rosetta, and at the beginning of Matatua Rd by the bowling club, would assist in keeping the vehicles to a reasonably safe speed. The lack of a footpath on the Garden Rd side of Rosetta, means pedestrians are forced to walk on the road and around vehicles which are parked on the berm while approaching the pedestrian crossing. From personal experience, this can be extremely nerve wracking and dangerous. b. Pedestrians attempting to cross Matatua Rd from either the bowling club or Raumati Sands accommodation really do take an awful risk. A pedestrian 'safe haven' in the centre of the road would be valuable. c. It's a shared opinion that Raumati Beach is discriminated against when it comes to speed humps. They appear in Raumati South, are plentiful in Paraparaumu and Paraparaumu Beach and Waikanae, but there are none in Raumati Beach which features a College, Primary School, pre-school centres, a bowling club, pub, pharmacy, medical centre, churches, a grocery, three cafes and an array of shops. d. It is a busy place and by the end of the second phase of your plan, will be even busier. e. Thank you very much for being provided the opportunity to contribute to the survey. It is very much appreciated.
3.	2 x You need to do less. a. Keep speeds as is.
4.	0 x Other
5.	7 x Comments a. I live in the vicinity of the Raumati Village which has 30km signs approaching the village on Rosetta Road, Raumati Road, Alexander Road and Matatua Road. Very rarely are these signs recognised or taken into account. I recently counted 100 cars on Matatua Road, in to 30km zone, in approximately 10 minutes, and only 1 of those abided by the 30km speed limit. I see school buses, trucks, cars, work vans, taxis, even police cars (although I expect they have an exemption) speeding through the village. So I reiterate – don't bring any speed limit changes, until they can be monitored and adhered to. Otherwise, it's just a time and cost waster
Discussion	
6. The mean speed of vehicles not held up by other vehicles on the sections of Matatua and Rosetta Roads is 40 and 36km/h respectively which is above the safe and appropriate speed of 30km/h that will maximize the chance of survival for a pedestrian if hit by a vehicle. 7. The feedback in general supports the proposal to install traffic calming to supplement the existing 30km/h speed limit. 8. Several suggestions have been made that are beyond the scope of this proposal and will be considered as part of other work streams.	
Conclusion and recommendation	
Considering the feedback, it is recommended that <u>the proposal is amended</u> to include a Raised Safety Platform being constructed on Alexander Road and implemented according to the following timeline. <ul style="list-style-type: none"> 2024 - 2027 Construct 2 x Raised Threshold Treatments (one each on Matatua and Rosetta Roads) and a Road Safety Platform on Alexander Road as part of a package of infrastructure improvements covering the Kapiti Coast. 	

Site X: WAIKANAE BEACH VILLAGE	
Draft Proposal	
<p>The objective is to implement a 30km/h Permanent speed limit in the Waikanae Beach Village which will limit the speed of vehicles to a Safe and Appropriate Speed that will maximize the chance of survival for a pedestrian if hit by a vehicle. The speed limit will limit the speed that vehicles can legally travel at particularly during uncongested periods on all streets encompassed by Te Moana Road, Ono Street, Huiawa Street and Tutere Street.</p>	
33 x Responses – Sample feedback follows as submitted.	
1.	<p>2 x Yes, you've got it right.</p> <p>a. We have a concern about cars reversing out of car parks on Tutere Street as many cyclists' ride along here and children run out from the playground. Vision when you are backing is limited and we are always wary when cycling along there.</p>
2.	<p>3 x You need to do more.</p> <p>a. I am positive it needs include Field Way. People use the second bend from about 30-70 Field way as a race track. It needs a speed bump in the middle or make the road narrower there. They come screaming down from the north and swing fast around the corner near Hugh Street. Quite dangerous for residents getting out of the driveway.</p>
3.	<p>10 x You need to do less.</p> <p>a. 30kph limit ONLY in the area marked Local Activity Zone. Speed bumps in residential areas, particularly places like Tutere Street are going to create noise issues for residents especially on bus routes or from people towing boats, caravans etc.</p>
4.	<p>4 x Other</p> <p>a. The proposal appears to be in response to a problem that doesn't exist. Although I reside on the fringes of the proposed slow zone, I am a frequent pedestrian, cyclist and motorist within it. The area has low traffic volumes, plenty of off-street parking and plenty of space for cyclists and pedestrians. There is no traffic or speed problem. Reducing the limit to 30kph will create frustration, perhaps anger. I can understand the application of reduced speeds around schools and other institutions where the foot traffic is high. I can also agree that the section of Tutere Street by Hey Coastie and Long Beach could be a reduced speed zone, although the three roundabouts effectively reduce speed anyway.</p>
5.	<p>14 x Comments</p> <p>a. Thank you for this opportunity. I completely agree with all that is planned. However, I am concerned about the time frame. The area along Tutere St from Rangiharoa St to Hemara St is very busy all summer, especially weekends and I would like to see 30 k speed notices as soon as possible. I live in this area and every weekend in summer I see dangerous situations around vertical parking, speeding cars and small children.</p>
Discussion	
6.	The mean speed of vehicles not held up by other vehicles on Tutere Street between Taiata and Hemara Street varies between 35 and 42km/h which is above the safe and appropriate speed of 30km/h that will maximize the chance of survival for a pedestrian if hit by a vehicle.
7.	The feedback in general supports the proposal to reduce the speed limits in the local activity area on Tutere Street.
8.	In areas where permanent 30km/h speed limits are proposed permanent infrastructure is included to reinforce compliance with the speed limit.
Conclusion and recommendation	
<p>Given the feedback it is recommended that <u>the proposal is amended</u> (i.e., reduce the extent of the proposed permanent 30km/h speed limit) and <u>implemented</u> according to the following timeline.</p>	
<ul style="list-style-type: none"> 2024 - 2027 	<ul style="list-style-type: none"> Implement permanent 30km/h speed limit as shown on Map X. Construct 2 x Raised Safety Platforms on Rauparaha Street and 2 x Flush Threshold Treatments on Tutere Street as part of a package of infrastructure improvements covering the Kapiti Coast.

Site Y: OTAKI TOWN CENTRE	
Draft Proposal	
<p>The objective is to extend the existing 30km/h Permanent speed limit east along Mill Road past Raukawa marae and the Otaki Fire station. The extension will limit the speed of vehicles to a Safe and Appropriate Speed that will maximize the chance of survival for a pedestrian if hit by a vehicle. The speed limit will limit the speed that vehicles can legally travel at particularly during uncongested periods.</p>	
2 x Responses – Sample feedback follows as submitted	
1.	1 x Yes, you've got it right. a. No comments supplied.
2.	0 x You need to do more.
3.	1 x You need to do less. a. Keep as it is.
4.	0 x Other
5.	0 x Comments
Discussion	
<p>6. One submission has been received opposing the proposal. 7. The proposal reflects the additional activity generated by the adjacent roadside development, e.g., Raukawa Marae, Otaki Fire Station. 8. The speed of vehicles not held up by other vehicles through this area is 43km/h which exceeds the safe and appropriate speed of 30km/h.</p>	
Conclusion and recommendation	
<p>Considering the feedback, it is recommended that <u>the proposal is implemented as consulted</u> and according to the following timeline.</p>	
<ul style="list-style-type: none"> 2024 - 2027 	Construct 1 x Flush Threshold treatment as part of a package of infrastructure improvements covering the Kapiti Coast and extend the permanent 30km/h speed limit east as shown on Map Y.

Site Z: WAIKANAĒ TOWN CENTRE	
Draft Proposal	
The objective is to implement a 30km/h Permanent speed limit in the Waikanae Town Centre which will limit the speed of vehicles to a Safe and Appropriate Speed Limit that will maximize the chance of survival for a pedestrian if hit by a vehicle.	
23 x Responses – Sample feedback follows as submitted.	
1.	8 x Yes, you've got it right. a. Good idea reducing the speed limit in Marae Lane as there are many older people using the pedestrian crossing outside the medical centre and chemist.
2.	3 x You need to do more. a. The area identified for Waikanae Village needs to be considerably extended to meet the high benefit area criteria. If council is serious about speed management the area of focus for attention (safety measures, traffic calming & a speed limit of 30 kph) should include the area around the village including both supermarkets, all three accesses to the park & ride rather than just the Marae Lane one and the main concentration of business / commercial & restaurant/ hospitality premises.
3.	5 x You need to do less. a. 30kph in Marae Lane only as there are a number of entrances and exits for vehicles.
4.	4 x Other a. If you make the speed limit too slow people will ignore it. Make it more reasonable and it will be more likely to be adhered to. e.g., 40 km
5.	3 x Comments a. Waikanae Community Board - On Waikanae Town Centre, we question why speed limits of 30kph are proposed in the car parks off Marae Lane. The area designated as town centre only covers the internal area and not external area of the town centre. It would be more appropriate to consider a larger area for the town centre. Pedestrian facilities to provide access across Elizabeth Street to the playground, shop and cafe is substandard and has been a request of local residents for many years and requires addressing as part of the local improvements underway in the town centre as part of the revocation (or extension to the works area to minimise disruption - as part of a KCDC project).
Discussion	
6. Ngaio Road is used by Over Dimension Vehicles, a consideration during the design process. 7. The feedback in general supports the proposal to reduce the speed limits in the Waikanae Town Centre along Marae Lane. 8. Extending the speed limit beyond the town centre is beyond the scope of the proposal and has not been commented on. 9. Implementing the 30km/h speed limit will reduce speeds to safe and appropriate in uncongested periods. 10. Concept designs and currently being developed to assist pedestrians to cross Seddon Street and Winara Avenue immediately north of Elizabeth Street. 11. Concept designs are currently being developed to assist pedestrians to cross Elizabeth Street safely and will be available for comment in the latter half of 2023.	
Conclusion and recommendation	
Given the feedback it is recommended that <u>the proposal is implemented as consulted</u> and according to the following timeline.	
• 2024 - 2027	Construct 3 x Flush Threshold Treatments as part of a package of infrastructure improvements covering the Kāpiti Coast.

Site AA: TE HORO BEACH	
Draft Proposal	
The objective is to implement a 30km/h Permanent speed limit in Te Horo Beach which will limit the speed of vehicles to a Safe and Appropriate Speed Limit that will maximize the chance of survival for road users sharing the carriageway given there are no footpaths.	
11 x Responses – Sample feedback follows as submitted.	
1.	1 x Yes, you've got it right. a. No comments supplied.
2.	2 x You need to do more. a. I think this is an excellent idea.
3.	1 x You need to do less. a. Keep 50 speed on all roads.
4.	2 x Other a. 30 km is too low, 40 would be better
5.	5 x Comments a. Thank you for taking the time to listen to our proposal of speed bumps for Te Horo Beach.
Discussion	
6. The feedback in general supports the proposal to reduce the speed limit and install traffic calming. 7. The option exists in further discussions with the community to discuss the location of the speed humps and whether a staged implementation is an option.	
Conclusion and recommendation	
Given the feedback it is recommended that <u>the proposal is implemented as consulted</u> and according to the following timeline.	
• 2024 - 2027	Reduce the speed limit to 30km/h and install 4 x Raised Safety Platforms and 1 x Raised Threshold as part of a package of infrastructure improvements covering the Kapiti Coast.

Site BB: VALLEY ROAD	
Draft Proposal	
The objective is to implement a 60km/h Safe and Appropriate Speed limit on the section of Valley Road with an existing posted speed limit of 80km/h given that it is 'out of context' with adjacent sections of road.	
7 x Responses – Sample feedback follows as submitted.	
1.	3 x Yes, you've got it right. a. You need to add a change to the speed limit on Waterfall Road. It is currently posted at 60kph which is not only near impossible but actually quite unsafe! This unimproved dirt/gravel road is but 1.5 lanes wide and the posted speed limit should be reduced to 40kph.
2.	1 x You need to do more. a. Reduce the speed limit further, it needs to be implemented faster and coupled to separate cycleways.
3.	1 x You need to do less. a. Keep it at 80.
4.	2 x Other a. There is no predictable benefit that warrants the change in speed limit.
5.	0 x Comments a. n/a
Discussion	
6.	Waka Kotahi's MegaMaps recommends that the Safe and Appropriate speed limit for this section of road is 60km/h.
7.	The section of road with an 80km/h speed limit is out of context with the adjacent sections of road on Valley and Maungakotukutuku roads which both have safe and appropriate speed limits of 60km/h.
Conclusion and recommendation	
Given the feedback it is recommended that the proposal is implemented as consulted and according to the following timeline.	
<ul style="list-style-type: none"> 2024 - by 30 June Reduce the section of Valley Road with an existing 80km/h speed limit to 60km/h. 	

Site CC: PEKA PEKA ROAD	
Draft Proposal	
<p>The objective is to implement a 60km/h Safe and Appropriate Speed limit on the section of Pekapeka Road with an existing posted speed limit of 80km/h considering (1) the different types of road users using the road (2) the potential for increased conflicts between through traffic and residents accessing their properties (new and under development).</p>	
18 x Responses – Sample feedback follows as submitted.	
1.	<p>4 x Yes, you've got it right.</p> <p>a. This is an excellent idea, and good for horse riders and carriage drivers as well as for cyclists.</p>
2.	<p>3 x You need to do more.</p> <p>a. The road is currently dangerous for cyclists. Not only is the current speed limit too high, but there is zero shoulder, the road edge is broken and problematic for cyclists (no ability to go off the road), and the road surface is undulating (problem for cars speeding). I use this road daily as a cyclist and car driver. There is an accident waiting to happen here as some cyclists who use the route are inexperienced in traffic, especially when the latter is travelling at high speed. This road is increasingly busy. You should consider dropping the speed limit to 50km/h, not 60. Plus, you need to work on the road edge to provide some sort of shoulder for cyclists.</p>
3.	<p>3 x You need to do less.</p> <p>a. We live at Peka Peka and both drive and ride bikes on PP road. The road surface is very uneven (its swamp land) and the shoulders are virtually nonexistent. That means it's too easy for cars that travel > 50 km/h to keep a safe distance from cyclists and horse riders. I feel it should be 50 km/h limit. Likewise, I feel for Raukawa road, where I live, that should have a 50 km/h limit.</p>
4.	<p>3 x Other</p> <p>a. 60 km along this length of road is too low - make it 70 - this is more likely to be adhered to.</p>
5.	<p>5 x Comments</p> <p>a. "Peka Peka road, currently 80k, past Harrisons Cafe just 60k, at the top of the road, beach end, drops down to 50k all the way into Waikanae. It makes no sense for Peka Peka road to be 80k, it is very narrow with increasing numbers of cyclists from the recently added cycle lanes meeting at Harrisons, many of these cyclists want to visit the beach unfortunately Peka Peka road is very narrow two car widths and a cyclist just will not fit, a reduction in the speed limit to 50k linking up to the existing 50k all the way into Waikanae would make sense and reduce the number of near misses I have witnessed, I realize a cycle track would be great but that is another issue.</p>
Discussion	
<p>6. The feedback in general supports the proposal to reduce the speed limits to 60km/h and in some cases to 50km/h.</p> <p>7. The 80km/h section of road is classified a 'rural' with safe and appropriate speeds ranging from 60 to 80km/h (Source: Speed Management Guide (Waka Kotahi).</p> <p>8. The speed of vehicles not held up by other vehicles on the existing section of road with an:</p> <p>a. 60km/h speed limit is 65km/h.</p> <p>b. 80km/h is approximately 70km/h.</p> <p>9. Reducing the speed limit to 50km/h at this time is not recommended as it is likely to result in high levels of non-compliance and may be option for future consideration as the level of development alongside Pekapeka Road increases.</p>	
Conclusion and recommendation	
<p>Given the feedback it is recommended that <u>the proposal is implemented as consulted</u> and according to the following timeline.</p> <ul style="list-style-type: none"> 2024 - by 30 June Reduce the existing 80km/h speed limit to 60km/h. 	

Page left intentionally blank.

Part B: Option Summary beyond 2027

The second part of our Speed Management Plan covers what we plan to do beyond 2027 to meet Waka Kotahi requirements. This will be a potential step change towards implementing safe and appropriate speeds on the Kāpiti Coast and will be guided in part by community feedback.

Reaching the end state will take some time and will be the subject of future *Speed Management Plans*.

The challenge for the Kāpiti Coast is to identify how and when we will get to the 'end state' and applying the lessons learned from implementing the Plan in the different stages.

The community was requested to rank the following options in order of preference (with 1 being the preferred option)

The results follow:

Table 3: Option Ranking

Option	Description	No of submission ³ ranked option as '1'	% of Total	% Cumulative	Rank
3	Road Corridors	44	51	51	1
1	Expand school zones	34	39	90	2
4	Reduce speeds - all roads	6	7	97	3
2	Expand areas	3	3	100	4
Totals		87	100	100	-

Refer to attachment 6 for all submissions as submitted.

Details of each option follow:

Option	Name	Description
3	Road Corridors	Install infrastructure along road corridors to reduce travel speeds along the road corridor and/or to provide opportunities for pedestrians/ cyclists to cross the road corridors safely. For example: <ul style="list-style-type: none"> Construct Pedestrian Refuges Extend kerbs at intersections to slow the entry/ exit speeds of vehicles.
1	Expand school zones	Extend the existing speed-limit buffer around schools to 1km for primary schools and 2.25km approx. for high schools. This is the distance that most students are prepared to walk or cycle. A benefit of this option is that it reduces the risk of fatalities, serious injuries, and near misses in the areas around schools. This will improve safety for students and the community and further encourage and create the opportunity for children to walk and bike to school safely.
4	Reduce speeds on all roads	Reduce speed limits on all roads within the Kāpiti District to safe and appropriate speed limits. The effects of this could be, for example: <ul style="list-style-type: none"> 40km/h – Kāpiti Road/ Mazengarb Road 30km/h – local roads.
2	Expand areas	<ul style="list-style-type: none"> Implement a 30km/h zone area for defined neighbourhoods. How are neighbourhoods prioritised? How are neighbourhoods spatially defined? Extend the existing speed limit buffer around town centres to 400m as this is generally accepted as an appropriate walking distance.

Page 40 of 42

³ 100 submissions received but 13 submissions did not rank their option clearly, and as a consequence have been excluded from the analysis.

KCDC Speed Management Plan – 2023 to 2033

(9-08-2023)

**Submission Summary
Pre- Speed Management Plan
Consultation
(Attachment 3)**

Page left intentionally blank.

INTRODUCTION

Table 1: Pre-Speed Management Plan Consultation - Part A

Otaki	Site U: Riverbank Road	Perhaps start at Miro Street? (Cam Butler on behalf of Tim Scott - Matta Products)
Raumati	Site B: Te Ra Waldorf School and Te Rawhiti Kindergarten	Request to construct a shared cycle/ pe raised crossing opposite the entrance to QE Park plus other recommendations for considerations
Paekakariki	Site A: Paekakariki School	No safe crossings on any roads around our kura. Most of our students walk or cycle/scooter to school and have to cross several roads to get here.
Paekakariki	Site A: Paekakariki School	We utilise Campbell Park regularly and to get from our school to this park we have to cross on the crest of a hill on Wellington Road - just along from where a pedestrian was killed about 5 years ago.
Raumati	Site D: Raumati South School	Cars Park on yellow lines which reduce the visibility of oncoming traffic for the road patrollers.
Raumati	Site D: Raumati South School	Every Friday we have technology and two buses park on our road to collect kids. This narrows the road and reduces complete visibility for students.
Raumati	Site B: Te Ra Waldorf School and Te Rawhiti Kindergarten	School have advised that students use QE2 up to 4 times a day, and the car park on the QE side of Poplar Ave on wet days, traffic circulates through carpark in a clockwise direction. Motorists not always stop for users on the shared path fronting the school
Raumati	Site C: Raumati Beach School	Car's parking on yellow lines.
Raumati	Site C: Raumati Beach School	Speed increases outside the school but gets lower in the shopping centre. Makes no sense.
Raumati	Site C: Raumati Beach School	Bike ramp outside the main gate is used as a crossing. This was pointed out and we requested removal. Never done.
Raumati	Site H: Kapiti College	1.09.22: No response to date
Paraparaumu	Site K: Paraparaumu School	Speeding cars down Ruapehu Street
Paraparaumu	Site K: Paraparaumu School	Visibility issues for Road Patrol children when cars are poorly parked.
Paraparaumu	Site K: Paraparaumu School	Diamond indicators for Road Patrollers now in the wrong place after the road crossing was moved.
Paraparaumu	Site K: Paraparaumu School	Buses hitting parked cars.
Paraparaumu	Site F: Kapiti School	At the minute we don't have too many issues

Paraparaumu	Site G: Our Lady of Kapiti School	Phases on the lights at the intersection of Milne and Kāpiti Roads. Too short, only getting a few cars through before it changes. Peak times 8.30-9.10 and 2.30 to 3.10. Cars are backed into our carpark at the end of the day.
Paraparaumu	Site G: Our Lady of Kapiti School	Children have to cross Presentation Way to get to the lights and so children are walking through cars. Bruce spoke about a refuge crossing with directional yellow tactile markings halfway between the school entry and Milne drive
Paraparaumu	Site I: Paraparaumu Beach School	Narrowing of road by school on Gray Avenue which creates traffic chaos at peak times. Buses constantly sideswipes cars, knocking off mirrors and endangering people trying to exit vehicles. One car had a door crushed by another vehicle. Cars therefore park on verges and over footpaths causing hazards for kids. The narrow road makes kids on bicycles feel unsafe. Wider roader would solve traffic issues and create more parking. Would like the road widened earlier than on District Plan allows (widen from school driveway to just south of Calendar Terrace).
Paraparaumu	Site I: Paraparaumu Beach School	Road Patrol students on the school side of Gray Ave crossing cannot see north along Gray Ave due to the lower position of pavement/patrol sign/post. Raised Pedestrian crossing would help address this issue.
Paraparaumu	Site I: Paraparaumu Beach School	Speed leading up to crossings need to be 30kmph (I realize this needs govt. change/Waka Kotahi change)
Paraparaumu	Site J: Kenekena School	At Kenakena we have had ongoing issues with Arnold Grove as a pickup and drop off area. We have seven allocated 'drop off and pick up' car parks in front of the school on this road however parents often get out and leave their cars in these drop off zones for up to ten minutes. This residential street is very narrow and there are often cars parked on yellow lines or across driveways. Cars also park the complete length of Arnold Grove which means that access into this street from Martin Road is often down to one lane causing congestion up and down the street. Cars also park on whatever grass areas there are large enough to accommodate a car.
Paraparaumu	Site J: Kenekena School	Sometimes, particularly on wet days, parents can be seen calling their children from the other side of the road which means children can attempt to cross the road in amongst the congestion and we have had several near misses. We have attempted to monitor this area ourselves and ask parents to move on but the response from parents is often abrasive.
Paraparaumu	Site J: Kenekena School	Regular reminders in the newsletter about the legality of the parking on yellow lines, across driveways etc, as well as the fact there are many available car parks on Donovan Road tends to have no noticeable impact
Paraparaumu	Site J: Kenekena School	We do request our Police Education Officer comes down to be a 'presence' when possible but obviously this isn't able to be a regular occurrence.

Paraparaumu	Site J: Kenekena School	The public bus timetable for kids getting home doesn't suit school kids. They often miss it because it's around 3:05 and the next one is a while later.
Paraparaumu	Site E: Paraparaumu College	Significant congestion on Mazengarb Road around 3.15pm.
Paraparaumu	Site E: Paraparaumu College	One crossing that is right at the end of the school by the roundabout. It is well used but difficult to get students to use it if they are walking the opposite direction (or live directly across the road from school).
Paraparaumu	Site E: Paraparaumu College	Access across the bridge is narrow and heavily used by cyclists and pedestrians. We have made a submission to include a cycle path towards The Drive and this had some approval, and works were going to be underway but have now stalled (not sure what the issue is). Ideally we would like a separate cycle/pedestrian bridge from our courts across to the path by the Jolly
Waikanae	Site L: Kapakapanui School	Drop off zone on Rimu Street would be good. I have approached Bruce Johnson (KCDC) about this who was taking it to a community board meeting at some stage.
Waikanae	Site M: Waikanae Primary School	Flashing signs say 50 around school time and we'd like them to say 30 as already have some speeders. Or at least say 'children crossing'.
Waikanae	Site M: Waikanae Primary School	Parking too near our Kea Crossing (not long enough zig zag lines) and then patrollers can't see oncoming traffic.
Waikanae	Site M: Waikanae Primary School	Drivers ignoring zebra crossing, particularly if road patrollers are not there, and not following basic road rules.
Waikanae	Site N: Te Horo School	We really don't have any road issues as a large number of our students come to and from school by bus.
Waikanae	Site N: Te Horo School	School Road has speed limit reduced and electronic signs.
Waikanae	Site N: Te Horo School	We have plenty of car parking at this stage, if we continue to grow I could see this becoming a problem but right now everyone is happy
Otaki	Site P: Otaki School	Apparently Mill Rd (both the college and us) is one of the busiest roads for a school entrance in the wider Wellington region. Having speed humps before the pedestrian crossing would slow the cars down before they get to the pedestrian crossing which would be good
Otaki	Site P: Otaki School	Car's parking on yellow lines and doing U-turns in front of the school is always an issue. Installing flexible parking bollards or wheel stops would be a pretty simple solution I would have thought. We wanted to put cones out in the morning and afternoon but were told that's traffic management and would need approval from higher up.
Otaki	Site T: Waitohu School	No response to date

Otaki	Site O: Otaki College	Continued issues around speed on Mill Road and Waerenga Road.
Otaki	Site O: Otaki College	Awaiting raised crossing - promised installation for 2023.
Otaki	Site O: Otaki College	Cars continually parking on yellow lines close to pedestrian crossing
Waikanae	Site X: Waikanae Beach Village	Part of Tutere included in the Waikanae Beach Township proposal
Waikanae	Site AA: Te Horo Beach	Request for speed humps outside drop off zone - parental supervision required
Waikanae	Site AA: Te Horo Beach	Requests reduction in speeds, issues near 'S' bend etc
Waikanae	Site X: Waikanae Beach Village	Request speed humps or limit the speed to 30 km/h
Waikanae	Site X: Waikanae Beach Village	Request speed humps or limit the speed to 30 km/h
Paraparaumu	Site K: Paraparaumu School	Tongariro Street - Interested in reduced speeds
Waikanae	Site X: Waikanae Beach Village	greatly disturbed by the speed of traffic, especially at weekends, at the junction Rauparaha St and Tutere St Waikanae Beach
Otaki	Site P: Otaki School	Waerenga Road - Philip would like to report that the number of vehicles speeding down his street are getting worse. Request reduced speed limit or speed humps
Paraparaumu	Site I: Paraparaumu Beach School	Request speed humps on Martin Road
Paraparaumu	Site K: Paraparaumu School	Request speed hump on Ruapehu Street
Otaki	Site S: St Peter Chanel School	Request speed hump on Convent Road
Waikanae	Site X: Waikanae Beach Village	Request reduced speed limit
Otaki	Site U: Riverbank Road	Request reduced speed limit

Total = 55

**Table 2: Pre-Consultation Speed Management Plan Consultation - Part C**

Waikanae	Koromiko Road	Request for speed humps on Koromiko Road
Paraparaumu	Blue Gum Road	Parking on both sides of road on Sunday mornings forces all traffic into the middle of the road, limited visibility
Otaki	Rahui Road	Very narrow. No action as existing posted speed = SAAS of 60 km/h
Otaki	Rahui Road	Ensure consultation targets tradies and highlights how the community can contribute to development of the SMP. Possible drop into community boards
Otaki	Rangiuru Road	This submission is to request an asphalt judder bar be placed in between 27 /29 Rangiuru Road Otaki Beach
Otaki	Hadfield Street	Requests speed humps on Hadfield Street between Te Rauparaha Street and Matene street to address speeding issues
Waikanae	Elizabeth Street	Concerns re speed on Elizabeth Street
Raumati	Alexander Street	Request speed humps on Alexander Street
Paraparaumu	Ruahine Street	Request judder bar on Ruahine Street
Waikanae	Elizabeth Street	Speeding on Elizabeth Street
Paraparaumu	Ratanui Road	Identified for a possible reduction in speed limit in the Ratanui Safe System Audit
Paraparaumu	The Drive	My family and I respectfully request that council consider deploying speed bumps on at least the most populated parts of the street in order to prevent what would undoubtedly be a very serious accident from occurring.

Total = 12

KCDC Speed Management Plan – 2023 to 2033

(9-08-2023)

**Submission Summary
Do you agree with the Speed
Management Plan?
(Attachment 4)**

Page left intentionally blank.

INTRODUCTION

Part A: Do you agree with our proposed Speed Management Plan?

Stakeholders were requested to respond to the above question which resulted in the following:

- Yes 61
- No 136
- In part 20
- Not answered 9

Total 226

A sample of the comments submitted by stakeholders follow as outlined in Table 1.

Table 1: Speed Management Plan – Agree (Yes/ No/ In part)

Respondent	Do you agree with our proposed Speed Management Plan?	Comments
1	Yes	Yes
2	No	No. I am concerned that in all cases, there is an assumption that ALL speed limits under consideration are for reductions. For example, we now have a four-lane highway from Ōtaki through to Wellington where the limit is only 100 kmh. Consideration needs to be given to increase this to 110 or 120 km/h, so that the sensible reductions in town will be balanced for the safer highways. I do understand that the remit of the highways is with Waka Kotahi, but this definitely needs joined up thinking. I would also suggest some consideration is given to global comparisons of speed limits. I know that conditions in New Zealand, and in this case across the Kāpiti Coast in particular, may be different but it is useful to understand context in which we are operating and benchmarking.
3	-	
4	No	No! Part A should include Otaki beach
5	No	No
6	In part	To some - limited - extent
7	No	No, Waka Kotahi do not have realistic views on safety, they plan to reduce limits rather than address the real issue of making the road layout safer like all western countries and Europe
8	Yes	Yes
9	No	No, it needs to go further

10	No	This proposed speed management plan does not go far enough fast enough to address road safety issues and create a safer environment where more people feel safe and comfortable to walk and bike for shorter trips to reduce emissions from transport.
11	-	
12	No	No, because you are just making children and parents less responsible for their safety
13	-	I feel speed humps are better than speed signs. Not everyone takes note of speed signs. Please also include Early childhood centres in this proposal. I live opposite Grafton Kindergarten and quite often see parents with young children running across the road. Speed cameras after hours would also be effective.
14	In part	In general.
15	Yes	Yes
16	No	No, it's not what Kapiti needs
17	Yes	Yes
18	Yes	Yep - schools, town centres and marae are critical areas for safety.
19	No	No. This is a solution looking for a problem to solve. There is no need for any speed reduction anywhere. Even speeds around schools are already covered adequately by the road code.
20	No	No
21	No	No
22	No	No, I am sick of the speed limits getting lower and lower. Soon it will be quicker to get out and walk. It's so frustrating on roads like old SH1 between Raumati rd and Ihakara St there's no reason to be 50kmh. There's nothing on one side of the road and a handful of houses on the other. Where's the logic in 50?
23	No	No
24	No	<p>No! Absolutely not.</p> <p>Why would Mazengarb go to 40km???!!! You are making it so hard to travel around Paraparaumu and now lowering the speed, so it takes even longer? This is so frustrating to read, you are making it so hard for residents to live here.</p> <p>We need more accessible streets to stop these traffic jams, please invest into this and stop lowering the speed, this is madness</p> <p>Stop this nonsense!!!</p> <p>We live two blocks away from a school and there is no need for our street to be 30km.</p>
25	Yes	Yes
26	In part	No in parts
27	No	No, too inclusive...no problems around schools but rest is overkill.
28	No	No

29	In part	Some parts of it
30	In part	I agree with the changes to 30km/h in school zones on a variable basis, but only agree partly to some of the permanent changes proposed.
31	No	No, you are kidding
32	No	No, I think it is overbearing and will impede traffic flow and business in the area
33	No	No
34	Yes	Overall, yes but feel it needs more at some areas
35	Yes	Yes
36	No	No
37	No	No- it's too widespread to include all the back roads around Paraparaumu
38	No	No, why are we spending money on schemes like this. Put a zebra crossing outside Paraparaumu College first and spend money on that.
39	No	No. For sure lower speed limits around schools absolutely but absolute not down Kapiti Road. You have already completely screwed the traffic flow around Kapiti with the main road "improvements" & there's now backed up traffic where there was no backed up traffic before don't lower speed limits & further hinder movement around the area.
40	No	I think the speed limits in general are too low and will cause traffic jams and driver frustration. I agree that speed limits around schools are too high. In Victoria, Australia, speed limits drop to 40km/h in the morning and afternoon when students are arriving and leaving school. Roads like Kapiti Rd are already congested and has multiple traffic lights so the speed limit is already 30-40km/h by default. Quiet suburban roads can be safely driven through at 50 km/h.
41	No	No, the speed limits are safe as is.
42	No	No
43	No	Absolutely not! The speed reductions will only continue to add to the existing problem of traffic congestion on the Kapiti Coast. 30km/h should be reserved for schools during pickup and drop-off times. Town Centres and neighbourhoods should remain 50km/h. Corridors should NOT be restricted to 7km/h.
44	Yes	Yes
45	Yes	Yes
46	No	No - Only around schools and childcare facilities.
47	In part	I agree that the plan has some very good proposals but there are some urgent issues that need to be addressed whether it be as part of that plan or extra to it.
48	No	No
49	No	No, Although I have no issue with changes around schools.
50	No	No
51	No	No, it's crazy
52	No	NO
53	No	No
54	No	Absolutely 100% not at all

55	No	No
56	No	No not at all, I fail to see how any of this helps with congestion and emissions let alone safely. I believe all this will do is cause frustration and increase the likelihood of accidents and poor driving behaviour. It is no great secret that there seems to be an agenda targeting motorists and this sort of thing simply adds fuel to the fire.
57	No	No, the traffic flow is already stuffed, stop trying to fix what isn't broken
58	No	NO I want 30kph within 500m around schools just as the law is now I want all other speed limits kept as they are in the Law now I do NOT want the speed limits changed
59	No	No, I do not
60	No	No, I don't.
61	No	Absolutely not, 30km for roads not near schools is absolutely ridiculous. It will achieve nothing, only more frustrated drivers.
62	No	No
63	No	No - there have been several reductions and changes which is negatively impacting the flow of traffic around Kapiti, especially around Paraparaumu and Waikanae. Changes need to improve the flow and speed management is not the answer.
64	No	NO, I think reducing the number of roads shown on your map in orange to 30 km is overkill and will make travel times and frustration levels too high.
65	Yes	Yes
66	Yes	Yes. Slower speeds = safer roads and fewer fatalities and injuries
67	No	No
68	No	No
69	No	No. Reduced speeds around schools may be appropriate, but only during school hours, and possibly in shopping areas such as Paraparaumu, Raumati and Waikanae. No other speed restrictions should be applied as it will create more problems than it will address.
70	In part	Broadly I agree, but in detail I have significant reservations. Te Moana Rd for example does not need a speed change. the schools do not need blanket X distance zones, but rather targeted zones.

71	No	<p>The plan is very vague and does not mention what the implication is for the district. Cars have improved of the years, I think you need to target the people not the cars and of course keep the roads safe no potholes.</p> <p>I think the extra money needs to go into the upgrade of the roads in the hard hit cyclone area's. Of course during schooltime the speed restriction needs to be adhere to. And it is logical to have a lower speed for Cul-Du-Sac streets but not for roads like Mazengarb road (which was 80km before), Kapiti road (= red light district), old SH1 etc. It looks more about control and getting to be able to fine more tickets.</p> <p>If KCDC would really want to be safe, get to the people and educate them to use their lights in the night and bad weather. Regularly check their engine, wipers etc. Get also the kids to learn how to bike/ride/walk in traffic. It is not only the cars it is everyone who is using the roads during peak time and how to address each other. Making the speed lower will just increase frustration. Possibly introduce for the car lovers one night at month the option to speed at the e.g., the airstrip or any other area. Plus, check more on the roads during night time. More teenagers will do that if there is nothing else to do for them!</p>
72	No	No
73	Yes	Yes
74	No	No
75	No	No.
76	Yes	Yes
77	No	No
78	No	Not at all.
79	Yes	In principle.
80	No	No, I find the whole exercise unnecessary. There doesn't appear to be any evidence that people simply driving the current speed limits are causing accidents. There are always other factors involved such as alcohol, phone distractions etc.
81	Yes	Yes, there are too many drivers who regularly speed and have very little regard for other road users within the Kapiti region. Lowering the speed limit particularly around school areas is important to prevent injuries and accidents.
82	-	Where do I find the pan for Reikorangi or is this still the forgotten valley?
83	No	No
84	Yes	Mostly yes
85	No	No
86	No	No, It's pretty much a large load of misrepresentation
87	Yes	Yes
88	Yes	Yes. Reducing speed in urban and residential areas saves lives, reduces noise, pollution and fuel emissions.
89	No	No

90	No	No - the current road speeds are safe and adequate. The council has recently spent a lot of rate payer \$\$ on traffic lights and crossings there is no requirement for speed restrictions. Not to mention there are not enough police in the district to police the restrictions so they wouldn't be policed or adhered to. Waste of rate payer money.
91	No	No. I agree with reducing speed around schools, however I believe the issue in other areas is speeding, not the underlying speed limit. More resource should go towards addressing the speeding!
92	No	No not at all, there certainly is not no evidence to show there needs to be a change, schools are well catered for and there are enough traffic lights down Kapiti Road to confuse people, adding to that you have now got a back log of traffic in Coastlands car park at 5 pm god knows what will happen when you have the next set of lights operating for pedestrians from the station. The slower you go the more accidents there will be, frustration sets in and people will start taking risks. Ban people using cell phones would be a good start not lowering the speed limit.
93	No	No
94	In part	Mostly
95	No	No absolutely not
96	No	No. I believe our roads are safe and we have suitable school zones set up, so drivers slow down.
97	No	No, option C at best buy slowing down traffic any more than the ridiculously slow old Kapiti drivers is ridiculous.
98	No	No
99	No	no
100	No	No
101	No	Not at all
102	No	No
103	No	No, I strongly object and I am not convinced of the need or of the rationale provided. The resulting plan amounts to micromanagement of all drivers who will have to cope with many speed transitions, doesn't target high-risk drivers who pay no attention to speed restrictions, and will diminish the quality of life due to increased journey times, increased visual pollution due to all the necessary signage, and speed compliance anxiety.
104	No	No. I already avoid the 30km speed limited roads if at all possible. I also avoid Rimu Road by the library as it is so congested from the traffic lights.
105	In part	Not entirely. I agree with reduced speed limits around schools but only at peak times when there are children and parents around at the beginning or end of school or when there are special events on. You want road users to buy into and respect the speed limits rather than be annoyed by them when they can't see the need for them. For example, a permanent 30 kmph limit at Te Ra School doesn't make sense and drivers will ignore it when there is no-one around.

106	-	
107	No	No
108	No	No
109	No	Overall NO. Some ideas are good, but blanket speed reductions based on no specific evidence of local risk factors is wrong.
110	No	No
111	Yes	<p>Yes, in principle. However I am a concerned resident of Walton Rd Paraparaumu Beach and don't believe that appreciate consideration has been made to connecting thoroughfares like my street.</p> <p>High acceleration is a persistent problem on a primary route between 3 high usage schools.</p> <p>The area is also primarily domiciled by young families and traffic management needs to be considered outside of school drop-off and pickup times.</p> <p>Particularly due to the corridor to sports fields, shopping centres and beach access</p>
112	Yes	Yes and no. It's hard to agree or disagree as page 25-26 have FOUR options. I agree with Option 3. Whatever is implement, it will become increasing difficult for drivers to comply with speed limits if they change from street to street, day to day (school days vs. weekends) and month to month (school terms vs. holidays). It needs to be consistent throughout, so drivers spend more time focused on driving, rather than figuring out what the speed limit of a particular street is as a particular time on a particular day.
113	Yes	Yes
114	Yes	Yes
115	No	No
116	No	No
117	Yes	Yes - Option 4: Reduce speed on all roads
118	No	No
119	No	No
120	Yes	Yes, but it probably doesn't go far enough for Paekakariki - especially around the school
121	No	No all you seem to want to do is slow everything down It already takes too long to get around due to the lack of direct roads
122	Yes	Agree with the prioritisation of high traffic areas such as schools for lower speed limits.
123	No	No not all of it
124	No	No

125	Yes	<p>In general, I agree with the need to look at speed limits across our urban areas and have a plan to address unsafe areas.</p> <p>I live in Paekākāriki, and with a small village, footpaths largely only on one side of the streets, and lots of children, holiday makers, increase in local and out of town cyclists, and animals around I feel in general speed management plan in general does need to be addressed. The recent change of lowering the speed limit in the core main village street has been very good, and largely agree that speed limits across the village should also be addressed.</p> <p>I do however think the plan does not offer options as such, more the one option to address speed management is lowering the overall speed. However, there are various way to address traffic flow and speeds.</p> <p>And as we know from experience in Paekākāriki some people are always going to speed regardless of the "limit", especially around our schools and popular areas. In regard to the school area, and other popular pedestrian areas in the village, by the beach, sports fields, I would like to see a separate plan to put in other safety measures. I would say the estimate speed of cars around the school during school hours etc. is already 30km, and the surrounding streets are so narrow that often cars would be going less than that already, so is not really any change, would question is it addressing the actual issue and making it safer for the children.</p>
126	No	No - ridiculous
127	No	No
128	Yes	Yes
129	No	<p>I think the lower speeds around the schools are a good idea. I think they need to be time orientated, between 7.30am - 5.00pm and only on school days - not weekends or school holidays. This is the case in many other countries I have visited. I think 2KM around the high schools should again be only time orientated on school days, not all the time. I do not think the option 4 of cutting speeds down on all roads is a good idea at all. It is difficult enough to get around Kapiti. So, I do not support it at all. I do not think we have a high accident rate to warrant that response. I think the creation of some dedicated crossings and pedestrian refuges are a good idea, I like the 2 suggested in Paraparaumu.</p>
130	-	
131	Yes	Yes, these seem like excellent plans. Slowing down the traffic calms things down, creates safer more people-friendly spaces, and helps reduce carbon dioxide emissions. Win, win, win!
132	Yes	Largely yes, but I would like to see implementation faster. Also, there needs to be a clear cycling/walking path plan to separate paths from the road so that people can feel safe using those modes of transport.
133	No	No

134	No	No
135	No	No, I don't
136	In part	Yes, as far as schools and shopping areas are concerned but think that a 70k limit on all road corridors (not sure what that means) is too restrictive.
137	No	I think reducing speed across the board is the wrong approach. It should be targeted to problem areas and supplemented by safe road design.
138	No	<p>No. The plan is misdirected insofar as it will:-</p> <ul style="list-style-type: none"> a) Slow down commerce e.g. goods delivery b) Slow down council services, rubbish collection c) Slow down transport, i.e buses, taxis, private vehicles, plumbers, electricians etc d) Discourage tourism including day trippers from Wellington to Palmerston North and beyond e) Discourage immigration into the area and encourage emigration from the area <p>As is obvious, each of a - e will create substantial increases in delivery costs, shop prices, council services provision, rates, business failures, falls in property values</p> <p>It should be appreciated that people have traditionally respected the law. A massive factor in that is that, by and large, laws have been reasonable, rational, and sensible. Respect has to be earned and anybody that introduces laws that are clearly unreasonable, irrational and nonsensical should have no expectation that such laws will be respected by that body's employers/financiers, in this case, Kapiti's ratepayers. I feel sure that any person that actually reads and considers this submission (and I have no confidence that this will occur), will be conscious that NZTA roadworks' cones/speed reductions has changed so that cones appear much earlier than necessary, much further in advance of the works occurring and remain too long after the work has been completed. It is common to encounter cones and limited speed requirements and reach to proper speed resumption sign with no roadworks being evident. As a consequence, and certainly in my observation, drivers are largely ignoring cones and speed limit signs until actual activity/loose metal/whatever is physically seen. In other words, they simply do what is common sense. NOBODY EVER RESPECTED STUPIDITY.</p> <p>Am I saying that I believe that speed reductions will be generally ignored and potentially cause accidents because of impatience? That is an unequivocal YES!</p> <p>Incidentally, introducing speed reductions around maraes and not other assembly places, i.e., Churches and the like, will clearly be racist and I doubt that any racist law would ever be enforceable in this day and age</p>
139	Yes	Yes

Page 10 of 17

140	Yes	Totally!
141	No	No
142	Yes	Yes
143	Yes	Yes, anything to lower speeds around our roads is a good thing
144	No	Not at all! It's an absolute joke of an idea
145	No	No. 30kmh is too slow for many of the roads selected
146	No	No, it's a false focus by NZTA who cannot achieve Road to Zero and they admit it. NZ Police falsely note all unclear accidents as being speed related as that is their default meaning skewed data is being used and relied on
147	No	Not really
148	Yes	Yes. 30km/h speed limits around our local schools.
149	No	No
150	No	No. I have seen a combination of five different speeds proposed in the area. From 20km to 60im and this does not include roads such as expressway at 100km and old highway at 80km that still go through this area. More consistency in the speeds will help embed the change in speeds in resident's minds. I would like to see more pedestrian crossings in high school foot traffic areas such as Raumati Rd and poplar Ave.
151	Yes	Yes, although I think it needs a few additional places
152	Yes	Yes, I do. It will be much safer for all members of the community.
153	No	No
154	No	No
155	No	No not at all, dropping to 30 k's is far too small in long wide roads like Milne Drive
156	No	No
157	Yes	In general, Kenakena School supports the proposed changes to the speed management plan.
158	Yes	yes, except I think the Te Horo Road corridor should be extended to Pukenuamu Rd, which has a speed limit of 80kmph while connecting roads either end are 60kmph.
159	Yes	Yes. Raumati area needs to include speed mitigation and control at the corner of Matai Road and Raumati Road
160	No	No
161	Yes	Yes, although I think more areas could be covered by lower speed limits and traffic calming elements should be brought forward.
162	No	No
163	No	No, lowering speed limits will make travel far too slow and people more impatient
164	No	No, 30kmh is far too slow. 50kmh is a relatively safe speed for new and experienced drivers. There is no need for the speed to drop this far. This is outrageous!
165	No	No this is a terrible idea. It is outrageous to lower the speeds this low. I'm sick of already driving at 30 and you guys need to use your energy on something more productive.
166	Yes	Yes, I do. However, any such plan will fail to achieve the desired result if there is little or no monitoring of driver behaviour and adherence to the speed limits.

167	Yes	Yes, in general terms. I am more concerned with a specific area.
168	No	NO
169	In part	Around Schools daycare etc == Yes Proposed wide ranging = No Totally ridiculous
170	In part	Some areas yes, but others no.
171	Yes	Broadly yes
172	In part	In part
173	No	No
174	Yes	Yes
175	Yes	Yes
176	In part	I support the slower speeds around schools, but I'm not entirely convinced it is the whole answer, and I think you're moving too slowly. Part of the issue around schools now is lack of sensible/adequate planning that would have allowed for there to be space/safety for cyclists and people on foot, to handle the volume of cars needing to get in and out of school areas efficiently (lack of area for people to park cars when picking up from schools), and for through traffic (people just wanting to get past schools in peak traffic - which is around pick up/drop off). I am also in favour of more rapid change - our children and young people in particular need more safety now. What is the reason for the slowness of proposed change?
177	No	No, It makes me miss my train every time. I sit in traffic for 20 minutes.
178	No	No, it doesn't help students traveling to school commute easier.
179	No	No
180	yes	yes
181	No	no
182	No	No
183	yes	yes
184	Yes	Yes, as long as it is high risk areas and does not affect everyday movements
185	-	
186	Yes	Yes
187	No	Not entirely, the speed limits will be confusing as traffic moves through different maximum speeds in the same streets
188	No	no
189	-	
190	Yes	yes, in general
191	No	No, it should stay 50kmh
192	No	No. It's ridiculous. Roads, cars, technology, and policing are all at the most advanced and safest in modern history and this absolute cluster of a plan might as well get us back on horses. The changes made in the last 2 years make this district a frustrating place to drive and the moronic plan to drop more limits to 30-40 is just unbelievable. Local roads should be 60 with low-speed zones (40) around schools etc for designated times only.
193	No	No
194	No	No

195	Yes	Yes - it is clearly evident that there are areas where motorists do not take adequate care around schools
196	In part	Parts of it.
197	No	<p>Firstly, the proposals fail to identify the specific problem(s) they are supposed to be addressing. Secondly, they are somewhat vague and nebulous. For example, the term "road corridor" can be applied to any road, anywhere. It is meaningless in this context.</p> <p>When we look forward ahead to beyond 2027, we find a proposal to reduce ALL local roads to "safe and appropriate speed limits" What a nonsense term. Safe is a relative term. Appropriate is a completely subjective term. On what basis, exactly, is a 30kmh limit on Mazengarb road, for example, supposed to be "safe", and how, exactly, has the current 50kmh limit come to be deemed as "unsafe".</p>
198	No	No - While I understand that this is driven by central government legislation, I don't support the concept of reducing speed limits to 30 or 40kph where they are currently 50kph. I accept that around schools' entry "100 or 200 meter" it is reasonable to have lower speed limits but mainly variable based on school hours. Some of the corridor can be reviewed based on increase in housing density.
199	Yes	Mostly. But the 30kph area around schools must be carefully considered as it will slow traffic too much for most of the day, And it can be very slow moving around anyway with all the lights on Kapiti Road and the very slow bit and too many lights through the "town centre". The slow areas through each "village" is essential and should be consistent through each and same traffic controlling features for each, e.g. speed humps.
200	In part	In part.
201	No	Not at all
202	No	No
203	Yes	i agree with the plan
204	Yes	yes, its amazing in my opinion
205	yes	yes
206	Yes	Yes - I believe that streets in Kapiti are too fast and are unsafe for the community
207	No	No, all the speed limits around schools should be variable based on normal operating times - maybe extend these to be a bit earlier or later but fixing speed limits for well out of school hours is just a nuisance to road users.
208	No	No. There is no identified problem that this is trying to fix. Address specific areas of road where death or injury have occurred. Leave the rest alone.
209	In part	Partly.
210	Yes	Yes, we agree with reducing speed around our schools and improving safety.
211	-	I cannot give a "yes" or "no" to this question.
212	In part	Partially yes

213	Yes	Mostly
214	Yes	Yes
215	No	No, I think there are too many restrictions already.
216	No	No
217	In part	Only partially
218	No	No. More to do with Te Moana Road
219	No	No.
220	No	<p>No.</p> <p>I believe the speed management plan is ill-considered and lacks proclivity. It also lacks focus and is light on vision & amp; leadership in this extremely important area. It appears to be driven by overarching NZTA funding parameters by focussing reducing speed limits with limited focus on the management of speed & amp; traffic calming. It certainly does not focus on what is good / needed by the community and ignores many high benefit areas.</p> <p>The plan has completely ignored the area of Te Moana Road between Park Avenue & amp; Old SH1 which has one of, if not the highest concentration of active road users in Waikanae. Council monitoring over the past five years has identified an average of around 7500 each & amp; every day on that section of Te Moana Road, the vast majority (circa 80%) of which exceed the 50kph limit. Incidences of 70,80,90 speeds are common (up to once a minute) and occasionally exceeding 110 kph. Additional noise from this uncontrolled speed is at times well above acceptable levels (two to three times above the 50kph norm) with additional health risks from stress, anxiety, lack of sleep and loss of enjoyment from our gardens.</p> <p>As a residential road, with many pedestrians, children on way to school, early childhood centres, bowls club, retirement villages and the like, the road desperately needs effective speed management & amp; traffic calming measures, as well as normal pedestrian safety facilities (there are no zebra crossings for example) and a considerably less vehicle - centric mindset than is currently being demonstrated by council officers and has been for many years.</p> <p>The risks of high speed are a constant theme in the Speed Management Plan. Statistics about 70% of injury crashes having speed as a factor, a death risk of 80% at 50kph are noted in the plan and yet completely ignored as regards this section of Te Moana Road where over two million vehicles are exceeding the speed limit each year. These vehicles include significant and regular numbers of large logging trucks, heavy construction vehicles and the like where the risk of death is considerably higher than cars. The road markings in the 420-470 Te Moana Road section are considerably adding to the risk, bringing these heavy vehicles very close to residents mowing berms and considerably enhancing opportunities for</p>

Page 14 of 17

		<p>those who want to go fast.</p> <p>Likewise, Park Avenue has similarly been ignored in this speed management plan with similar safety issues.</p> <p>The benefit areas of Waikanae such as the noted areas of Te Moana Road and Park Road need urgent speed management/traffic calming focus and must be included in the 2024-2027 plan.</p> <p>To continue to exclude would go completely against the main rationale for what council is proposing. That is "Why Does Speed Management Matter"</p> <p>I would be more than happy to speak to Councillors on this submission if provided with that opportunity.</p>
221	No	no
222	No	<p>No.</p> <p>I believe the plan is simplistic and with a primary focus on one simple metric, speed limits, rather than the wider speed management area. No serious consideration appears to have taken in developing the plan of other NZTA metrics including volume of traffic, likelihood of injury in low versus high volume traffic areas. This is most dramatically brought into focus by council indicating that for example Ngapaki Street or Hona Street in Waikanae Beach is more deserving of Speed Management than Park Avenue the section of Te Moana east of Park Avenue to Old SH1. These roads have a high concentration of active road users which better fit the criteria of high benefit areas compared to Ngapaki Street. Additionally, NZTA have identified that the risk of pedestrian injury on roads such as Te Moana Road is significantly higher than that of small local roads such as Ngapaki or Hona. Additional NZTA advises that 75% of pedestrian injuries occur on roads with more than 2900 vehicles per day such as the section of road between 420 and 470 Te Moana Road, a similar length to Ngapaki Street. Daily volumes are intuitively 50 times greater on that section of Te Moana further confirming a significantly higher risk profile. Additionally, many of the traffic calming examples mentioned in the plan for future use appear at odds with current best practice.</p> <p>The plan certainly does not focus on what is good / needed by the community and ignores many high benefit areas.</p> <p>Council monitoring over the past five years has identified an average of around 7500 each & every day on the 420 - 470 section of Te Moana Road, the vast majority (circa 80%) of which exceed the 50kph limit. Incidences of 70,80,90 speeds are common (up to once a minute) and occasionally exceeding 110kph. Additional noise approaching 100 dB from</p>

Page 15 of 17

		<p>this above 50kph speeding is a major health risk</p> <p>As a residential road, with many pedestrians, children on way to school, early childhood centres, bowls club, retirement villages and the like, the road desperately needs effective speed management & traffic calming measures, as well as normal pedestrian safety facilities (there are no zebra crossings for example) and a considerably less vehicle - centric mindset than is currently being demonstrated by council officers and has been for many years.</p> <p>The risks of high speed are a constant theme in the Speed Management Plan. Statistics about 70% of injury crashes having speed as a factor, a death risk of 80% at 50kph are noted in the plan and yet completely ignored as regards this section of Te Moana Road where over 4000 vehicles passing each house EVERY day are exceeding the speed limit each year. Council officers have noted a high incidence of over 61 kph traffic which has an even higher above 90% death rate. These speeding vehicles include significant and regular numbers of large logging trucks, heavy construction vehicles and the like where the risk of death is considerably higher than cars. The road markings in the 420-470 Te Moana Road section are considerably adding to the risk, bringing these heavy vehicles very close to residents mowing berms and considerably enhancing opportunities for those who want to go fast.</p> <p>The high benefit areas of Waikanae such as the noted areas of Te Moana Road and Park Road need urgent “best practice” speed management/traffic calming focus and must be included in the 2024-2027 plan.</p> <p>To continue to exclude would go completely against the main rationale for what council is proposing. That is “Why Does Speed Management Matter”</p>
223	No	<p>No. The Speed Management Plan has completely ignored one of the highest risk areas in Waikanae, namely the section of Te Moana Road between the intersection of Park Avenue and Old SH1. This area of Te Moana Road is characterised by very high traffic volumes of around 7000 vehicles per day, excessive speeds as identified by council officers and yet had been specifically excluded. Council monitoring over the past 7 years has consistently recorded 75% to 80% of traffic exceeding 51kph with between 700 to 1000 vehicles per day travelling 60kph or above. Speeds of 70, 80, 90 are regularly recorded and occasionally in the range of 100 to 120 kph. It is without doubt a high benefit area with a high concentration of active road users. Council inaction to address multiple safety issues, some of which have been caused (according to advises our group have received from a TM expert) by using other than best practice in road marking design and not providing</p>

Page 16 of 17

		<p>sufficient safe crossing points for pedestrians. Not including Te Moana Road in the Safety Management Plan significantly & further compromises the risk to all on & around Te Moana Road and ignores some of the key metrics on pedestrian safety published by NZTA. These include the fact that 75% of pedestrian accidents occur on roads with daily traffic volumes of above 2900 per day and the additional risk of this excessive speed. The speed management plan identifies the risk of death v impact speed of 70% at 50kph. With over 80% of traffic between 420 and 470 Te Moana Road (and similar to the West) travelling in excess of 50kph the risk to pedestrians, cyclists is above 70% risk of death and approaches 95% of death for the frequent traffic speeds in the 60 to 75 kph level.</p> <p>Te Moana Road contains early childhood centres, a retirement village, a good proportion of elderly, a Bowls club and is frequently used by primary and secondary school students to get to and from school. All these groups are defined as at risk by NZTA with above 65s having a similar risk profile to primary age children.</p> <p>Te Moana Road between Park Road and Old SH 1 must be included in the Speed Management Plan for urgent action between 2024 and 2027 if not sooner. To do otherwise would completely go against the core context of the Speed Management Plan to provide safe and appropriate speeds which is clearly not the case on this section of Te Moana Road currently.</p>
224	Yes	Yes; it will make the roads and footpaths safer for all users in the areas concerned
225	In part	While I support the proposals for variable 30km speed restrictions around schools immediately before and after schools, I do not agree with permanent restrictions, where a school is the driver for the reduction. The use of a school being the incentive to reduce speed limits, should not be used to just implement speed limits reductions across the wider Kapiti road network by stealth. Any speed limit reductions need to be aimed to address an actual issue and be imposed only when applicable. While variable restrictions (immediately before and after school) directly adjacent to schools makes sense, imposing permanent restrictions that is required 4.5% of the time does not (based on 396hrs per year, an hour before and after school for the 198 school days, out of the 8,760hrs in the year). An example is Te Rā Waldorf School and Te Rāwhiti Kindergarten proposal
226	No	No.

Q1. Do you agree with our proposed Speed Management Plan?

Yes

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Paraparaumu

Q4. Select the Waikanae areas you'd like to provide feedback on:

not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu College
Our Lady of Kāpiti School

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

Yes, you've got it right

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

Yes, you've got it right

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School? not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road? not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village? not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on: not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School? not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

FURTHER COMMENTS: I am the homeowner at 31 Mazengarb Road, Paraparaumu. Previously I have enquired through the Antenno app about the possibility of requesting a defensible crossing place at the intersection of Mazengarb Road and Percival Road due to safety concerns. I had complained about the amount of drivers travelling (at what appeared to be) at high speeds along what is a very straight (dragstrip) of a road towards where it turns into Te Kupe Road. There are many children and families coming from Kotuku Park and further north crossing to get across to Kena Kena and Te Ati Awa Park at this road location, and it is very busy and quite dangerous. Council Officers had advised that an option may be to create a defensible road crossing refuges / chicane of sorts at the intersection of Percival Road connecting into the recently completed shared pathway, which may act to slow drivers. Given rugby and netball season is almost upon us again and our road will get very busy again soon, consultation opening on the Speed Management Plan is timely. I REQUEST THAT KCDC SEEK TO: 1. Construct a Pedestrian Refuge on the northern corner of Percival Road and Mazengarb and extend the kerbs at the intersections to slow the entry/ exit speeds of vehicles. This would link into the recently completed Shared Pathway and provide a safer crossing point for Kena Kena school children, netball and rugby players / visitors (where overflow parking comes onto Mazengarb) and wider pedestrian movements at this location. 2. Install additional road calming infrastructure along this road corridor (chicane or narrowing) to reduce travel speeds along the road corridor and/or to provide more opportunities for pedestrians/ cyclists to cross the road corridors safely. Another location could be at the Te Āti Awa Park entrance, 14 Mazengarb Road, Paraparaumu Beach (location of Kenakena Pa and Church). <https://www.kapiticoast.govt.nz/whats-on/things-to-do-in-kapiti/heritage-trail/paraparaumu/kenakena-pa-and-church/>. Many people cross and enter the park here also. 3. Reduce speed limits on all Mazengarb Road to safe and appropriate speed limits (30-40kmph.) 4. Support Community Board funding along Mazengarb Road for street tree planting, improving amenity and assisting with traffic calming effects. I would like to request to speak to this submission. Nga mihi, Olivia Campbell 02041440368

**Respondent No:** 2**Login:** Registered**Responded At:** Apr 25, 2023 13:57:23 pm**Last Seen:** Apr 25, 2023 03:48:22 am**Q1. Do you agree with our proposed Speed Management Plan?**

No. I am concerned that in all cases, there is an assumption that ALL speed limits under consideration are for reductions. For example, we now have a four lane highway from Ōtaki through to Wellington where the limit is only 100 kmh. Consideration needs to be given to increase this to 110 or 120 kmh, so that the sensible reductions in town will be balanced for the safer highways. I do understand that the remit of the highways is with Waka Kotahi but this definitely needs joined up thinking. I would also suggest some consideration is given to global comparisons of speed limits. I know that conditions in New Zealand, and in this case across the Kāpiti Coast in particular, may be different but it is useful to understand context in which we are operating and benchmarking.

Q2. Would you like to answer on a specific area?

No

Q3. Select the Community Board Areas you would like to provide feedback on:

not answered

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School? not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road? not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Get rid of traffic lights at Te Moana Road and Ngaio Road and replace with small roundabouts (also useful at Park Avenue junction with Te Moana Road). Driving from Karori via Kelburn Viaduct, Upland Road, Glasgow Street and Kelburn Parade will give an excellent example of how well these work for heavy vehicle and pedestrian traffic.

**Respondent No:** 7**Login:** Registered**Responded At:** Apr 26, 2023 17:08:20 pm**Last Seen:** Apr 26, 2023 07:06:31 am**Q1. Do you agree with our proposed Speed Management Plan?**

No, waka kotahi do not have realistic views on safety, they plan to reduce limits rather than address the real issue of making the road layout safer like all western countries and europe

Q2. Would you like to answer on a specific area? No**Q3. Select the Community Board Areas you would like to provide feedback on:** not answered**Q4. Select the Waikanae areas you'd like to provide feedback on:** not answered**Q5. Do you agree with our proposed speed limit for Kapakapanui?** not answered**Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?**

not answered

Q1. Do you agree with our proposed Speed Management Plan?

Yes

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Ōtaki

Q4. Select the Waikanae areas you'd like to provide feedback on:

not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

Ōtaki School

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

I thought Waerenga road wasn't there but I see it in the map above. This would include Otaki kindergarten which has speeding cars doing 70/80 kms every day at pick up time of 2.30pm.

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on: Raumati South School

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? You need to do more

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

You need to think about how kids get to school, and support low carbon trips of walking, scooting and cycling. The proposed is the bare minimum and designed to reduce any inconvenience of people in cars and as much as possible maintain the status quo. This plan places the driving convenience over the safety of children and young people and the necessary reduction in carbon emissions of this coastal community. You should be looking at least walkable catchments around schools and keeping kids safe on their journeys to/from school. The cost of speed limit changes is relatively low, the traffic calming measures need to happen but can be committed to for roll out later in the plan. Waka Kotahi guidance and the speed setting rule now allow for far greater changes than what are being proposed. Do more please.

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for
Raumati South Village?

not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Please do more, please put the safety of children and young people at the heart of this decision, not the efficiency of a private vehicle transport. This is not a modern plan, fit for the modern transport environment and climate change context. We need every kid to get to/from school safely, no matter how they travel. This community has asked for this for a long time.

Q1. Do you agree with our proposed Speed Management Plan?

This proposed speed management plan does not go far enough fast enough to address road safety issues and create a safer environment where more people feel safe and comfortable to walk and bike for shorter trips to reduce emissions from transport.

Q2. Would you like to answer on a specific area? Yes

Q3. Select the Community Board Areas you would like to provide feedback on: Raumati

Q4. Select the Waikanae areas you'd like to provide feedback on: not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui? not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School? not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on: Raumati South School
Kāpiti College
Raumati South Village

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? You need to do more

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

Do it once and do it right - this should be at least a 1.5 kilometre radius from the school to create safer options for our kids to walk, bike or scoot from home to school. Safety issues for kids travelling to school don't happen just outside the school gate. KCDC need to support our kids to be able to make these trips independently. The community have been asking for this since at least 2013.

Q58. Do you agree with our proposed speed limit for Kāpiti College? You need to do more

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

Do it once and do it right - this should be at least a 2 kilometre distance from the school to create safer options for our kids to walk, bike or scoot from home to school. Safety issues for kids travelling to school don't happen just outside the school gate.

Q60. Do you agree with our proposed speed limit for Raumati South Village? You need to do more

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

My earlier comments urge for safer speeds within a 1.5km radius of the schools, so that would include the streets in this area. If not, the safer speed zones should include at least 250m up side streets, as people tend to speed around these corners. The community have been asking for this since at least 2013. There needs to be a safer connection between the beach and the town centre - including safer crossing facilities for everyone who ends up walking down the Rosetta Road side of Poplar Ave (where there is no foot path?!). Rosetta Road is a hotspot for people who want to race/speed, both on motorbikes and in cars. There needs to be physical speed calming through this area, particularly near the Poplar Ave intersection - helping people cross safely to visit both the village centre and the beach. A raised pedestrian crossing would fit in well here and help our kids grow the independence to simply walk to the beach or dairy. KCDC need to create safer crossings across Rosetta Road at multiple points to enable kids to be able to safely walk, bike or scoot to school. The intersections of Rosetta Road with Tiromoana Road, Menin Road, and Poplar Ave are logical places to create raised pedestrian crossings and slow cars down.

Q62. Do you agree with our proposed speed limit for Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Waka Kotahi are providing funding to councils to deliver safer speeds. This plan needs to be more ambitious and take into account not just road safety, but the positive impacts safer speeds have for encouraging more people to walk, bike, or scooter, and reduce our district's carbon emissions from transport.

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

not answered

**Respondent No:** 14**Login:** Registered**Responded At:** Apr 27, 2023 13:22:40 pm**Last Seen:** Apr 27, 2023 03:15:24 am**Q1. Do you agree with our proposed Speed Management Plan?**

I feel speed humps are better than speed signs. Not everyone takes note of speed signs. Please also include Early childhood centers in this proposal. I live opposite Grafton Kindergarten and quite often see parents with young children running across the road. Speed cameras after hours would also be effective.

Q2. Would you like to answer on a specific area? Yes**Q3. Select the Community Board Areas you would like to provide feedback on:** Paraparaumu**Q4. not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu College

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

You need to do more

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

You need to do more for all early childhood centers, schools and Colleges. Speed humps would be more effective as not everyone takes note of speed signs. In Pram we currently have 50k in the majority of areas and yet some are driving at over 100k

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College?

not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village?

not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Please something needs to be done in general in Pram. Last year we had a car plough through our home as they were speeding and lost control. We are not the only house that over the last couple of years have been effected. Late at night eg 11.30pm we can hear cars screaming up and down Arawhata Road. There are 50k speed signs and they are not being adhered to

Q1. Do you agree with our proposed Speed Management Plan?

In general

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)

Q4. Select the Waikanae areas you'd like to provide feedback on:

Waikanae Town Centre

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

Yes, you've got it right

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

Good idea reducing the speed limit in Marae Lane as there are many older people using the pedestrian crossing outside the medical centre and chemist.

Q17. Do you agree with our proposed speed limit for Peka Peka Road? not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on: not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College? not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School? not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano? not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito? not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School? not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School? not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School? not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road? not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village? not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?
not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on: not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School? not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?
not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Also consider reducing the limit on some semi-urban roads. I would also like to see a reduced speed limit on old SH1 between Hemi St and Hadfield Link Road. Presently it is 100kph and I would like it reduced to 80kph. Along this stretch of road there are several farm entrances, Greenhill Road, and some residences on the edge of Waikanae. There is also a cycle lane on the edge of the road.

Q1. Do you agree with our proposed Speed Management Plan?

No, it's not what Kapiti needs

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Paraparaumu

Q4. Select the Waikanae areas you'd like to provide feedback on:

not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu College
Kāpiti School
Paraparaumu Beach School
Kenakena School

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

You need to do less

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

You need to do less

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

This is stupid. These are side roads with heaps of speedbumps, they are sufficient for this area

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

You need to do less

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

With all the children about and cars parked on both sides this alone slows down traffic.

Q45. Do you agree with our proposed speed limit for Kenakena School?

You need to do less

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

Again traffic slows down with all cars parked dropping off kids.

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q1. Do you agree with our proposed Speed Management Plan?

No. This is a solution looking for a problem to solve. There is no need for any speed reduction anywhere. Even speeds around schools are already covered adequately by the road code.

Q2. Would you like to answer on a specific area? No

Q3. Select the Community Board Areas you would like to provide feedback on: not answered

Q4. Select the Waikanae areas you'd like to provide feedback on: not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui? not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

This proposal is utter nonsense. There is no case for any speed reduction and certainly not the draconian suggestions in the council's proposal. I and virtually everyone I have spoken to are outraged by this proposal. Council needs to listen to the majority of the rate payers who are clearly saying they don't want these proposed speed reductions!

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

As far as I can see there is no indication of a balance with the safety perspective and 'movement of all users efficiently around the transport' network. In other words there is no 'balanced scorecard' there is just a 'safety' one. That mindset is clearly shaped by the one dimensional guidance from NZTA.

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Blanket lowering of speeds is a nonsense. It avoids dealing with road design faults.

**Respondent No:** 23**Login:** Registered**Responded At:** May 02, 2023 14:58:19 pm**Last Seen:** Jun 26, 2023 07:34:42 am**Q1. Do you agree with our proposed Speed Management Plan?**

No,I am sick of the speed limits getting lower and lower. Soon it will be quicker to get out and walk. It's so frustrating on roads like old SH1 between Raumati rd and ihakara st there's no reason to be 50kmh. There's nothing on one side of the road and a handful of houses on the other. Where's the logic in 50?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Decreasing the speed limit on mill road Ōtaki makes limited sense. In particular around Raukawa Marae. That entrance of the Marae is not as busy as its other entrance. Instead of limiting the speed around, there needs to be some further thought and discussion on the qty of times per year the Mill road entrance to that Marae is used. Additionally, what is proposed in the proposal is the stretch of road going from the roundabout at BP Ōtaki to Ōtaki beach which is 4.5km. At times in the day, there would be 8 different speed limit changes. Additionally, the 30km hour proposed speed limit outside Te Kura-Ā-lwi Whakatupuranga Rua Mano would then lead into an 80km/h area. In this area where a further traffic calming device is suggested (marked H on map Q of the plan), there are already 2 of these on this short section of road outside this school. Generally, I feel this plan does not adequately cover some of the areas of Ōtaki where there are common crashes, e.g. the Rangiora Road, Riverbank Road intersection, Tasman Road or Convent Road.

**Respondent No:** 25**Login:** Registered**Responded At:** May 03, 2023 05:18:49 am**Last Seen:** May 02, 2023 19:11:43 pm**Q1. Do you agree with our proposed Speed Management Plan?**

No! Absolutely not. Why would mazengarb go to 40km???!!! You are making it so hard to travel around Paraparaumu and now lowering the speed so it takes even longer? This is so frustrating to read, you are making it so hard for residents to live here. We need more accessible streets to stop these traffic jams, please invest into this and stop lowering the speed, this is madness Stop this nonsense!!! We live two blocks away from a school and there is no need for our street to be 30km.

Q2. Would you like to answer on a specific area? Yes**Q3. Select the Community Board Areas you would like to provide feedback on:** Paraparaumu**Q4. Stop and invest on more accessible streets to stop the constant traffic jams. Put in a road connecting the drive and mazengarb road. What a complete waste of money

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Reduced limits on main corridor roads like Kapiti road and Mazengarb are a big no for me. For a small town getting around Paraparaumu is already more difficult than it should be. Slowing these roads down further doesn't seem well thought out. They are wide roads with good visibility. 50kmh is not particularly fast to start with and having cars crawl down these streets at 40kmh seems unnecessary. I'm fine with quiet, narrow residential streets (particularly where parked cars limit visibility) having lower limits, but please leave our main roads alone. Thanks

Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

It is dangerous enough driving in the Kapiti Coast with the increasing elderly population.... reducing speeds will only lead the elderly to drive at 15km everywhere... our roads can't cope with the congestion now.

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu College
Paraparaumu Beach School
Kenakena School

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

Yes, you've got it right

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

You need to do less

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

Only 30km/h before and after school hours

Q45. Do you agree with our proposed speed limit for Kenakena School?

Yes, you've got it right

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for
Paraparaumu School?

not answered

Valley Road?

not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide
feedback on:

not answered

Q52. Do you agree with our proposed speed limit for
Te Rā Waldorf School and Te Rāwhiti
Kindergarten?

not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti
Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for
Raumati Beach School?

not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for
Raumati South School?

not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for
Kāpiti College?

not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for
Raumati South Village?

not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

There is no need to reduce surrounding roads speed limit to 40km,, this will cause a lot of unnecessary delay and people getting road rage. Not ideal

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu College

Paraparaumu Beach School

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

Yes, you've got it right

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

Consideration needs to be given to the effect of the new zebra crossing as right now traffic is already fairly locked up in the area (including traffic from Paraparaumu Beach and Kenakena schools) with just the current zebra crossing in use. Given traffic often backs up down Mazengarb Road beyond Guildford, this makes travel out of the area to Paraparaumu Town Centre hard already at the school peak times and so this would likely worsen with a second zebra crossing. A better approach might be to have a single zebra crossing more centered to the college which would also help prevent the blocking of the Mazengarb/Guildford Drive roundabout which is partly due to the closeness of the existing zebra crossing to the roundabout.

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Yes I agree lower the limits where schools are as these self entitled children think its ok to just walk out on the road especially near colleges. Primary schools are well organised

**Respondent No:** 32**Login:** Registered**Responded At:** May 03, 2023 10:14:45 am**Last Seen:** May 03, 2023 00:13:08 am**Q1. Do you agree with our proposed Speed Management Plan?**

No, I think it is overbearing and will impede traffic flow and business in the area

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Ōtaki
 Waikanae (includes Peka Peka)
 Paraparaumu
 Raumati
 Paekākāriki

Q4. Select the Waikanae areas you'd like to provide feedback on:

Q1. Do you agree with our proposed Speed Management Plan?

No

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)

Q4. Select the Waikanae areas you'd like to provide feedback on:

Kapakapanui School

Q5. Do you agree with our proposed speed limit for Kapakapanui?

Other (please specify)

Half agree, please see next comment

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

I totally agree with a 30km speed limit in the area. I have children at the school and see cars speeding during drop off and pick up times. However outside of these times the streets are very quiet. I believe this area only needs to be 30 during school drop off/pick up times

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

At Paraparaumu College the zebra crossing should be changed to a push button pedestrian crossing to control both traffic and pedestrians better. Often the road is backed up due to a continuous stream of children crossing causing frustration amongst drivers leading to dangerous driving. Also move the crossing away from the roundabout as it's in a dangerous area since drivers are too busy watching for other cars when going through the roundabout.

Q1. Do you agree with our proposed Speed Management Plan?

No

Q2. Would you like to answer on a specific area?

No

Q3. Select the Community Board Areas you would like to provide feedback on:

not answered

Q4. Select the Waikanae areas you'd like to provide feedback on:

not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School? not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road? not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

I do not see a need to make so many permanent changes to the speed limit, if this is for safety reasons then having variable speed changes during school drop off and pick up times makes more sense. I am concerned about the terminology of "traffic calming devices" and although you have given a couple of examples of what this might be it does not state all options that you might be considering.

No, why are we spending money on schemes like this. Put a zebra crossing outside Paraparaumu College first and spend money on that.

No. For sure lower speed limits around schools absolutely but absolute not down kapiti road. You have already completely screwed the traffic flow around kapiti with the main road "improvements" & there's now backed up traffic where there was no backed up traffic before dont lower speed limits & further hinder movement around the area.

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

30km in residential areas is not needed. Where is the data & evidence on accidents & deaths due to excess speed in these areas. Again you have completely screwed traffic flow around coastlands & through main road due to "improvements" that weren't needed. The time it takes for me to get to and from daycare (across the tracks) has tripled because there is not enough room for the right turn across the tracks. It's extremely frustrating to see money be spent on these kind of things that don't improve anything when kapiti council isn't putting money into things that matter

**Respondent No:** 40**Login:** Registered**Responded At:** May 03, 2023 17:56:00 pm**Last Seen:** May 03, 2023 07:52:41 am**Q1. Do you agree with our proposed Speed Management Plan?**

I think the speed limits in general are too low and will cause traffic jams and driver frustration. I agree that speed limits around schools are too high. In Victoria, Australia, speed limits drop to 40km/h in the morning and afternoon when students are arriving and leaving school. Roads like Kapiti Rd are already congested and has multiple traffic lights so the speed limit is already 30-40km/h by default. Quiet suburban roads can be safely driven through at 50 km/h.

Q1. Do you agree with our proposed Speed Management Plan?

No, the speed limits are safe as is.

Q2. Would you like to answer on a specific area? No

Q3. Select the Community Board Areas you would like to provide feedback on: not answered

Q4. Select the Waikanae areas you'd like to provide feedback on: not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui? not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School? not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School? not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village? not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

I understand having reduced speeds of 30km/h around school zones during school hours only. But I don't believe residential streets or roads like Kapiti road, Mazengarb road & Te Moana road etc., need to have speeds reduced below 50km/h as this will only cause traffic delays for no good reason.

Q1. Do you agree with our proposed Speed Management Plan?

No

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Paraparaumu

Q4. Select the Waikanae areas you'd like to provide feedback on:

not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu College

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

You need to do less

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

Mazengarb Rd is a major road. You should be working to _increase_ the speed limit on that road to 60 or 70, not lowering it. Build an underground or overhead crossing and don't lower the speed limit.

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q56. Do you agree with our proposed speed limit for
Raumati South School?

not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for
Kāpiti College?

not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for
Raumati South Village?

not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

The long term goal of extending the speed limit to 30/40 in a wide area is just outright insane, sadly it's exactly the sort of anti car behaviour we've come to expect from KCDC the last few years.

**Respondent No:** 43**Login:** Registered**Responded At:** May 04, 2023 08:48:06 am**Last Seen:** May 03, 2023 22:42:04 pm**Q1. Do you agree with our proposed Speed Management Plan?**

Absolutely not! The speed reductions will only continue to add to the existing problem of traffic congestion on the Kapiti Coast. 30km/h should be reserved for schools during pickup and dropoff times. Town Centres and neighbourhoods should remain 50km/h. Corridors should NOT be restricted to 7km/h.

Q2. Would you like to answer on a specific area? No**Q3. Select the Community Board Areas you would like to provide feedback on:** not answered**Q4. Select the Waikanae areas you'd like to provide feedback on:** not answered**Q5. Do you agree with our proposed speed limit for Kapakapanui?** not answered**Q6. not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Please do not implement this or anything similar. Kapiti coast should government should focus more on increasing traffic flow than on any type of speed reduction.

Paekākāriki School? not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?
not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

I think 30-40km/hr is too slow around areas that are not in a school zone. People generally drive to the conditions and risks - such as children on bikes. It could potentially double the time taken to get anywhere. It will affect everyone from logistic companies to tradies and people going about their daily lives. I haven't seen any research or reason for these reduced speed restrictions. No statistics given as to why or how many people have been in accidents or harmed at the current 50km/hr speed or what the reductions in speed will achieve.

**Respondent No:** 47**Login:** Registered**Responded At:** May 04, 2023 14:19:51 pm**Last Seen:** May 04, 2023 03:34:09 am**Q1. Do you agree with our proposed Speed Management Plan?**

I agree that the plan has some very good proposals but there are some urgent issues that need to be addressed whether it be as part of that plan or extra to it.

Q2. Would you like to answer on a specific area? Yes**Q3. Select the Community Board Areas you would like to provide feedback on:** Paraparaumu**Q4. not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu College

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

You need to do more

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

We live on The Drive, the length of which is a very popular access road for pupils at Paraparaumu College to make their way to and from school - especially those who live in Otaihanga and Waikanae. However, it is also a fun place for those who wish to test out their fast cars and motorcycles at any time of day or night including the danger times for those school cyclists and walkers. I was told that the median speed on our stretch of The Drive is 32kph, Well that may be the case but it is not median speed that is the problem, it is the outliers. During the weekdays I work from home and my study looks out at the street and I can assure you that the so-called "median" is actually a red herring. The number of vehicles travelling at any point along this street (especially from the corner of Kotuku Drive to the roundabout at Manly Street intersection) at a speed above 50kph is what should be of concern. We have pleaded previously for speed bumps or whatever you may call them to be put in the street but were told that was not an option due to the fact that members of an inline roller skating team used the street for practice. Frankly I don't believe that is the case and anyway - should those people be allowed to speed any more than any other vehicle in this region!! Please consider checking the statements I have made and also what can be done about this issue.

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Yes, you've got it right

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School? You need to do less

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

Donovan rd to be Variable

Q47. Do you agree with our proposed speed limit for Paraparaumu School? You need to do less

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

Variable speed limit. Not enforced on weekends. Hinemoa St has no need of a 30km restriction outside of school hours.

Q49. Do you agree with our proposed speed limit for Valley Road? Other (please specify)
No comment.

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for
Raumati South Village?

not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

I have concerns over reducing the speed limits of other major town roads to 30km/h. Congestion is at its worst since the expressway was built. It takes too long to get round the town and reduced speed limits will only increase the time it takes to get to places, increasing also stress and tension amongst drivers. Many parents travelling to and from after school activities find managing the traffic slow and infuriating. Many arriving late. Slowing the roads will not help people. We need an additional road other than Rimu road from Kapiti rd to Raumati Rd. We need less traffic lights and less road works!

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Lowering speed limits will not change rates of accidents, its more likely to increase them as people get frustrated and exceed the limits.

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village? not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?
not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on: not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School? not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?
not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Ok around schools during school hours only. Leave the rest of the coast roads alone. Also make sure the likes of Raumati Beach school have a patrol over the crossing which would stop congestion rather than letting anyone cross at anytime meaning the traffic has to remain stopped forever every start and end of the school day.

**Respondent No:** 52**Login:** Registered**Responded At:** May 04, 2023 17:49:21 pm**Last Seen:** May 04, 2023 07:26:55 am**Q1. Do you agree with our proposed Speed Management Plan?**

NO

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)

Q4. Select the Waikanae areas you'd like to provide feedback on:

Waikanae Beach Village

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

You need to do less

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

Lowering the speed limit on roads leading to Tutere St is not justified. Traffic on those streets, and Ngapaki St, is relatively light even during summer holidays. The streets are plenty wide enough and visibility is good enough for drivers to approach Tutere St at speeds up to 50 kph. A limit of 30 kph is much too slow, even a bicycle can do more. The proposal goes too far. It takes NZ further into a "nanny state" which is already serving the transgressors more than the sensible majority general public. The proposal is utterly ridiculous and clearly unpopular, judging by the feedback statistics. Lowering the speed limit will add substantially to frustration among drivers, especially those keen to get home in the approach roads. I support a change to the limit on Tutere St to 30 kph at times when beach activities, in particular, are popular, and there is always good patronage at the cafes. I already reduce speed along Tutere St because of the possible hazards there.

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for
Kāpiti College?

not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for
Raumati South Village?

not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Don't automatically pursue speed limit policies that are driven by the government. The government has got it wrong, just as Greg Murphy has clearly pointed out. Our problem is the poor quality of driving. Money should be put into better training, re-training and re-testing. Offenders should be made to take defensive driving courses to regain licences. Training MUST be improved, and a greater minimum number of professional lessons MUST be completed for anyone to get a driving licence.

Q1. Do you agree with our proposed Speed Management Plan?

No

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Paraparaumu

Q4. Select the Waikanae areas you'd like to provide feedback on:

not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu College

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

Other (please specify)

No I don't agree with lowering the speed along Guildford Drive, this is a main road with good visibility, there is not need for it to be 30km.

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

Let's teach teenagers to be responsible for themselves and stop trying to run ahead of them fixing everything so no one has to deal with consequences shall we.

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for
Paraparaumu School?

not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

Q49. Do you agree with our proposed speed limit for
Valley Road?

not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide
feedback on:

not answered

Q52. Do you agree with our proposed speed limit for
Te Rā Waldorf School and Te Rāwhiti
Kindergarten?

not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti
Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for
Raumati Beach School?

not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for
Raumati South School?

not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for
Kāpiti College?

not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for
Raumati South Village?

not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Try spending money on things that matter. How many accidents have been in any of these areas you are proposing to lower the speed on? Let's base decisions on facts instead of ridiculous ways of wasting more of our money.

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

The ridiculous amount of traffic lights have crippled traffic at immeasurable cost. This reduction of speed will likely cripple all business in our community, and as you've obviously forgotten these businesses employ the people who pay your wages. We don't need these woke central government policies crippling our community

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Traffic speed is not an issue that needs to be addressed by such radical changes. Just police what is already in place

Q1. Do you agree with our proposed Speed Management Plan?

No not at all, I fail to see how any of this helps with congestion and emissions let alone safety. I believe all this will do is cause frustration and increase the likelihood of accidents and poor driving behaviour. It is no great secret that there seems to be an agenda targeting motorists and this sort of thing simply adds fuel to the fire.

Q2. Would you like to answer on a specific area? No

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Do not drop the regions speed limits to 40 and 30. I believe that should you do that you will wake up the apathetic voters in our community.

**Respondent No:** 57**Login:** Registered**Responded At:** May 04, 2023 20:29:50 pm**Last Seen:** May 04, 2023 10:26:41 am**Q1. Do you agree with our proposed Speed Management Plan?**

No, the traffic flow is already stuffed, stop trying to fix what isn't broken

Q2. Would you like to answer on a specific area? No**Q3. Select the Community Board Areas you would like to provide feedback on:** not answered**Q4. not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Work on maintaining the roads first, that may actually make things safer for all of us, cyclists included. There is nothing wrong with the current speed and when it's busy you're going slow anyway because the traffic is so screwed at peak hour with all of the ridiculous traffic lights.

**Respondent No:** 58**Login:** Registered**Responded At:** May 05, 2023 02:02:43 am**Last Seen:** May 04, 2023 14:38:34 pm**Q1. Do you agree with our proposed Speed Management Plan?**

NO I want 30kph within 500m around schools just as the law is now I want all other speed limits kept as they are in the Law
now I do NOT want the speed limits changed

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Ōtaki
Waikanae (includes Peka Peka)
Paraparaumu
Raumati
Paekākāriki

Q4. Select the Waikanae areas you'd like to provide feedback on:

Kapakapanui School
Waikanae School
Te Horo Beach
Waikanae Beach Village
Waikanae Town Centre
Te Horo School
Peka Peka

Q5. Do you agree with our proposed speed limit for Kapakapanui?

You need to do less

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

30 variable around school only 50 other streets

Q7. Do you agree with our proposed speed limit for Waikanae School?

You need to do less

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

Yes, you've got it right

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

Keep 50 speed on all roads

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

You need to do less

Q13. Do you agree with our proposed speed limit for
Te Horo Beach?

You need to do less

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

Keep 50 speed on all streets

Q15. Do you agree with our proposed speed limit for
Waikanae Town Centre?

You need to do less

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for
Peka Peka Road?

You need to do less

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

Keep 80 speed on all roads

Q19. Select the Ōtaki areas you'd like to provide
feedback on:

Ōtaki College
Ōtaki School
Te Kura-a-iwi Whakatupuranga Rua Mano
Te Kura Kaupapa Māori o Te Rito
St Peter Chanel School
Waitohu School
Riverbank Road
Ōtaki Town Centre

Q20. Do you agree with our proposed speed limit for
Ōtaki College?

Yes, you've got it right

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for
Ōtaki School?

Yes, you've got it right

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua
Mano?

30 variable around school 50 all other streets

Q25. Do you agree with our proposed speed limit for
Te Kura-a-iwi Whakatupuranga Rua Mano?

You need to do less

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?	You need to do less
Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?	30 variable around school 50 other streets
Q28. Do you agree with our proposed speed limit for St Peter Chanel School?	You need to do less
Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?	30 variable around school only 50 around all other streets
Q30. Do you agree with our proposed speed limit for Waitohu School?	You need to do less
Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?	not answered
Q32. Do you agree with our proposed speed limit for Riverbank Road?	You need to do less
Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?	Keep 70 on road
Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?	You need to do less
Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?	Keep as it is
Q36. Select the Paraparaumu areas you'd like to provide feedback on:	Paraparaumu College Kāpiti School Our Lady of Kāpiti School Paraparaumu Beach School Kenakena School Paraparaumu School Valley Road
Q37. Do you agree with our proposed speed limit for Paraparaumu College?	Yes, you've got it right
Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?	not answered
Q39. Do you agree with our proposed speed limit for Kāpiti School?	You need to do less

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

Less streets 30 variable only around school

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School? You need to do less

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

Less streets 30 variable around school Keep 50 rest of streets

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School? You need to do less

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

Less streets 30 variable around school

Q45. Do you agree with our proposed speed limit for Kenakena School? You need to do less

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

Less streets 30 variable around school 50 around all other streets

Q47. Do you agree with our proposed speed limit for Paraparaumu School? You need to do less

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

Less streets 30 variable around school 50 around all other streets

Q49. Do you agree with our proposed speed limit for Valley Road? You need to do less

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

Keep it at 80

Q51. Select the Raumati areas you'd like to provide feedback on:

- Te Rā Waldorf School and Te Rāwhiti Kindergarten
- Raumati Beach School
- Raumati South School
- Kāpiti College
- Raumati South Village
- Raumati Beach Village

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? You need to do less

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

30 variable around school

Q54. Do you agree with our proposed speed limit for
Raumati Beach School? You need to do less

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

30 variable around school

Q56. Do you agree with our proposed speed limit for
Raumati South School? You need to do less

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for
Kāpiti College? You need to do less

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

30 variable around school 50 other streets

Q60. Do you agree with our proposed speed limit for
Raumati South Village? You need to do less

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

Keep 40 on roads

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village? You need to do less

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

Keep speeds as is

Q64. Select the Paekākāriki areas you'd like to
provide feedback on: Paekākāriki School

Q65. Do you agree with our proposed speed limit for
Paekākāriki School? You need to do less

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

Less streets

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Keep all speeds as they are now 30 variable 500m around schools

Reducing traffic around schools is a good idea. Reducing traffic to 30km on side roads is a stupid idea you will create more problems, we don't have any issues with children or adults being in traffic accidents in kapiti so you have zero reason to reduce speeds, id suggest you drive down old statehighway 1 to realise the stupidity your creating on our roads you constantly make stupid mistakes by creating more traffic and frustration, longer times to get home to our families, wake up kapiti council reducing speeds will do nothing

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

With changing the speed limits you will not only make the congestion worse around Kapiti, but all services will have to increase their prices due to the length of time it will take to get to a job and the fact that they will get less jobs done per day due to the time it takes to get between jobs. Your own sub-contractors will have to charge KCDC more because of the time delays, so you will be costing rate payers more.

Q1. Do you agree with our proposed Speed Management Plan?

Absolutely not, 30km for roads not near schools is absolutely ridiculous. It will achieve nothing, only more frustrated drivers.

Q2. Would you like to answer on a specific area?

No

Q3. Select the Community Board Areas you would like to provide feedback on:

not answered

Q4. Select the Waikanae areas you'd like to provide feedback on:

not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School? not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road? not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

You are going to make people frustrated and late. Dropping the speed limit means more travel time and some of us are already busy. I work 3 jobs, I dont have more time to travel, especially with the amount of traffic lights on Kapiti Road. Maybe sort that out first because the time to get from one end to the other is horrendous

**Respondent No:** 63**Login:** Registered**Responded At:** May 05, 2023 09:31:00 am**Last Seen:** May 04, 2023 23:21:17 pm**Q1. Do you agree with our proposed Speed Management Plan?**

No - there have been several reductions and changes which is negatively impacting the flow of traffic around Kapiti, especially around Paraparaumu and Waikanae. Changes need to improve the flow and speed management is not the answer.

Q2. Would you like to answer on a specific area? Yes**Q3. Select the Community Board Areas you would like to provide feedback on:** Paraparaumu**Q4. Select the Waikanae areas you'd like to provide feedback on:** not answered**Q5. Do you agree with our proposed speed limit for Kapakapanui?** not answered**Q6. not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu College
Valley Road

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

Other (please specify)
Reduction in speed to 30km/h IS NOT required. There is no supporting evidence that I've seen that supports any improvement by changing the speed limit.

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

Reduction in speed to 30km/h IS NOT required. There is no supporting evidence that I've seen that supports any improvement by changing the speed limit.

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School?

not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

Q49. Do you agree with our proposed speed limit for Valley Road?

Other (please specify)

Changing the speed limit has no benefit to the population. The only benefit would be for the agencies who police and enforce road rules.

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

There is no predictable benefit that warrants the change in speed limit.

Q51. Select the Raumati areas you'd like to provide feedback on:

not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School?

not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School?

not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College?

not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village?

not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Change is usually required due to something happening on an ongoing basis. The only impact I have seen and experienced over the past 10 years in the Kapiti region is a very negative one. The addition of at least 10 new traffic lights, reducing the number of traffic lanes, reducing the speed limits and adding in several roundabouts has caused unnecessary bottle necks, increased travel time and higher anxiety for the drivers in the district.

Q1. Do you agree with our proposed Speed Management Plan?

NO, I think reducing the number of roads shown on your map in orange to 30 km is overkill and will make travel times and frustration levels too high.

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Ōtaki
Waikanae (includes Peka Peka)
Paraparaumu
Raumati

Q4. Select the Waikanae areas you'd like to provide feedback on:

Te Horo Beach
Waikanae Town Centre
Peka Peka

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

30 km is too low, 40 would be better

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

Other (please specify)
40 km would be a better reduction, 30 is far too low

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?	Other (please specify) 30 km too slow, 40 would be adequate
Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?	
if you make the speed limit too slow people will ignore it. Make it more reasonable and it will be more likely to be adhered to. eg 40 km	
Q17. Do you agree with our proposed speed limit for Peka Peka Road?	Other (please specify) speed limit is too low
Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?	
60 km along this length of road is too low - make it 70 - this is more likely to be adhered to.	
Q19. Select the Ōtaki areas you'd like to provide feedback on:	Riverbank Road Ōtaki Town Centre
Q20. Do you agree with our proposed speed limit for Ōtaki College?	not answered
Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?	
not answered	
Q22. Do you agree with our proposed speed limit for Ōtaki School?	not answered
Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?	
not answered	
Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?	
not answered	
Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?	not answered
Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?	not answered
Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?	
not answered	
Q28. Do you agree with our proposed speed limit for St Peter Chanel School?	not answered
Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?	
not answered	

Q30. Do you agree with our proposed speed limit for Waitohu School? not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road? Other (please specify)

50 is too slow, people won't stick to it, and it's overkill. 60 or 70 is more than adequate

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

proposed limits too low

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre? Yes, you've got it right

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

na

Q36. Select the Paraparaumu areas you'd like to provide feedback on: not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College? not answered

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

reducing the speed limits immediately around schools is a good idea, but the extent of the streets you are including, and reducing them to 30 as well is overkill. People are more likely to adhere to a speed that seems reasonable, so reducing those surrounding streets to 40 would be better. The roads that link communities, r get people from one area to another, like Pekapeka, the old highway etc, need to be sensible speeds instead of really reduced ones, or they won't work. If the council was to implement all the reduced speeds on this proposed plan, getting around the district will take so much longer and cause so much more frustration for people who live here.

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

All areas around Raumati road, Rimu Road and Ihakara Street should be 40kph or below. Since the old SH1 has been changed this has become a race track and a lot of boy racers use this 24/7. I personally would like to see Rimu Road 30k all the way through and all schools at 30k per hour. Thanks

**Respondent No:** 67**Login:** Registered**Responded At:** May 07, 2023 09:11:06 am**Last Seen:** May 06, 2023 23:00:29 pm**Q1. Do you agree with our proposed Speed Management Plan?**

No

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)

Q4. Select the Waikanae areas you'd like to provide feedback on:

Waikanae Beach Village

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?**Other (please specify)**

The changes are not necessary.

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

The proposal appears to be in response to a problem that doesn't exist. Although I reside on the fringes of the proposed slow zone, I am a frequent pedestrian, cyclist and motorist within it. The area has low traffic volumes, plenty of off-street parking and plenty of space for cyclists and pedestrians. There is no traffic or speed problem. Reducing the limit to 30kph will create frustration, perhaps anger. I can understand the application of reduced speeds around schools and other institutions where the foot traffic is high. I can also agree that the section of Tutere Street by Hey Coastie and Long Beach could be a reduced speed zone, although the three roundabouts effectively reduce speed anyway.

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

You state on your website that "Over the years we have continued to receive requests from the community for traffic-calming measures and lower speed limits for specific areas and individual streets." Requests from the community do not constitute majority support for this proposal. Such requests probably relate to specific areas to be changed, such as schools and high traffic areas.

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Not necessarily, waste of time

**Respondent No:** 69**Login:** Registered**Responded At:** May 08, 2023 09:03:37 am**Last Seen:** Jun 26, 2023 20:42:58 pm**Q1. Do you agree with our proposed Speed Management Plan?**

No. Reduced speeds around schools may be appropriate, but only during school hours, and possibly in shopping areas such as Paraparaumu, Raumati and Waikanae . No other speed restrictions should be applied as it will create more problems than it will address.

Q2. Would you like to answer on a specific area?

not answered

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)
Paraparaumu

Q4. Select the Waikanae areas you'd like to provide feedback on:

Waikanae Town Centre
Peka Peka

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? You need to do less

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

Speed in this area seldom rises above 30km/h, so setting a limit is just rules for rules sake.

Q17. Do you agree with our proposed speed limit for Peka Peka Road? Yes, you've got it right

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Keep major arterial roads, e.g. Kapiti and Mazengarb, at 50km/h. Increase width of Kapiti Rd. to four lane, (two in each direction), along it's entire length!

**Respondent No:** 70**Login:** Registered**Responded At:** May 08, 2023 09:13:13 am**Last Seen:** May 07, 2023 22:54:13 pm**Q1. Do you agree with our proposed Speed Management Plan?**

Broadly I agree, but in detail I have significant reservations. Te Moana Rd for example does not need a speed change. the schools do not need blanket X distance zones, but rather targetted zones.

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)
Paraparaumu

Q4. Select the Waikanae areas you'd like to provide feedback on:

Kapakapanui School

Q5. Do you agree with our proposed speed limit for Kapakapanui?

You need to do less

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

the zone should be temporary, not permanent - if this is not agreed it needs to be a lot smaller.

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

please do not use speed humps - they are not being maintained and cost more fuel consumption as we accelerate after each hump and tyre wear as we decelerate and accelerate - again expensive from a climate change perspective

**Respondent No:** 71**Login:** Registered**Responded At:** May 08, 2023 09:24:03 am**Last Seen:** May 07, 2023 23:02:44 pm**Q1. Do you agree with our proposed Speed Management Plan?**

The plan is very vague and does not mention what the implication is for the district. Cars have improved over the years, I think you need to target the people not the cars and of course keep the roads safe no potholes. I think the extra money needs to go into the upgrade of the roads in the hard hit cyclone area's. Of course during schooltime the speed restriction needs to be adhered to. And it is logical to have a lower speed for Cul-Du-Sac streets but not for roads like Mazengarb road (which was 80km before), Kapiti road (= red light district), old SH1 etc. It looks more about control and getting to be able to fine more tickets. If KCDC would really want to be safe, get to the people and educate them to use their lights in the night and bad weather. Regularly check their engine, wipers etc. Get also the kids to learn how to bike/ride/walk in traffic. It is not only the cars it is everyone who is using the roads during peaktime and how to address each other. Making the speed lower will just increase frustration. Possibly introduce for the carlovers one night a month the option to speed at the e.g the airstrip or any other area. Plus check more on the roads during night time. More teenagers will do that if there is nothing else to do for them!

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu College

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

Other (please specify)

This is a college and kids should know the rules and not to cotton wool them. I think more education for kids how to use their bikes and rules. Lights on in bad weather (also for the cars). Maybe add another strip of crossing at the other end. Teach the kids to use the walk area not other areas as it is not safe. I am not sure if 30km will help as kids will walk all over the road due to more congestion. There still needs to be a flow for the cars and only during school drop off and pickup.

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

Learn the kids how to use the roads and make sure there is more space for the cars to drop off their kids during peak time. 30km should only be during school start and end time not the whole day/weekend.

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

Q51. Select the Raumati areas you'd like to provide feedback on:

Te Rā Waldorf School and Te Rāwhiti Kindergarten

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten?

Other (please specify)

Add a crossing to the overflow parking.

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

Make sure the water does not stay on the car parks, make sure to have an easy waterflow into Queen Elizabeth park. Easy to do and it will help more than the road restrictions. Plus you would help the houses in the back with the extended water which will become more in the years to come. Keeping the area safe for everyone. Due to the kindergarten I think 30km limit during school time is necessary. Maybe add a crossing to the overflow parking place.

Q54. Do you agree with our proposed speed limit for Raumati Beach School?

not answered

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

It is not clear what you are implementing everywhere but I think to put speed everywhere and any day is over the top. Cars are safer but the people are not educated how to use the roads. Especially the young kids need to learn how to interact in traffic however small kids in kindy need a safe space as they are unable to comprehend the dangers yet. For colleges try to give more space for the incoming/outgoing cars as they get frustrated due to not enough car park which contributes to accidents (not looking for other traffic). Plus the teens need more guidance how to act in traffic.

If you we're serious about making our roads safer, the council would of okayed a Peka Peka and Raumati on and of ramp, so residents could travel in kapiti on the freeway, lessening traffic locally. 30 km speed limit is ridiculous. At best only around schools and some shopping areas. At best.

Q4. Select the Waikanae areas you'd like to provide feedback on:

Waikanae School

Waikanae Town Centre

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

Yes, you've got it right

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

Include Waikanae school in 1km expanded speed limits in 2027 plan. Looks like only Paraparaumu & Rumati schools are included in that plan

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

Yes, you've got it right

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School? not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road? not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

I would like to see the speed on the old state highway between Paraparaumu & the Otaihanga round about dropped to 60km. This will make it a lot safer for cyclists & walkers using the road. I think it would also be a very safe option to place a round about at Amohia & Rimutaka street. Possibly with a Zebra crossing. This would slow speeds down and also enable a safe route for pedestrians and bikers crossing the road. A lot of children cross at this point going to and from the rugby club/School. If this is not an option it would be nice to see a pedestrian/bridge going from Awatea Lakes side of the tracks to Lindale Farm. Giving an alternative safe access way.

No, I find the whole exercise unnecessary. There doesn't appear to be any evidence that people simply driving the current speed limits are causing accidents. There are always other factors involved such as alcohol, phone distractions etc.

Q2. Would you like to answer on a specific area? No**Q3. Select the Community Board Areas you would like to provide feedback on:** not answered**Q4. not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

As someone who travels around the district for work everyday, this could easily add a lot of time and stress to my workday. It is going to cost a lot of money and we don't have any concrete evidence that it will save lives or get kids cycling to school.

Q1. Do you agree with our proposed Speed Management Plan?

Yes, there are too many drivers who regularly speed and have very little regard for other road users within the Kapiti region. Lowering the speed limit particularly around school areas is important to prevent injuries and accidents.

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)

Q4. Select the Waikanae areas you'd like to provide feedback on:

Kapakapanui School
 Waikanae School
 Te Horo Beach
 Waikanae Beach Village
 Waikanae Town Centre
 Te Horo School
 Peka Peka

Q5. Do you agree with our proposed speed limit for Kapakapanui?

Yes, you've got it right

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

This is a residential area with a bend as you approach from both ways. With a large school role (around 600), too many road users, including parents often exceed the 50kmh speed limit and therefore needs to be lowered, with 30kmh a good base.

Q7. Do you agree with our proposed speed limit for Waikanae School?

Yes, you've got it right

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

Yes, you've got it right

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

Yes, you've got it right

Q13. Do you agree with our proposed speed limit for Te Horo Beach? Yes, you've got it right

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? Yes, you've got it right

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

Again the wide road and amount of traffic means that 50kmh to too high for the number of road issues. Definitely agree to lowering the limit. many take people a longer time to travel but ultimately will be safer.

Q17. Do you agree with our proposed speed limit for Peka Peka Road? Yes, you've got it right

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on: not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College? not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School?

not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

Q49. Do you agree with our proposed speed limit for Valley Road?

not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on:

not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School?

not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School?

not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College?

not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for
Raumati South Village?

not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

I think it's long overdue that the speed limit around schools and village areas should be lowered for the safety of other road users and pedestrians. This has occurred in other countries with much success and not sure why there is quite a resistance from other road users for the lowering to occur. Maybe this is due to people not leaving enough time for their journey time or quite happy to undertake their journey in the shortest possible time. Enough is enough and all too frequently we see people exceeding the recommended speed limit causing accidents plus injury or killing often the innocent party. This is particularly important in built up areas where local councils can have an influence in a change in the law to reflect a lower speed limit.

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Reokorangi Road is unsafe at 80km/hr given that there are no footpaths and many cyclists and pedestrians/trampers using this road. It is only a matter of time before there is a serious accident.

Q1. Do you agree with our proposed Speed Management Plan?

No, Its pretty much a large load of misrepresentation

Q2. Would you like to answer on a specific area? No

Q3. Select the Community Board Areas you would like to provide feedback on: not answered

Q4. Select the Waikanae areas you'd like to provide feedback on: not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui? not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School? not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School? not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village? not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School? not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road? not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

By putting traffic lights and speed humps where there were none before it has forced traffic to slow or stop which has served to increase global warming.

Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Traffic in and around Kapiti Rd is already stuffed up by the ridiculous traffic light sequencing. I'd be more receptive to slower speed limits if traffic remained flowing. Instead, the traffic system is designed to impede the flow of traffic causing backups and rat racing down the immediately affected areas. Whoever designed the system must live on Te Roto Dr because that clearly has priority over Kapiti Rd at all hours of the day. Insanity

**Respondent No:** 90**Login:** Registered**Responded At:** May 09, 2023 21:19:51 pm**Last Seen:** May 09, 2023 11:13:49 am**Q1. Do you agree with our proposed Speed Management Plan?**

No - the current road speeds are safe and adequate. The council has recently spent alot of rate payer \$\$ on traffic lights and crossings there is no requirement for speed restrictions. Not to mention there are not enough police in the district to police the restrictions so they wouldn't be policed or adhered to. Waste of rate payer money.

Q2. Would you like to answer on a specific area? Yes**Q3. Select the Community Board Areas you would like to provide feedback on:** Ōtaki**Q4. Select the Waikanae areas you'd like to provide feedback on:** not answered**Q5. Do you agree with our proposed speed limit for Kapakapanui?** not answered**Q6. Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit
for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for
St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for
Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

Other (please specify)

DO NOT CHANGE THE SPEED LIMIT THERE IS NO NEED.

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

Its a terrible idea, do not do this. No - the current road speeds are safe and adequate. Also there are not enough police in the district to police the restrictions so they wouldn't be policed or adhered to. Waste of rate payer money.

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

NO CHANGE IS REQUIRED ON ANY ROADS IN THE DISTRICT. The current road speeds are safe and adequate. The council has recently spent alot of rate payer \$\$ on traffic lights and crossings there is no requirement for speed restrictions. Not to mention there are not enough police in the district to police the restrictions so they wouldn't be policed or adhered to. Waste of rate payer money.

**Respondent No:** 91**Login:** Registered**Responded At:** May 10, 2023 16:40:11 pm**Last Seen:** May 15, 2023 19:27:58 pm**Q1. Do you agree with our proposed Speed Management Plan?**

No. I agree with with reducing speed around schools, however I believe the issue in other areas is speeding, not the underlying speed limit. More resource should go towards addressing the speeding!

No not at all, there certainly is not no evidence to show there needs to be a change, schools are well catered for and there are enough traffic lights down Kapiti Road to confuse people, adding to that you have now got a back log of traffic in Coastlands car park at 5 pm god knows what will happen when you have the next set of lights operating for pedestrians from the station. The slower you go the more accidents there will be, frustration sets in and people will start taking risks. Ban people using cel phones would be a good start not lowering the speed limit.

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

The area of reduced speed limit in Paraparaumu Beach is ridiculous. Around schools yes, in the shopping areas yes, but surrounding streets? Also, the stats on the number of deaths caused by cars need to have more context. For example, what were the circumstances that caused the person to car collision? Because I have on many occasions in areas around Paraparaumu Beach, noticed runners and cyclists being inattentive and causing a near accident. Of course when you hit them a car would come better off, but you cannot inconvenience everyone for the stupidity of others. Runners wearing headphones or earphones and running across streets without looking is very common in Paraparaumu Beach. Cyclists being idiots and again turning or crossing roads without stopping and looking. How about a campaign for safety when using road for activities? People who are not safety aware will still cause person to car collisions that may or may not be fatal.

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Valley Road

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

Q49. Do you agree with our proposed speed limit for Valley Road? Yes, you've got it right

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

You need to add a change to the speed limit on Waterfall Road. It is currently posted at 60kph which is not only near impossible but actually quite unsafe! This unimproved dirt/gravel road is but 1.5 lanes wide and the posted speed limit should be reduced to 40kph.

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Not speed management. But, I do have to say Kāpiti Road needs to be widened to 4 lanes from old SH-1 all the way to Mazengarb Road. And old SH-1 needs to be widened back to 4 lanes from Ihakura Street to Kāpiti Road. The current narrowing has caused serious traffic jams and confusion which will ultimately result in accidents, injuries and deaths. I will also impede access to emergency vehicles, which will endanger lives. And it significantly impedes access to and from Coastlands Mall and businesses there thus negatively impacting upon business and commerce thus revenue to the district. The current plans are foolish and dangerous and do not support the community.

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Leave the speed limits alone they are too slow as it is just reduce them round schools at drop off and pick up times

Q1. Do you agree with our proposed Speed Management Plan?

No, option C at best buy slowing down traffic any more than the ridiculously slow old Kapiti drivers is ridiculous.

Q2. Would you like to answer on a specific area? Yes

Q3. Select the Community Board Areas you would like to provide feedback on: Paraparaumu

Q4. Select the Waikanae areas you'd like to provide feedback on: not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui? not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School? not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School? not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village? not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu College
Kāpiti School
Our Lady of Kāpiti School
Paraparaumu Beach School
Kenakena School
Paraparaumu School

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

You need to do less

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

50kph is fine around a college. During peak times you crawl anyway so no speed limit will matter or make any difference

Q39. Do you agree with our proposed speed limit for Kāpiti School?

You need to do less

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

50kph is fine around a that small road with speed bumps on it. During peak times you crawl anyway so no speed limit will matter or make any difference

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

You need to do less

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

50kph is fine around a school. During peak times you crawl anyway so no speed limit will matter or make any difference. It will just get confusing, especially being around train station which is being enhanced.

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

You need to do less

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

50kph is fine around a school. During peak times you crawl anyway so no speed limit will matter or make any difference

Q45. Do you agree with our proposed speed limit for Kenakena School? You need to do less

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

50kph is fine around a school. During peak times you crawl anyway so no speed limit will matter or make any difference. There are also other businesses around the school which show the traffic down ' KenaKena shops and TeAtiawa Park. There is no need to enforce any slower speeds and confuse local residents

Q47. Do you agree with our proposed speed limit for Paraparaumu School? You need to do less

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

50kph is fine around a school. During peak times you crawl anyway so no speed limit will matter or make any difference

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for
Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?
not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village? not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?
not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on: not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School? not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?
not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Traffic in Kapiti is already crawling with so many elderly residents, and over subscribed traffic lights. To add in more speed restrictions whilst simultaneously increasing the dense population with apartment buildings is ridiculous. The traffic is already slow as a snail, it doesn't need to be reduced by speed limits as they will be irrelevant.

Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

people already drive slower than the speed limit anyway perhaps think about adding more pedestrian bridges or underpasses particularly around schools

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

No one will hopefully disagree with lower speeds around schools, Marae's, ECE centres and other high pedestrian traffic zones, though 30km/h (a 40% reduction) is possibly a bit low and will have negative flow on effects

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

It seems that council are intent on strangling the local roads with numerous unnecessary lights, speed humps and now overall speed reductions pretty much everywhere. This won't solve anything but it will further disrupt business locally and reduce interest from businesses outside the district from setting up here. As a council you need to be taking a pragmatic approach to every decision you make as it is the community that suffers from your poor decision making. This prospective plan won't prevent accidents or people getting hurt, personal responsibility and safety education for our young people will, basic road safety was taught in schools for years, it should still be part of the curriculum.

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

Other (please specify)

Currently there is no safe crossing point on Arnold Road or Martin Road for students from Kenakena School, yet Paraparaumu Beach School has two safe crossing points for its two main access roads. The volume of vehicles on Arnold Road in particular during school pick up and drop off makes it extremely dangerous for children attempting to cross the road, with them being obscured by parked cars. A pedestrian crossing should be implemented near the school pedestrian gate to provide a safe crossing point.

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School?

not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

**Respondent No:** 103**Login:** Registered**Responded At:** May 11, 2023 13:52:43 pm**Last Seen:** May 11, 2023 03:32:20 am**Q1. Do you agree with our proposed Speed Management Plan?**

No, I strongly object and I am not convinced of the need or of the rationale provided. The resulting plan amounts to micromanagement of all drivers who will have to cope with many speed transitions, doesn't target high-risk drivers who pay no attention to speed restrictions, and will diminish the quality of life due to increased journey times, increased visual pollution due to all the necessary signage, and speed compliance anxiety.

Q2. Would you like to answer on a specific area? No**Q3. Select the Community Board Areas you would like to provide feedback on:** not answered**Q4. Q67. Are there any further comments you'd like to make about our Speed Management Plan?

What problem is this plan designed to solve for Kapiti residence? That is, of the local road deaths and injuries, how many were involving day-time commuters traveling at or below 50km on residential streets? How many were involving speed within school zones? This plan involves detailed control of speed on every street within the area with only the very generalised argument of "speed kills". The build-up of regulations - particularly at the local street level, and particularly when there is no general clamour for a solution to a clear issue felt by the community - may ultimately result in feelings of disharmony and antagonism within the community, of disconnection, of us versus them. Initiatives like this should be used sparingly and with solid and broad community support - not imposed and prescribed "from above", however good and well intentioned the motivations.

**Respondent No:** 104**Login:** Registered**Responded At:** May 11, 2023 14:15:17 pm**Last Seen:** May 11, 2023 04:08:54 am**Q1. Do you agree with our proposed Speed Management Plan?**

No. I already avoid the 30km speed limited roads if at all possible. I also avoid rimu road by the library as it is so congested from the traffic lights.

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

It already takes us 15 minutes to travel from home to school (Nikau Valley to Kenakena) at current speed limits. Neither me nor the kids could cope with additional delays if local road speed limits dropped by almost half. I understand that the corridor roads are unaffected by the proposal. I completely oppose reducing local road speed limits.

**Respondent No:** 105**Login:** Registered**Responded At:** May 11, 2023 15:16:36 pm**Last Seen:** May 11, 2023 04:53:12 am**Q1. Do you agree with our proposed Speed Management Plan?**

Not entirely. I agree with reduced speed limits around schools but only at peak times when there are children and parents around at the beginning or end of school or when there are special events on. You want road users to buy into and respect the speed limits rather than be annoyed by them when they can't see the need for them. For example a permanent 30 kmph limit at Te Ra School doesn't make sense and drivers will ignore it when there is no-one around.

I encourage you to think about what you are trying to achieve and the best way to get drivers to accept and respect the limits. If a limit is for a specific time period make it apply only for that period. eg - Schools to have lower limits at drop off and pick-up times and for special events. - Town Centres to have lower limits when they are busy during the day but not at other times when they are quiet. You want drivers to go along with you on these changes and not be upset and ignore them.

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Local knowledge should be sought in each case. Sometimes local conditions e.g. narrow road, tend to limit speed naturally. Also, in school hours, speed reduction seems unnecessary, and during school start and finish hours, volume of traffic presents natural impediments.

Q1. Do you agree with our proposed Speed Management Plan?

No

Q2. Would you like to answer on a specific area? Yes

Q3. Select the Community Board Areas you would like to provide feedback on: Paraparaumu

Q4. Select the Waikanae areas you'd like to provide feedback on: not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui? not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School? not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School? not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village? not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu College
Paraparaumu Beach School
Kenakena School

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

You need to do more

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

Proposed speed limit 30km/h variable to be extended from The Avenue to Hudson Place

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

You need to do more

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

Proposed speed limit 30km/h variable for the whole Martin Road

Q45. Do you agree with our proposed speed limit for Kenakena School?

You need to do more

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

Proposed speed limit 30km/h variable on Donovan Road to be extended from Manly to Francis Street

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

no

Q1. Do you agree with our proposed Speed Management Plan?

No

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Ōtaki
 Waikanae (includes Peka Peka)
 Paraparaumu
 Raumati
 Paekākāriki

Q4. Select the Waikanae areas you'd like to provide feedback on:

Kapakapanui School
 Waikanae School
 Te Horo Beach
 Waikanae Beach Village
 Waikanae Town Centre
 Te Horo School
 Peka Peka

Q5. Do you agree with our proposed speed limit for Kapakapanui?

Other (please specify)

Yes I agree the speed limit should be 30km however only between certain times like they currently do.

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

Other (please specify)

Yes I agree the speed limit should be 30km however only between certain times like they currently do.

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

Other (please specify)

Yes I agree the speed limit should be 30km however only between certain times like they currently do.

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

I could walk faster than 30kms

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?	Other (please specify) Keep it at 50kms
Q13. Do you agree with our proposed speed limit for Te Horo Beach?	Other (please specify) No
Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?	not answered
Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?	Other (please specify) Keep it at 50kms
Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?	not answered
Q17. Do you agree with our proposed speed limit for Peka Peka Road?	Other (please specify) Keep it at 50kms
Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?	not answered
Q19. Select the Ōtaki areas you'd like to provide feedback on:	not answered
Q20. Do you agree with our proposed speed limit for Ōtaki College?	not answered
Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?	not answered
Q22. Do you agree with our proposed speed limit for Ōtaki School?	not answered
Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?	not answered
Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?	not answered
Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?	not answered
Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?	not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu College
Paraparaumu Beach School
Kenakena School

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

Other (please specify)

Yes I agree the speed limit should be 30km however only between certain times like they currently do. There is no need to have a speed limit of 30kms at 10pm at night when there is no kids around especially on a main road. Stupid

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?	not answered
Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?	not answered
Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?	Other (please specify) Yes I agree the speed limit should be 30km however only between certain times like they currently do.
Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?	not answered
Q45. Do you agree with our proposed speed limit for Kenakena School?	Other (please specify) Yes I agree the speed limit should be 30km however only between certain times like they currently do.
Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?	not answered
Q47. Do you agree with our proposed speed limit for Paraparaumu School?	not answered
Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?	not answered
Q49. Do you agree with our proposed speed limit for Valley Road?	not answered
Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?	not answered
Q51. Select the Raumati areas you'd like to provide feedback on:	not answered
Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten?	not answered
Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?	not answered
Q54. Do you agree with our proposed speed limit for Raumati Beach School?	not answered
Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?	not answered

Q56. Do you agree with our proposed speed limit for
Raumati South School?

not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for
Kāpiti College?

not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for
Raumati South Village?

not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q1. Do you agree with our proposed Speed Management Plan?

Overall NO. Some ideas are good, but blanket speed reductions based on no specific evidence of local risk factors is wrong.

Q2. Would you like to answer on a specific area? No

Q3. Select the Community Board Areas you would like to provide feedback on: not answered

Q4. Select the Waikanae areas you'd like to provide feedback on: not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui? not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School? not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School? not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village? not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Paekākāriki School? not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?
not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Does council actually take into consideration community feedback? A quick look at the council FB page would indicate that people are generally against the proposed plan. Judging by the way the redesign of old SH1 through Paraparaumu & Waikanae has evolved so badly from a traffic flow point of view, I'm not confident that council will get this right.

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu College

Paraparaumu Beach School

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

Yes, you've got it right

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

Agree with 30km/hr variable speed limit before and after school. But strongly disagree with the proposal to have permanent 30km/hr limit in the 2.5 km area around the College. Those are quiet streets with not a lot of pedestrian traffic outside the times school is starting and finishing. Introducing a permanent 30km/hr speed limit, without any evidence of safety concerns, is an over reaction, over regulation and unnecessarily restricts the activities of others.

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

Yes, you've got it right

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

As above for College feedback

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for
Paraparaumu School?

not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

Q49. Do you agree with our proposed speed limit for
Valley Road?

not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide
feedback on:

not answered

Q52. Do you agree with our proposed speed limit for
Te Rā Waldorf School and Te Rāwhiti
Kindergarten?

not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti
Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for
Raumati Beach School?

not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for
Raumati South School?

not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for
Kāpiti College?

not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for
Raumati South Village?

not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Why aren't there questions in this survey about the longer term plans? Strongly object to the longer term proposals to extend 30km/hr limits so they apply permanently to areas 2.5 kms/hr around schools, or wider. There is no evidence of safety risk or near misses and imposing these limits is over regulation and unnecessarily imposing restrictions on freedom of movement and day to day activities.

**Respondent No:** 111**Login:** Registered**Responded At:** May 12, 2023 12:06:13 pm**Last Seen:** May 12, 2023 01:50:35 am**Q1. Do you agree with our proposed Speed Management Plan?**

Yes in principle. However I am a concerned resident of Walton Rd Paraparaumu Beach and don't believe that appreciate consideration has been made to connecting thoroughfares like my street. High acceleration is a persistent problem on a primary route between 3 high usage schools. The area is also primarily domiciled by young families and traffic management needs to be considered outside of school drop-off and pickup times. Particularly due to the corridor to sports fields, shopping centres and beach access

Q2. Would you like to answer on a specific area? Yes**Q3. Select the Community Board Areas you would like to provide feedback on:** Paraparaumu**Q4. Select the Waikanae areas you'd like to provide feedback on:** not answered**Q5. Do you agree with our proposed speed limit for Kapakapanui?** not answered**Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?**

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School? not answered**Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?**

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School? not answered**Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?**

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village? not answered**Q13. Do you agree with our proposed speed limit for Te Horo Beach?** not answered**Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?**

not answered

Q15. Do you agree with our proposed speed limit for
Waikanae Town Centre?

not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for
Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide
feedback on:

not answered

Q20. Do you agree with our proposed speed limit for
Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for
Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua
Mano?

not answered

Q25. Do you agree with our proposed speed limit for
Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit
for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for
St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for
Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu College
Paraparaumu Beach School
Kenakena School

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

You need to do more

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

This requires physical interventions to be effective i.e a speed hump at the opposite end of the zebra crossing

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

You need to do more

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

Walton Rd needs to be included in this plan due to the amount of pedestrian & cycle tragic from youth. It also requires physical interventions due to high acceleration persistently in the area.

Q45. Do you agree with our proposed speed limit for Kenakena School?

You need to do more

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

The area needs to be extended to adjoining streets.

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Great in principle however the desired behaviour change needs intervention beyond school time limitations

**Respondent No:** 112**Login:** Registered**Responded At:** May 12, 2023 12:47:36 pm**Last Seen:** May 11, 2023 05:32:35 am**Q1. Do you agree with our proposed Speed Management Plan?**

Yes and no. It's hard to agree or disagree as page 25-26 have FOUR options. I agree with Option 3. Whatever is implement, it will become increasing difficult for drivers to comply with speed limits if they change from street to street, day to day (school days vs. weekends) and month to month (school terms vs. holidays). It needs to be consistent throughout so drivers spend more time focused on driving, rather than figuring out what the speed limit of a particular street is as a particular time on a particular day.

Q2. Would you like to answer on a specific area?

No

Q1. Do you agree with our proposed Speed Management Plan?

Yes

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Paraparaumu

Q4. Select the Waikanae areas you'd like to provide feedback on:

not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu Beach School

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

You need to do more

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

As the Principal of PBS I would like to see 30km variable speed zone increase slightly e.g. south on Gray Ave to the corner of Callender Terrace and east down Beachwater to the corner of Guilford

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School?

not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

Q49. Do you agree with our proposed speed limit for Valley Road?

not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on:

not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School?

not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School? not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road? not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

It's a complete overreach!!!

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School? not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road? not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Yes. I would like to know why the current speed limits need to be changed at all. • Has there been an increase in accidents, deaths or injuries directly caused by the current speed limits? • Have there been multiple, verifiable complaints made that are based on specific evidence (rather than opinion)? • Where can I locate the data related to the studies and conclusions done on each individual street and the impact lower speeds will have on surrounding traffic flow/congestion? • How much has this whole exercise cost the taxpayer (\$) to date, and what are the projected costs to complete? • What studies have been done, and where can I find the results for these studies, on the impact to local businesses?

Q1. Do you agree with our proposed Speed Management Plan?

Yes - Option 4: Reduce speed on all roads

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)

Q4. Select the Waikanae areas you'd like to provide feedback on:

Waikanae School

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

You need to do more

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

It should be a permanent speed reduction to 30km/h

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School? not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road? not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Safety is Paramount. There should be no half measures. Option 4 is the only option

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village? not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on: not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School? not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Most suburban streets are slow enough without reduction in speed. Other than slower past schools at beginning and end of the school day, the rest is completely ridiculous.

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School? not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road? not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for Raumati Beach Village? not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to provide feedback on: not answered

Q65. Do you agree with our proposed speed limit for Paekākāriki School? not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

The 800 metre section of Main Road, Paraparaumu (the old SH1) from Raumati Road heading north to Ihakara Street. This section of road has 9 driveway entrances and currently has a 'temporary' speed limit of 50kph. The section of road from Raumati Road heading south to Poplar Ave, has 26 driveway entrances and is currently speed limited at 80kph. By my observation, this section of road could safely support 60kph, which would attract better driver observance. The 50kph speed limit seems unnecessarily restrictive given the following: ***low concentration of housing = few driveway entrances, ***housing on only one side of the road = few driveway entrances, ***wide road with shoulders, ***no retail businesses on this section of road frontage, ***main arterial route 'to town', ***excellent road marking and signage to guide and control traffic.

Q1. Do you agree with our proposed Speed Management Plan?

Yes but it probably doesn't go far enough for Paekakariki - especially around the school

Q2. Would you like to answer on a specific area? Yes

Q3. Select the Community Board Areas you would like to provide feedback on: Paekākāriki

Q4. Select the Waikanae areas you'd like to provide feedback on: not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui? not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School? not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School? not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village? not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

Paekākāriki School

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

You need to do more

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

The zone needs to be bigger - children walk to school from all over the village and this zone is just too small. We also need safe crossing points to help our children get to and from school safely. There is only one pedestrian crossing in Paekakariki, it is nowhere near the school. I think we must be the only school in the region where children are not given safe crossing points.

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

Paekākāriki School

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

You need to do more

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

Speed limit should be permanent, not variable. School opens at 8.30 so many children are likely to be walking in the proximity of school grounds before 8.25. Likewise, children stay at school after 3 for after school activities. The crossings at the corner of Wellington rd and Tarawa st is a hazard as is the crossing over ocean rd along Wellington road. Both would benefit from raised pedestrian crossings.

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on: Te Rā Waldorf School and Te Rāwhiti Kindergarten

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? You need to do less

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

I don't think dropping the speed limit to 30ks permanently is necessary. Variable speeds round any school hours is all that is required. There is nothing else along that particular stretch of road either

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Yes I want to comment about the blanket lowering of speed limits. Lowering speed limits overall will not work and lead to frustration, anger (inc road rage) and increase road congestion. Targeted areas is OK.

**Respondent No:** 125**Login:** Registered**Responded At:** May 16, 2023 10:01:50 am**Last Seen:** May 15, 2023 23:46:16 pm**Q1. Do you agree with our proposed Speed Management Plan?**

In general, I agree with the need to look at speed limits across our urban areas and have a plan to address unsafe areas. I live in Paekākāriki, and with a small village, footpaths largely only on one side of the streets, and lots of children, holiday makers, increase in local and out of town cyclists, and animals around I feel in general speed management plan in general does need to be addressed. The recent change of lowering the speed limit in the core main village street has been very good, and largely agree that speed limits across the village should also be addressed. I do however think the plan does not offer options as such, more the one option to address speed management is lowering the overall speed. However, there are various way to address traffic flow and speeds. And as we know from experience in Paekākāriki some people are always going to speed regardless of the "limit", especially around our schools and popular areas. In regard to the school area, and other popular pedestrian areas in the village, by the beach, sports fields, I would like to see a separate plan to put in other safety measures. I would say the estimate speed of cars around the school during school hours etc. is already 30km, and the surrounding streets are so narrow that often cars would be going less than that already, so is not really any change, would question is it addressing the actual issue and making it safer for the children.

Q2. Would you like to answer on a specific area? Yes**Q3. Select the Community Board Areas you would like to provide feedback on:** Paekākāriki**Q4. Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

Paekākāriki School

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

You need to do more

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

I do support putting the blanket 30km surrounding area in place asap though, so it is visible and re prompt for people. As we know from experience near the fatal incident outside Paekākāriki school some people are always going to speed regardless of the "limit". In regard to the school area I would say the estimate speed of cars around the school during school hours etc. is already 30km, and the surrounding streets are so narrow that often cars would be going less than that already, so is not really any change, would question is it addressing the actual issue and making it safer for the children? My personal opinion is there needs to be more done for children crossing and cycling. We want to encourage our school children to bike and walk to school, at the moment it is largely setup for cars parking. I am not a traffic management expert so will not jump to any recommendations of what could be done to address that. What I would like to see is an expert come up with some options other than a speed limit.

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

As the "options" largely seem to be lowering of speed limit i would question why it is a 7-year plan. Is it due to spreading the cost to install all the signs over financial years, or does it actually take that long to get the teams to install all these signs.

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu College
Kāpiti School
Our Lady of Kāpiti School
Paraparaumu Beach School
Kenakena School
Paraparaumu School

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

Yes, you've got it right

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

30km variable speed limit is fine

Q39. Do you agree with our proposed speed limit for Kāpiti School?

You need to do less

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

30km variable speed limit is more suitable

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

You need to do less

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

30km variable speed limit is more suitable

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

Yes, you've got it right

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

30km variable speed limit is fine

Q45. Do you agree with our proposed speed limit for Kenakena School? You need to do less

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

Entire area as 30km variable speed limit is more suitable

Q47. Do you agree with our proposed speed limit for Paraparaumu School? You need to do less

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

30km variable speed limit is more suitable

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

No all ok if reducing around Schools and Heavy traffic the rest of the area please leave as is no need to reduce

**Respondent No:** 130**Login:** Registered**Responded At:** May 19, 2023 10:29:35 am**Last Seen:** May 19, 2023 00:18:22 am**Q1. Do you agree with our proposed Speed Management Plan?**

I think the lower speeds around the schools are a good idea. I think they need to be time orientated, between 7.30am - 5.00pm and only on school days - not weekends or school holidays. This is the case in many other countries I have visited. I think 2KM around the high schools should again be only time orientated on school days, not all the time. I do not think the option 4 of cutting speeds down on all roads is a good idea at all. It is difficult enough to get around Kapiti. So I do not support it at all. I do not think we have a high accident rate to warrant that response. I think the creation of some dedicated crossings and pedestrian refuges are a good idea, I like the 2 suggested in Paraparaumu.

Q2. Would you like to answer on a specific area?

No

Paekākāriki School? not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

I think speed is not the only factor to look at - pedestrian refuges and crossing are helpful, also some traffic taming designs such as narrowing or bumps in a Rosetta Road, Wharemaukau Road, Menim Rd and along Matai Road in Raumati would be helpful. This is the area I live in and where I see excess speed by food trucks and boy racers. I do not think setting speed limits deter this behaviour, but physical bumps and occasional narrowing would - I have seen it in other countries.

Q1. Do you agree with our proposed Speed Management Plan?

In part.

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)

Q4. Select the Waikanae areas you'd like to provide feedback on:

Waikanae School

Waikanae Beach Village

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

You need to do more

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

The approach to speed limits around all schools needs to be consistent. There should be a permanent new speed limit OF 30km/h for all primary and secondary schools being applied WITHIN THE SAME TIMEFRAME by the end of June 2024. Pre-schools should also be included. I would strongly support the walkable catchment being extended to 1km for primary schools (up to 15-20 mins walk), instead of the proposed 100m and 2.25 km (up to 35-40 min walk) for secondary schools.

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

You need to do more

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

I generally support the idea of a reduced speed limit for local streets as is being proposed for certain streets around the Waikanae Beach Village. If the proposal proceeds, I would like to see something similar being done at the same time for the Waikanae hill area over the railway tracks. I would suggest that the need is more urgent. Down at Waikanae Beach, a number of the houses seem to be occupied for a small percentage of the year, being holiday homes. When visiting that area, at various times of the day, the lack of traffic is also noticeable. On the hill part of Waikanae, however, the new sub-divisions at the end of Seddon Street and Winara Avenue are attracting younger families, with ongoing development of land around Huia St and on the hills. As a result, there is a marked increase in traffic of residents, who on average own 2-3 cars per household, tradies, earth moving equipment etc. throughout the day. The current road speeds and configurations encourage speeding which can pose real problems for younger children walking or cycling to or from school and for older residents. It would be helpful to trial 30km/h on both areas.

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

I would like to see a much more aspirational Speed Management Plan which focuses on a sustainable, eco friendly Waikanae 30 years hence, There needs to be more incentives for people to walk and bike, rather than travel by car, especially in those areas where public transport is so handy. I would like to see more bike lanes, a consistent speed limit of 30 on local roads to promote quiet and safe residential access for all. I also think that the Plan should more closely align to that of Wellington City.

**Respondent No:** 132**Login:** Registered**Responded At:** May 21, 2023 12:32:21 pm**Last Seen:** May 21, 2023 02:20:19 am**Q1. Do you agree with our proposed Speed Management Plan?**

Yes, these seem like excellent plans. Slowing down the traffic calms things down, creates safer more people-friendly spaces, and helps reduce carbon dioxide emissions. Win, win, win!

Q2. Would you like to answer on a specific area? Yes**Q3. Select the Community Board Areas you would like to provide feedback on:** Raumati**Q4. Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on: Te Rā Waldorf School and Te Rāwhiti Kindergarten
Raumati South School
Raumati South Village
Raumati Beach Village

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? You need to do more

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

Te Rā and Raumati South schools are quite close together. Between them is the bike trail entrance to Queen Elizabeth Park, with a busy bike crossing. I think making the whole stretch of Poplar Ave and Matai Road into a 30km/h zone would work best for keeping traffic under control and providing maximum safety for school students and cyclists.

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? You need to do more

Q1. Do you agree with our proposed Speed Management Plan?

Largely yes, but I would like to see implementation faster. Also, there needs to be a clear cycling/walking path plan to separate paths from the road so that people can feel safe using those modes of transport.

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)
 Paraparaumu

Q4. Select the Waikanae areas you'd like to provide feedback on:

Kapakapanui School
 Waikanae School
 Waikanae Beach Village
 Waikanae Town Centre
 Peka Peka

Q5. Do you agree with our proposed speed limit for Kapakapanui?

Other (please specify)

Yes, you have it right but it needs to be implemented faster and coupled to separate cycleways.

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

Yes, you have it right but it needs to be implemented faster and coupled to separate cycleways.

Q7. Do you agree with our proposed speed limit for Waikanae School?

Other (please specify)

Yes, you have it right but it needs to be implemented faster and coupled to separate cycleways.

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

Yes, you have it right but it needs to be implemented faster and coupled to separate cycleways.

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

Other (please specify)

Yes, you have it right but it needs to be implemented faster and coupled to separate cycleways.

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

Yes, you have it right but it needs to be implemented faster and coupled to separate cycleways.

Q15. Do you agree with our proposed speed limit for
Waikanae Town Centre?

Other (please specify)

Yes, you have it right but it needs to be implemented faster and coupled to separate cycleways.

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

Yes, you have it right but it needs to be implemented faster and coupled to separate cycleways.

Q17. Do you agree with our proposed speed limit for
Peka Peka Road?

You need to do more

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

Reduce the speed further and it needs to be implemented faster and coupled to separate cycleways.

Q19. Select the Ōtaki areas you'd like to provide
feedback on:

not answered

Q20. Do you agree with our proposed speed limit for
Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for
Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua
Mano?

not answered

Q25. Do you agree with our proposed speed limit for
Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit
for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for
St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu College
Kāpiti School
Our Lady of Kāpiti School
Paraparaumu Beach School
Kenakena School
Paraparaumu School
Valley Road

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

Other (please specify)

Yes, you have it right but it needs to be implemented faster and coupled to separate cycleways.

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

Yes, you have it right but it needs to be implemented faster and coupled to separate cycleways.

Q39. Do you agree with our proposed speed limit for Kāpiti School?

Other (please specify)

Yes, you have it right but it needs to be implemented faster and coupled to separate cycleways.

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

Yes, you have it right but it needs to be implemented faster and coupled to separate cycleways.

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

Other (please specify)

Yes, you have it right but it needs to be implemented faster and coupled to separate cycleways.

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

Yes, you have it right but it needs to be implemented faster and coupled to separate cycleways.

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

Other (please specify)

Yes, you have it right but it needs to be implemented faster and coupled to separate cycleways.

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

Yes, you have it right but it needs to be implemented faster and coupled to separate cycleways.

Q45. Do you agree with our proposed speed limit for Kenakena School?

Other (please specify)

Yes, you have it right but it needs to be implemented faster and coupled to separate cycleways.

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

Yes, you have it right but it needs to be implemented faster and coupled to separate cycleways.

Q47. Do you agree with our proposed speed limit for Paraparaumu School?

Other (please specify)

Yes, you have it right but it needs to be implemented faster and coupled to separate cycleways.

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

Yes, you have it right but it needs to be implemented faster and coupled to separate cycleways.

Q49. Do you agree with our proposed speed limit for Valley Road?

You need to do more

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

Reduce the speed limit further, it needs to be implemented faster and coupled to separate cycleways.

Q51. Select the Raumati areas you'd like to provide feedback on:

not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten?

Q1. Do you agree with our proposed Speed Management Plan?

No

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)

Q4. Select the Waikanae areas you'd like to provide feedback on:

Waikanae Beach Village
Waikanae Town Centre

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

You need to do less

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

30km in Waikanae town centre and in particular the beach is just ridiculous. These are residential streets for goodness sakes, with no/little evidence of accidents as a result of accidents at the current 50km. It's simply laughable you'd even contemplate 30km speed limits in these areas!! I agree schools need restrictions (kids are unpredictable) but residential streets...really? Hell, why don't we just lower all roads to 30km. I am totally astounded someone would even propose this rubbish!! What a waste of airspace and time and I'm fully against this drive!!

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? You need to do less

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

A/A

Q17. Do you agree with our proposed speed limit for Peka Peka Road? not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on: not answered

Q1. Do you agree with our proposed Speed Management Plan?

No I dont

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Paraparaumu

Q4. Select the Waikanae areas you'd like to provide feedback on:

not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu College
Kāpiti School
Paraparaumu Beach School
Kenakena School
Paraparaumu School

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

You need to do less

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

It is overkill

Q39. Do you agree with our proposed speed limit for Kāpiti School?

You need to do less

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

Its too much

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

You need to do less

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

Its too much intervention

Q45. Do you agree with our proposed speed limit for Kenakena School?

You need to do less

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

Too much intervention

Q47. Do you agree with our proposed speed limit for Paraparaumu School?

You need to do less

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

Selected school hours only for all of them NOT permanent

Q49. Do you agree with our proposed speed limit for Valley Road?

not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on:

not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School?

not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School?

not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College?

not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village?

not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

I think its too much intervention - what is the problem that is being dealt with? Where are the facts to back this up??

**Respondent No:** 137**Login:** Registered**Responded At:** May 22, 2023 12:20:48 pm**Last Seen:** Jun 27, 2023 01:45:22 am**Q1. Do you agree with our proposed Speed Management Plan?**

Yes as far as schools and shopping areas are concerned but think that a 70k limit on all road corridors (not sure what that means) is too restrictive.

Q2. Would you like to answer on a specific area?

No

Q3. Select the Community Board Areas you would like to provide feedback on:

not answered

Q4. Select the Waikanae areas you'd like to provide feedback on:

not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

The plan does not mention the old state highway 1 between Peka Peka and Otaki which is at present a jumble of different speed limits some dating back to its SH1 days and others , usually temporary, which relate to the motorway construction period. I submit a single 80 k limit for the whole road would be appropriate.

Q1. Do you agree with our proposed Speed Management Plan?

I think reducing speed across the board is the wrong approach. It should be targeted to problem areas and supplemented by safe road design.

Q2. Would you like to answer on a specific area? No

Q3. Select the Community Board Areas you would like to provide feedback on: not answered

Q4. Select the Waikanae areas you'd like to provide feedback on: not answered

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

You missed one key area. You need to adjust the speed on "old SH1" between Paraparaumu and roundabout to Southward car museum.

**Respondent No:** 139**Login:** Registered**Responded At:** May 23, 2023 16:29:38 pm**Last Seen:** Jun 27, 2023 04:48:23 am**Q1. Do you agree with our proposed Speed Management Plan?**

No. The plan is misdirected insofar as it will:- a)Slow down commerce eg goods delivery b)Slow down council services, rubbish collection c)Slow down transport, ie buses, taxis, private vehicles, plumbers, electricians etc d)Discourage tourism including day trippers from Wellington to Palmerston North and beyond e)Discourage immigration into the area and encourage emigration from the area As is obvious, each of a - e will create substantial increases in delivery costs, shop prices, council services provision, rates, business failures, falls in property values It should be appreciated that people have traditionally respected the law. A massive factor in that is that, by and large, laws have been reasonable, rational and sensible. Respect has to be earned and any body that introduces laws that are clearly unreasonable, irrational and nonsensical should have no expectation that such laws will be respected by that body's employers/financiers, in this case, Kapiti's ratepayers. I feel sure that any person that actually reads and considers this submission (and I have no confidence that this will occur), will be conscious that NZTA roadworks' cones/speed reductions has changed so that cones appear much earlier than necessary, much further in advance of the works occurring and remain too long after the work has been completed. It is common to encounter cones and limited speed requirements and reach to proper speed resumption sign with no roadworks being evident. As a consequence, and certainly in my observation, drivers are largely ignoring cones and speed limit signs until actual activity/loose metal/whatever is physically seen. In other words, they simply do what is common sense. NOBODY EVER RESPECTED STUPIDITY. Am I saying that I believe that speed reductions will be generally ignored and potentially cause accidents because of impatience? That is an unequivocal YES! Incidentally, introducing speed reductions around maraes and not other assembly places, ie Churches and the like, will clearly be racist and I doubt that any racist law would ever be enforceable in this day and age

Q2. Would you like to answer on a specific area?

No

Q65. Do you agree with our proposed speed limit for
Paekākāriki School? not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

On the day of preparing this submission, I travelled through Waikanae to Paraparam. With the new expressway available, I will not do this again. I could not believe that with traffic through the area cut by what, half? three quarters?, we (Kapiti ratepayers) have funded/will maintain not two sets of traffic lights but three! Really?!! With the greatest respect, whoever came up with this layout has serious problems. Even the middle set of lights by the railway crossing could arguably have been replaced by a roundabout. It is as obvious as the nose on people's faces, that replacement of the southern lights with a roundabout (as was the situation previously) and, maybe, introduction of a roundabout where the new northern set of lights are, would have seen a smoothly operating traffic system, requiring little maintenance, causing less fuel waste with breaking and accelerating and be less likely to discourage potential visitors to the Waikanae shopping area which, as things stand, seems doomed to a slow and painful death. I would respectfully urge reconsideration and on an urgent basis before the shopping centre dies BUT the principal reason for mentioning this abomination is in the hope of application of consequence assessment and common sense before further ratepayer money is wasted on this project, at least as it currently stands. I would remind you incidentally, that KCDC is increasing rates notwithstanding the dire inflation situation. That it would waste such money on the stupidity proposed really does beggar belief

Q1. Do you agree with our proposed Speed Management Plan?

Yes

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)

Q4. Select the Waikanae areas you'd like to provide feedback on:

Kapakapanui School
Waikanae Beach Village

Q5. Do you agree with our proposed speed limit for Kapakapanui?

Yes, you've got it right

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

Speed limit good. Need to address parking issues with parents doing drop offs & pick up parking on corners, parking on both sides of the street make the street very narrow.

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

Yes, you've got it right

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

We have a concern about cars reversing out of car parks on Tutere Street as many cyclists ride along here and children run out from the playground. Vision when you are backing is limited and we are always wary when cycling along there.

Q15. Do you agree with our proposed speed limit for
Waikanae Town Centre?

not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for
Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide
feedback on:

not answered

Q20. Do you agree with our proposed speed limit for
Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for
Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua
Mano?

not answered

Q25. Do you agree with our proposed speed limit for
Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit
for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for
St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for
Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q1. Do you agree with our proposed Speed Management Plan?

Totally!

Q2. Would you like to answer on a specific area? Yes

Q3. Select the Community Board Areas you would like to provide feedback on: Paraparaumu

Q4. Select the Waikanae areas you'd like to provide feedback on: not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui? not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School? not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School? not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village? not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu College
Our Lady of Kāpiti School
Paraparaumu Beach School
Kenakena School

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

Yes, you've got it right

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

30km could perhaps be longer past school

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

Yes, you've got it right

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

Looks great light timing in mornings still an issue with traffic going into that area during school term hopefully will help

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

Yes, you've got it right

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

N/a

Q45. Do you agree with our proposed speed limit for Kenakena School?

Yes, you've got it right

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

Makes sense

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Support the reduction of all roads near schools to slower speeds and greater patrolling to the area for speed breakers

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Yes, I feel that the whole of Kapiti traffic management and speeds needs a different overhaul. the planning of old SH1 is a disaster, the traffic holdups are incredible, if as you say the population is going to grow so much over next 10 years then where is the planning for the traffic. The amount of new houses being built or planned to be built along or off Kapiti road, Ihakara street etc is amazing and where does this traffic go !!! Kapiti road is a nightmare now and more so at peak hours, but even after dark the amount of people running red lights is absolutely crazy . It is a wonder there hasnt been any fatalities at the lights. Every time we go out we see traffic not stopping for red lights or speeding up to get through. All Kapiti traffic going north or south has to go through Kapiti interchange . Everyone you talk too feels the same way. How do you get this feedback across. Dont have a problem with speed limits around schools being 30 but that is all I would agree with. Please review Kapiti Road and Old SH1 for set up and management. Put cameras on the traffic lights is an option.

Q1. Do you agree with our proposed Speed Management Plan?

Yes, anything to lower speeds around our roads is a good thing

Q2. Would you like to answer on a specific area? No

Q3. Select the Community Board Areas you would like to provide feedback on: not answered

Q4. Select the Waikanae areas you'd like to provide feedback on: not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui? not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School? not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School? not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village? not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School? not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road? not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

I think having more safe islands (for crossing roads) is a good thing. Eg more on Te Moana, Kapiti Rd, Rosetta Rd, Raumati Rd, etc There are busy roads too where the footpath is right next to the road and cars doing silly speeds, the limit should be 40 on these roads. So more X crossings and safe Islands. Apart from arterial routes like Kapiti Rd, Rimu Rd for example, others should be 30km/hr

Q1. Do you agree with our proposed Speed Management Plan?

No, its a false focus by NZTA who cannot achieve Road to Zero and they admit it. NZ Police falsy note all unclear accidents as being speed related as that is their default meaning skewed data is being used and relied on

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)

Q4. Select the Waikanae areas you'd like to provide feedback on:

Kapakapanui School
 Waikanae School
 Te Horo Beach
 Waikanae Beach Village
 Waikanae Town Centre
 Te Horo School
 Peka Peka

Q5. Do you agree with our proposed speed limit for Kapakapanui?

Other (please specify)

No you've got it wrong - why isn't that an option??? The proposed speed limit is too low, leave it as it is.

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

leave it at the current status

Q7. Do you agree with our proposed speed limit for Waikanae School?

Other (please specify)

No you've got it wrong - why isn't that an option??? The proposed speed limit is too low, leave it as it is.

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

Leave it as it is

Q9. Do you agree with our proposed speed limit for Te Horo School?

Other (please specify)

No you've got it wrong - why isn't that an option??? The proposed speed limit is too low, leave it as it is.

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

Leave it as it is

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

Leave it as is is

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

Other (please specify)

No you've got it wrong - why isn't that an option??? The proposed speed limit is too low, leave it as it is.

Q13. Do you agree with our proposed speed limit for
Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

Leave it as it is

Q15. Do you agree with our proposed speed limit for
Waikanae Town Centre? Other (please specify)

No you've got it wrong - why isn't that an option??? The proposed speed limit is too low, leave it as it is.

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

Leave it as it is

Q17. Do you agree with our proposed speed limit for
Peka Peka Road? Other (please specify)

No you've got it wrong - why isn't that an option??? The proposed speed limit is too low, leave it as it is, or raise it to 80km along the Paetawa section and all of Peka Peka Rd

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

The proposed speed limit is too low, leave it as it is, or raise it to 80km along the Paetawa section and all of Peka Peka Rd

Q19. Select the Ōtaki areas you'd like to provide
feedback on: not answered

Q20. Do you agree with our proposed speed limit for
Ōtaki College? not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for
Ōtaki School? not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua
Mano?

not answered

Q25. Do you agree with our proposed speed limit for
Te Kura-a-iwi Whakatupuranga Rua Mano? not answered

Q26. Do you agree with our proposed speed limit
for Te Kura Kaupapa Māori o Te Rito? not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School? not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School? not answered

Q30. Do you agree with our proposed speed limit for Waitohu School? not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School? not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road? not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road? not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre? not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre? not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on: not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College? not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College? not answered

Q60. Do you agree with our proposed speed limit for
Raumati South Village?

not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Its a load of bollocks, NZTA have falsely used NZ Police data that does not identify correctly DSI outcomes on NZ roads.
Where the cause is not clear Police use speed as the default cause of a serious accident.

Q1. Do you agree with our proposed Speed Management Plan?

Not really

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)

Q4. Select the Waikanae areas you'd like to provide feedback on:

Waikanae School

Waikanae Beach Village

Waikanae Town Centre

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

Other (please specify)

Speed limit should only be in applicable school hours

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

Crossings already restricted speeds. I'm not sure further is necessary

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

You need to do less

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

Should only be lower speed in a few small areas such as beachfront where there are businesses such as long beach to dairy. Rauparaha st is also a main arterial route. Reducing that to lower speed will hurt local businesses by drastically increasing time to get there and to beach

Q15. **Do you agree with our proposed speed limit for Waikanae Town Centre?** Yes, you've got it right

Q16. **What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?**

Other traffic changes have lights/intersections around te moana/sh1 / Elizabeth st already created bottlenecks . Bring back the old intersection with more lanes!!!

Q17. **Do you agree with our proposed speed limit for Peka Peka Road?** not answered

Q18. **What feedback would you like to give us about the proposed speed limits at Peka Peka Road?**

not answered

Q19. **Select the Ōtaki areas you'd like to provide feedback on:** not answered

Q20. **Do you agree with our proposed speed limit for Ōtaki College?** not answered

Q21. **What feedback would you like to give us about the proposed speed limits at Ōtaki College?**

not answered

Q22. **Do you agree with our proposed speed limit for Ōtaki School?** not answered

Q23. **What feedback would you like to give us about the proposed speed limits at Ōtaki School?**

not answered

Q24. **What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?**

not answered

Q25. **Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?** not answered

Q26. **Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?** not answered

Q27. **What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?**

not answered

Q28. **Do you agree with our proposed speed limit for St Peter Chanel School?** not answered

Q29. **What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?**

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School? not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School? not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road? not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road? not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre? not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre? not answered

Q45. Do you agree with our proposed speed limit for Kenakena School? not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School?

not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

Q49. Do you agree with our proposed speed limit for Valley Road?

not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on:

not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School?

not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School?

not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College?

not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village?

not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Within 10 years the majority of vehicles will have advanced safety features such as forward crash mitigation. Lower speed limits are not needed except for a few town centre areas. The changes around coastlands since sh1 moved are a traffic disaster creating gridlocked traffic. Lower speeds are worthwhile but there needs to be arterial speed and multiple lanes on at least ONE road around coastlands area. You should bring back two lanes by param station and remove speed hump crossing

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on:

- Te Rā Waldorf School and Te Rāwhiti Kindergarten
- Raumati Beach School
- Raumati South School
- Kāpiti College
- Raumati South Village
- Raumati Beach Village

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? Yes, you've got it right

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

This speed limit will make it much safer for the children coming and going from not only Te Ra school, but also everyone using the cycle trail through Queen Elizabeth Park. I've been run off the road with my children several times as we crossed Poplar Ave at the end of the trail, next to the South end of Matai Road. This is an extremely dangerous section of road with the current speed limit and I'm very pleased to hear that the limit is being lowered.

Q54. Do you agree with our proposed speed limit for Raumati Beach School? Yes, you've got it right

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? You need to do more

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

Extend the 30km/h limit along the length of Tirimoana Road. All local roads, other than major connecting roads (eg Matai outside of school zone), should be lowered to 30km/h.

Q58. Do you agree with our proposed speed limit for Kāpiti College? Yes, you've got it right

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. **Do you agree with our proposed speed limit for Raumati South Village?** Yes, you've got it right

Q61. **What feedback would you like to give us about the proposed speed limits at Raumati South Village?**

not answered

Q62. **Do you agree with our proposed speed limit for Raumati Beach Village?** Yes, you've got it right

Q63. **What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?**

not answered

Q64. **Select the Paekākāriki areas you'd like to provide feedback on:** not answered

Q65. **Do you agree with our proposed speed limit for Paekākāriki School?** not answered

Q66. **What feedback would you like to give us about the proposed speed limits at Paekākāriki School?**

not answered

Q67. **Are there any further comments you'd like to make about our Speed Management Plan?**

I'm in full support of lowering the speed limits around our schools and village centers. It would be good to see bollards, speed bumps and narrowing of roads wherever applicable.

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

This is an unnecessary piece of work that is not called for by road accident stats, but is dictated unnecessarily by WK who are scrabbling for ideas in order to achieve a political aim set up by the Road to Zero campaign.

**Respondent No:** 151**Login:** Registered**Responded At:** May 27, 2023 13:21:02 pm**Last Seen:** May 27, 2023 03:15:52 am**Q1. Do you agree with our proposed Speed Management Plan?**

No. I have seen a combination of five different speeds proposed in the area. From 20km to 60im and this does not include roads such as expressway at 100km and old highway at 80km that still go through this area. More consistency in the speeds will help embed the change in speeds in resident's minds. I would like to see more pedestrian crossings in high school foot traffic areas such as Raumati Rd and poplar Ave.

Q1. Do you agree with our proposed Speed Management Plan?

Yes although I think it needs a few additional places

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)

Q4. Select the Waikanae areas you'd like to provide feedback on:

Kapakapanui School
 Waikanae Beach Village
 Waikanae Town Centre

Q5. Do you agree with our proposed speed limit for Kapakapanui?

You need to do more

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

The intersection of park Ave and Ngarara is dangerous. It needs to have speed humps. Lots of children from school cross the road to go to the park everyday. Cars race in both directions. A lot of them are ute's and van's probably from building sites. They speed around at 50-60 KM. I can't count the times I've had near misses trying to cross with pushchair and the dog. There needs to be a proper foot path along Ngarara road from the school to at least the Russel Reserve entrance. Then some safe way for walkers and cyclists to cross. I think the 30 KM needs to go to Walton Ave. maybe a speed bump at that spot. I think what happens is people come off the expressway and forget to slow down. The kindy walk the children around the block and they have to walk them on the road to get back to the Russell Reserve entrance. Sooo dangerous. Plus it's grass and slippery and on a slope.

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

You need to do more

Q13. Do you agree with our proposed speed limit for
Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

I am positive it needs include Field Way. People use the second bend from about 30-70 Fieldway as a race track. It needs a speed bump in the middle or make the road narrower there. They come screaming down from the north and swing fast around the corner near hugh street. Quite dangerous for residents getting out of the driveway.

Q15. Do you agree with our proposed speed limit for
Waikanae Town Centre? You need to do more

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

R tend it for the whole of ngaio Road.

Q17. Do you agree with our proposed speed limit for
Peka Peka Road? not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide
feedback on: not answered

Q20. Do you agree with our proposed speed limit for
Ōtaki College? not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for
Ōtaki School? not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua
Mano?

not answered

Q25. Do you agree with our proposed speed limit for
Te Kura-a-iwi Whakatupuranga Rua Mano? not answered

Q26. Do you agree with our proposed speed limit
for Te Kura Kaupapa Māori o Te Rito? not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School? not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

Yes, you've got it right

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

Keep it as it currently as it is, Milne Drive is a very long Drive, do not penalise the rate paying residents by dropping the current road limit down to 30Kms. just because a school is at the top of the Drive. Most kids get picked up by their parents, sort the traffic lights out at this time of the school pick up and drop offs day! Don't drop the speeding limits - because it simply is not going to work.

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Reducing the speed limits is ridiculous. There is no need. The limits in place are as they need to, and should be. Fix the roads instead.

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

You need to do more

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

Kenakena School agrees with the proposed changes to Donovan Rd and welcomes these changes. Relating to Golf Rd, Arnold Dr and Percival Rd we believe more could be done to assist children with safer passage to and from school. We would encourage Kapiti Coast Council to install Pedestrian refuge areas alongside the variable speed restrictions. Golf Road in particular carries a large amount of the school traffic and has a large volume of commuter traffic especially in the mornings. Currently Golf Rd provides no safe crossing point for children. Children using bikes or scooters currently have no direct pedestrian ramps (some have been removed in the last year), adding to this the 90 deg corner of Golf and Martin roads further creates safety issues, not only for pedestrians but also vehicular traffic. Percival and Martin roads have particular features that make pedestrian and cycle travel more unsafe than usual, that is the hill each cross. The hill restricts the view of both cars and pedestrians when trying to cross/travel along these roads, with no Western foot path along Percival Road children are forced to cross at either end with little warning of oncoming traffic. Percival could be included in the variable speed zone.

Q47. Do you agree with our proposed speed limit for Paraparaumu School?

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

As a School we feel safe crossing points are more valuable than a simple reduction of speed. Providing tools for pedestrians gives them the power to make safe choices and also encourages people into more sustainable modes of transport, effectively reducing the amount of traffic on our roads in the long-term creating even safer roads. We understand and support the positive effect speed reduction has on collision outcomes, unfortunately not every driver adheres to said speed limits and providing areas for crossing alongside speed reduction gives pedestrians more time for making good choices. Many thanks, Craig Lambie on behalf of Kenakena School Board

**Respondent No:** 159**Login:** Registered**Responded At:** May 29, 2023 12:27:04 pm**Last Seen:** May 29, 2023 01:40:05 am**Q1. Do you agree with our proposed Speed Management Plan?**

yes, except I think the Te Horo road corridor should be extended to Pukenu Rd, which has a speed limit of 80kmph while connecting roads either end are 60kmph.

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Ōtaki

Waikanae (includes Peka Peka)

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Pukenamu Rd is currently 80kmh speed limit with a 60kmh limit at each end. While much of Pukenamu Rd is straight there is a bend at the southern end that has several driveway exits on it, and a bridge with no footpath or verge. This is a very dangerous corner particularly for horse riders and carriage drivers as we are forced to wait either end of the bridge while listening out for traffic and then making a dash across the bridge. Unfortunately, the drivers heading north have just seen a sign advertising that the speed limit has increased from 60kmph to 80kmph just before that corner and consequently are often speeding up. In addition those heading south have been enjoying a long straight at 80kmph and have no warning that the corner is deceptively sharp and that children on ponies or adults riding and driving horses might be just around the corner. I live at 218 Pukenamu Rd, and have up to 10 riders grazing their horses on my property who are keen to ride down Pukenamu and Puruaha Rds to the beach. Sadly horses are unpredictable, and many of the local riders have stopped using Pukenamu Rd because of the high speed limit. Some local riders have had such scarey previous experiences that they put their horses in floats and drive the 3km to the beach. I never used to mind riding Pukenamu Rd when I had an experienced horse who was predictable-ish in traffic, but I am regularly very scared now that she has retired and I have a younger horse who is still getting used to traffic speeding past. Pukenamu Rd is a corridor between three access points to the beach (Te Hapua Rd, Puraha Rd, and Te Horo Beach). It is marked as a horse riding route on the council's maps. Many horse riders enjoy doing the beach-road circuit, and this has been recently extended with the motorway shared pathway so that we can now ride a round route via Pekapeka Rd and beach and Te Horo Beach Rd and beach. In addition, there is a growing number of carriage drivers in the district - I myself drive a miniature horse along this road - and these round routes are fabulous driving. We would all be very grateful if you would reduce the speed limit on Pukenamu Rd to 60km in line with either end, and install signs asking drivers to give riders a 2 metre gap and drive Very Slow when passing. The horse riding and driving routes in Kapiti and particularly around Pekapeka and Te Horo Beach areas would be really great with increased warning signs and appropriate speed limits and I'm sure would attract riding and driving tourists with the right promotion. But regardless, Pukenamu Rd, Puraha Rd, Derham Rd, Paul Faith Lane, Te Hapua Rd, and Te Horo Beach Rds are all home to a lot of horse riding ratepayers, and all of them and their children would like to be able to ride safely to the beach and home again.

Q1. Do you agree with our proposed Speed Management Plan?

Yes. Raumati area needs to include speed mitigation and control at the corner of Matai Road and Raumati Road

Q2. Would you like to answer on a specific area? Yes

Q3. Select the Community Board Areas you would like to provide feedback on: Raumati

Q4. Select the Waikanae areas you'd like to provide feedback on: not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui? not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School? not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School? not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village? not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School? not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road? not answered

Q51. Select the Raumati areas you'd like to provide feedback on: Raumati Beach School

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? Yes, you've got it right

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? Speed control needs to be more than just a small sign

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

I was hoping that the corner of Raumati and Matai roads would be included in the plan. Traffic does not stop at the stop sign. I live near there and see that the driving habits of people are getting worse. I put hazard lights on to highlight me as i reverse into my drive and virtually no one slows down. I'm afraid I'll be hit. People turning left out of Matai Rd onto Raumati road don't stop and only look right at traffic coming around the corner, not left where I am reversing into my driveway. Many Drivers are on their phones and speeding. A bad combination

Q1. Do you agree with our proposed Speed Management Plan?

Yes, although I think more areas could be covered by lower speed limits and traffic calming elements should be brought forward.

Q2. Would you like to answer on a specific area? No

Q3. Select the Community Board Areas you would like to provide feedback on: not answered

Q4. Select the Waikanae areas you'd like to provide feedback on: not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui? not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Raised pedestrian/cyclist crossings are needed on Mazengarb road if speed isn't being reduced. Currently, it is more dangerous to use the shared path as a cyclist, because of the poor quality crossings, so I use the road. I wish I felt safer to use the shared path, as it is sketchy at best on the road.

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village? not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu College
Kāpiti School
Kenakena School

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

You need to do more

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

the speed is fine and slow around that area already, people will become more impatient with slow travel

Q39. Do you agree with our proposed speed limit for Kāpiti School?

You need to do more

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

too slow

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

You need to do more

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

too slow

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on: Kāpiti College

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? You need to do more

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

too slow and annoys everyone

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

not answered

**Respondent No:** 165**Login:** Registered**Responded At:** May 30, 2023 11:33:30 am**Last Seen:** May 30, 2023 01:30:12 am**Q1. Do you agree with our proposed Speed Management Plan?**

No, 30kmh is far too slow. 50kmh is a relatively safe speed for new and experienced drivers. There is no need for the speed to drop this far. This is outrageous!

Q2. Would you like to answer on a specific area? No**Q3. Select the Community Board Areas you would like to provide feedback on:** not answered**Q4. Q67. Are there any further comments you'd like to make about our Speed Management Plan?

It is a terrible idea. If this was to be lowered many people will still be driving at 50kmh. This is because 30kmh is too slow and people have places to be. This shouldn't have even been a consideration. Instead you should use this energy to something more productive such as better roads. Fix the potholes.

**Respondent No:** 166**Login:** Registered**Responded At:** May 30, 2023 11:36:27 am**Last Seen:** May 30, 2023 01:34:14 am**Q1. Do you agree with our proposed Speed Management Plan?**

No this is a terrible idea. It is outrageous to lower the speeds this low. I'm sick of already driving at 30 and you guys need to use your energy on something more productive.

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Focus on useful things instead of trying to force us off the roads by making us drive slow. Maybe teach people how to drive
e.g a driving course. Instead of forcing people to idle around at a snails pace.

**Respondent No:** 167**Login:** Registered**Responded At:** May 30, 2023 12:58:21 pm**Last Seen:** May 30, 2023 02:11:34 am**Q1. Do you agree with our proposed Speed Management Plan?**

Yes I do. However any such plan will fail to achieve the desired result if there is little or no monitoring of driver behaviour and adherence to the speed limits.

Q2. Would you like to answer on a specific area? Yes**Q3. Select the Community Board Areas you would like to provide feedback on:** Raumati**Q4. not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? Yes, you've got it right

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

There are 2 child day care/kindergartens in the same vicinity as the primary school. It's difficult to determine from your plans, but hopefully the new speed restriction will include them. This is a vast improvement on the seemingly ludicrous current situation where the 30 kph fails to include any of these establishments.

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? Yes, you've got it right

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for Raumati Beach Village? You need to do more

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

The speed limit is fine. However as we live on Rosetta Rd near Garden Road, we notice very little adherence to the limit in either direction. There is little doubt that a speed hump close to the Garden Rd entrance on Rosetta, and at the beginning of Matatua Rd by the bowling club, would assist in keeping the vehicles to a reasonably safe speed. The lack of a footpath on the Garden Rd side of Rosetta, means pedestrians are forced to walk on the road and around vehicles which are parked on the berm while approaching the pedestrian crossing. From personal experience, this can be extremely nerve wracking and dangerous. Pedestrians attempting to cross Matatua Rd from either the bowling club or Raumati Sands accommodation really do take an awful risk. A pedestrian 'safe haven' in the centre of the road would be valuable. It's a shared opinion that Raumati Beach is discriminated against when it comes to speed humps. They appear in Raumati South, are plentiful in Paraparaumu and Paraparaumu Beach and Waikanae, but there are none in Raumati Beach which features a College, Primary School, pre-school centres, a bowling club, pub, pharmacy, medical centre, churches, a grocery, three cafes and an array of shops. It is a busy place and by the end of the second phase of your plan, will be even busier. Thank you very much for being provided the opportunity to contribute to the survey. It is very much appreciated.

Q64. Select the Paekākāriki areas you'd like to provide feedback on: not answered

Q65. Do you agree with our proposed speed limit for Paekākāriki School? not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Thank you. Hopefully the feedback you receive will be valuable and assist you in your final decisions.

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road? You need to do more

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

Proposed 50km area is good. I would like to see the proposed 50km area extended for the full length of Riverbend Road. I would also like to see a cycle/ walk route for the full length of Riverbend Road (off the current carriageway). There is increased industrial traffic for the full length, and the route is used to access Ōtaki Beach, from the expressway. At times the road is very busy and the carriageway west of Aotaki Street is narrow, leaving minimal room for walkers and cyclists. There appears to be plenty of room on the verge for a shared path to be developed. Until a path can be developed, a 50km speed limit is appropriate.

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre? not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on: not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College? not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School? not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School? not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School? not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School? not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?
not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?
not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?
not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?
not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?
not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?
not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?
not answered

Q60. Do you agree with our proposed speed limit for
Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village? not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on: not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School? not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

I approve of the general thrust of the plan. Specific comment is best left to those most affected. Personally, I am happy to see safety placed as an important factor, and to achieve this, I agree that lower speeds are necessary in and around Otaki.

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Blanket changes too wide ranging. Around educational facilities down to 30kmh. Increasing traffic levels will have same affect of slowing down traffic. Impatient/ red light runners will still be impatient and run red lights. More enforcement in this area perhaps cameras at lights etc. Cyclists without helmets, in dark clothing, riding on footpaths and without lights are just as hazardous.

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

Other (please specify)

No why is it needed. See below

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

It is already a bottle neck getting in and out of Milne Drive during school arrival and home time and to be honest it's difficult to go above 30km you are crawling at best so why change it. Has there been a recorded accident along there? And why not actually ask the people that live in Milne Drive what they think face to face instead of expecting them to find out mostly via Facebook. How far along Milne Drive will this 30km go, it's not as if it is a through road. And no speed bumps, this will make it even worse.

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Consultation is a good thing but no matter what happens accidents do happen regardless of what speed people are going. Most people are carefully around schools and maybe just put signs around the schools (as there are in some cases now). There will always be issues with carers driving children to school (you cannot always live near the school) but what also has to be remembered is that road safety needs to also be taught to the children, make them more aware of their surroundings. Also parents who drop off are not that aware either of what is going on, they just stop and park in the most ridiculous places/way. I doubt if my comments will make any difference though as decisions have already been made and no matter how many voices are questioning/opposing plans it will always go ahead. Where is the money coming from the get this sorted, and would that money not be better spent on the areas around schools that have issues. Has research been done into what is proposed? Also should children not be encouraged to walk more so maybe think about making pathways better for them and in fact all. Don't make more cycle lanes that are only gone to be used by a few, make more cycle lanes away from the roads that way all will be better protected. Thank you

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Our Lady of Kāpiti School

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

You need to do less

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

Your map includes placing the 30kph speed limit on private roads within Midlands Gardens Retirement Village. The Kapiti Retirement Trust owns this property and currently has a 20kph speed limit set for these roads. They should be removed from your plan. The roads included in these are Trent Drive, Cherwell Court, Derwent Close, Knightly Way, Somersby Court and Southwell Court.

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School?

not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

Q49. Do you agree with our proposed speed limit for Valley Road?

not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on:

not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School?

not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School?

not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College?

not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village?

not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

No

Q1. Do you agree with our proposed Speed Management Plan?

In part

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)

Q4. Select the Waikanae areas you'd like to provide feedback on:

Peka Peka

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road? You need to do less

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

If this is promoted as a cyclist route, put in a cycle lane!!

Q19. Select the Ōtaki areas you'd like to provide feedback on: not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College? not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School? not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano? not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito? not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School? not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School? not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School? not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road? not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village? not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?
not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on: not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School? not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?
not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

I think it's a good idea; There are some blind corners with very little to stop cars from speeding around corners with no warning. The only problem I can think of is the fact that the current roadworks near the station have resulted in terrible traffic stretching around the entire area, so cars moving even more slowly might not be a good thing.

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? You need to do more

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

Raumati South (South of the shops) has a number of streets with no footpaths. Therefore I believe that the speed limit should be 30 along the Esplanade, Forest Road, Kainui Road, Tennis Court Road (parked cars make the road very narrow), Jeep Road etc. Children walk these roads every day to school and cars are often going way too fast in Raumati South - on particular the straight stretches of road (Tennis Court Rd and The Esplanade).

**Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?**

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

not answered

**Respondent No:** 177**Login:** Registered**Responded At:** May 31, 2023 08:50:18 am**Last Seen:** May 23, 2023 22:16:59 pm**Q1. Do you agree with our proposed Speed Management Plan?**

I support the slower speeds around schools, but I'm not entirely convinced it is the whole answer, and I think you're moving too slowly. Part of the issue around schools now is lack of sensible/adequate planning that would have allowed for there to be space/safety for cyclists and people on foot, to handle the volume of cars needing to get in and out of school areas efficiently (lack of area for people to park cars when picking up from schools), and for through traffic (people just wanting to get past schools in peak traffic - which is around pick up/drop off). I am also in favour of more rapid change - our children and young people in particular need more safety now. What is the reason for the slowness of proposed change?

Q2. Would you like to answer on a specific area? Yes**Q3. Select the Community Board Areas you would like to provide feedback on:** Waikanae (includes Peka Peka)
Paraparaumu**Q4. Select the Waikanae areas you'd like to provide feedback on:** Waikanae School**Q5. Do you agree with our proposed speed limit for Kapakapanui?** not answered**Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?**

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School? You need to do more**Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?**

I think you need to broaden the timeframe 30 km variable applies, particularly in afternoon (eg make it from 2:30pm to 3.30pm and 8am to 9.30am. I would even consider making it permanent at all times (then save money on the variable sign), as it potentially would have a greater impact on drivers to drive safer in these urban areas, assuming it was adequately enforced. Traffic cameras could be installed. There also needs to be safe pedestrian crossings on Utata St, Winara St, and Elizabeth St both at railway crossing at down by dairy/Seddon St. All these crossings need to be safe regardless the time of day and whether or not there is a school patrol operating. I think Seddon St intersection with Elizabeth St needs to be a round about. Probably also one for Winara onto Elizabeth. And there needs to be an alternative exit from this side of railway to ease the pressure/congestion on Elizabeth St.

Q37. Do you agree with our proposed speed limit for Paraparaumu College? You need to do more

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

Again broaden the timeframe 30 km variable applies, particularly in afternoon (e.g. make it from 2:30pm to 3.30pm and 8am to 9.30am). I would even consider making it permanent at all times (then save money on the variable sign), as it potentially would have a greater impact on drivers to drive safer in these urban areas, assuming it was adequately enforced. Traffic cameras could be installed. I think you also need to consider extending the reach of the plan down Mazengarb road, as there is a daycare on Hudson St and its very hard for people to turn right here at peak hour traffic and also no safe crossings for pedestrians, and no safe cycle lanes. The Hudson St intersection needs to be a round about, and there needs to be driver education on how to indicate. There is a similar problem for turning out of Mazengarb park and crossing the road. At peak times drivers don't indicate and people are taking chances trying to get across the roads. Slow speed might help this at peak school times as well. I think you also need to look at measures Ratanui road - its difficult for cycles, pedestrians and people in cars trying to park or access their driveways or the driveways of the daycare and swim school.

Q39. Do you agree with our proposed speed limit for Kāpiti School? not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

You need to do less

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

Milne Drive - proposed 30km/h should not include all of Milne as there is no thoroughfare to Trent Drive, Compass Court, etc. so the shape of the buffer zone is not fit-for-purpose and so the 30km/h speed limit should not extend that far back into Milne Drive. As a resident who has lived in Milne Drive for over 20 years, it is clear that the roads are wide enough and there is simply not enough foot traffic along this road to justify lowering the speed limit to 30km/h. However, I do agree that Presentation Way should be lowered to 30km/h for safety of children being dropped off/picked up and the pedestrian refuge island on this road is sensible.

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?
not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?
not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?
not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?
not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?
not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?
not answered

Q60. Do you agree with our proposed speed limit for
Raumati South Village?

not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

In general, the decreased speed zones around Kapiti Coast will negatively impact emergency services such as paramedics and volunteer fire fighters who will find it more difficult to respond to their stations in an acceptable timeframe - this will lead to slower response times for emergencies such as fires, adverse weather events, medical events, and traffic crashes which will negatively impact residents of the Kapiti Coast and the wider community.

Q1. Do you agree with our proposed Speed Management Plan?

yes

Q2. Would you like to answer on a specific area? Yes

Q3. Select the Community Board Areas you would like to provide feedback on: Paraparaumu

Q4. Select the Waikanae areas you'd like to provide feedback on: not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui? not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School? not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School? not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village? not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu College

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

Yes, you've got it right

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

Our leadership team at the college have discussed this and believe this is a sensible proposal

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School? not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road? not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Reducing the speed to 30km in some areas is unnecessary. Most of our roads are wide and have clear footpaths and crossings.

Q1. Do you agree with our proposed Speed Management Plan?

yes

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)

Q4. Select the Waikanae areas you'd like to provide feedback on:

Waikanae Town Centre
Peka Peka

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

Yes, you've got it right

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

None

Q17. Do you agree with our proposed speed limit for Peka Peka Road? You need to do more

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

The road is currently dangerous for cyclists. Not only is the current speed limit too high, but there is zero shoulder, the road edge is broken and problematic for cyclists (no ability to go off the road), and the road surface is undulating (problem for cars speeding). I use this road daily as a cyclist and car driver. There is an accident waiting to happen here as some cyclists who use the route are inexperienced in traffic, especially when the latter is travelling at high speed. This road is increasingly busy. You should consider dropping the speed limit to 50km/h, not 60. Plus you need to work on the road edge to provide some sort of shoulder for cyclists.

Q19. Select the Ōtaki areas you'd like to provide feedback on: not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College? not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School? not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano? not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito? not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School? not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School? not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

I am curious as to why you are treating Peka Peka Rd differently from Paetawa Road. Both are just as busy and both almost the same in terms of housing density

Q1. Do you agree with our proposed Speed Management Plan?

Yes as long as it is high risk areas and does not affect everyday movements

Q2. Would you like to answer on a specific area? Yes

Q3. Select the Community Board Areas you would like to provide feedback on: Paraparaumu

Q4. Select the Waikanae areas you'd like to provide feedback on: not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui? not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School? not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School? not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village? not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Our Lady of Kāpiti School

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

Other (please specify)

The speed limit should only apply for the section of road that links Our lady of Kapiti with Milne Dr.

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

I do not agree that Milne Drive should be reduced to 30 km/hr. The road is extremely wide and there have been no major accidents (that I as a resident) know of that would dictate a drop to such low speeds. Traffic speeds can be high at times, however dropping the speed limit will not affect this. Milne Dr should stay at 50km/h.

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School?

not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

Q49. Do you agree with our proposed speed limit for Valley Road?

not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on:

not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School?

not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School?

not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College?

not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village?

not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

Paekākāriki School? not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?
not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

We believe that the current speed limits in the Kapiti Coast area are unsafe. The council proposed an idea to reduce some speed limits in the area to 30 km/h. We support this decision and we wish to encourage others to spread their thoughts and beliefs about the speed limits in Kapiti. The council has 2 different parts for their plan. Part a involves what the council has proposed to implement up to the end of 2027, comprising high priority high-benefit areas

Q1. Do you agree with our proposed Speed Management Plan?

Not entirely, the speed limits will be confusing as traffic moves through different maximum speeds in the same streets

Q2. Would you like to answer on a specific area? Yes

Q3. Select the Community Board Areas you would like to provide feedback on: Paraparaumu

Q4. Select the Waikanae areas you'd like to provide feedback on: not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui? not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School? not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School? not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village? not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Our Lady of Kāpiti School

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

You need to do less

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

!00% agree with a lower limit at the start of Milne Drive until clear of the school. There is no good reason to keep this right to the end of Milne Drive

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for
Paraparaumu School?

not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

Q49. Do you agree with our proposed speed limit for
Valley Road?

not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide
feedback on:

not answered

Q52. Do you agree with our proposed speed limit for
Te Rā Waldorf School and Te Rāwhiti
Kindergarten?

not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti
Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for
Raumati Beach School?

not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for
Raumati South School?

not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for
Kāpiti College?

not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for
Raumati South Village?

not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

While there is sound reasoning behind the need to reduce traffic speeds, the proposed plan is likely to cause confusion and frustration as traffic moves between the various zones. Perhaps a better idea is to set an urban limit of say 40km/h and be consistent throughout the whole region. The designation before and after school will be problematic, will specific times be notified on the road signs? What about holiday periods? Schools that have different hours of attendance?

Q1. Do you agree with our proposed Speed Management Plan?

not answered

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)
Paraparaumu

Q4. Select the Waikanae areas you'd like to provide feedback on:

Kapakapanui School
Waikanae Beach Village
Waikanae Town Centre

Q5. Do you agree with our proposed speed limit for Kapakapanui?

You need to do less

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

Ngarara up to North Bay, not sure this lower speed limit is needed, low volumes? All the rest I think is reasonable

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

You need to do less

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

Not necessary

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

Yes, you've got it right

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

should be fine, very busy area anyway and can't go too fast anyway

Q17. Do you agree with our proposed speed limit for Peka Peka Road? not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on: not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College? not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School? not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano? not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito? not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School? not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School? not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

Paraparaumu College

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

Yes, you've got it right

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

Yes please lower immediately before school and after school. Its a mad house with traffic during those times

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School? not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road? not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Appreciate the work, just make sure there is good Communications out there when speeds are reduced.

Q1. Do you agree with our proposed Speed Management Plan?

yes, in general

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)

Q4. Select the Waikanae areas you'd like to provide feedback on:

Peka Peka

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road? You need to do less

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

We live at Peka Peka and both drive and ride bikes on PP road. The road surface is very uneven (its swamp land) and the shoulders are virtually non existent. That means it's too easy for cars that travel > 50 km/h to keep a safe distance from cyclists and horse riders. I feel it should be 50 km/h limit. Likewise I feel for Raukawa road, where I live, that should have a 50 km/h limit.

Q19. Select the Ōtaki areas you'd like to provide feedback on: not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College? not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School? not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano? not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito? not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School? not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School? not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School? not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road? not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

I am generally in favour of getting the speed limits down. And that these limits are enforced.

**Respondent No:** 193**Login:** Registered**Responded At:** Jun 03, 2023 19:30:18 pm**Last Seen:** Jun 03, 2023 09:19:57 am**Q1. Do you agree with our proposed Speed Management Plan?**

No. It's ridiculous. Roads, cars, technology and policing are all at the most advanced and safest in modern history and this absolute cluster of a plan might as well get us back on horses. The changes made in the last 2 years make this district a frustrating place to drive and the moronic plan to drop more limits to 30-40 is just unbelievable. Local roads should be 60 with low speed zones (40) around schools etc for designated times only.

Q2. Would you like to answer on a specific area? No**Q3. Select the Community Board Areas you would like to provide feedback on:** not answered**Q4. not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

The speeds you are suggesting are too slow and will result in more accidents etc as people get frustrated with not being able to move around the district easily. You have already caused enough issues on the roads with adding in unnecessary traffic lights, we don't need to be crawling along the roads at the same time

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Do not feel it is helpful to roll back speed limit to 30km/h generally in urban areas & also think all the work that has been done to old SH1 in Waikanae and Paraparaumu around Coastlands has only brought back congestion that had been resolved after the express way opened. Now happening with way less traffic in the area due to all the narrowing and remedial work of the old SH1. The old SH1 was so much safer with the reduced amount of traffic, no need for roundabouts and traffic lights (they would have been needed before with the high traffic volume, but not any more after the express opening). All the money for redoing the old SH1 could have been spent for more urgent matters like better road surfaces and pothole repairs etc.

Q1. Do you agree with our proposed Speed Management Plan?

Yes - it is clearly evident that there are areas where motorists do not take adequate care around schools

Q2. Would you like to answer on a specific area? Yes

Q3. Select the Community Board Areas you would like to provide feedback on: Ōtaki

Q4. Select the Waikanae areas you'd like to provide feedback on: not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui? not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School? not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School? not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village? not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

St Peter Chanel School

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

Yes, you've got it right

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

Are you aware that the Te Raukawa Kohanga Reo is situated at the rear of Tainui Marae (opposite) Bennets Rd ? It would be very disappointing if what you have planned is lessened after consultation. There is considerable heavy traffic on this road (Agricultural Contractor & Golf Club.)

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q1. Do you agree with our proposed Speed Management Plan?

Parts of it.

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Ōtaki

Waikanae (includes Peka Peka)

Q4. Select the Waikanae areas you'd like to provide feedback on:

Te Horo Beach

Peka Peka

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

I would like to see the speed limit on Pukenu road reduced to 60km. In line with the beginning and end of the street. It is an access way to Te Horo Beach and there are a lot of properties located on the road. It is a popular horse riding and carriage driving area and it has become very dangerous with the speeds. People go down the straights and into the corners. I both ride and drive in the area and sadly I am often fearful to use Pukenu road. I would like to see better signage and potential monitoring of speeds in this area.

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

You need to do more

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for
Waikanae Town Centre?

not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for
Peka Peka Road?

You need to do more

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

I would like to see The speed down to 60km for the entire length based on it being part of the shared pathway for walkers, cyclists and the horse community's.

Q19. Select the Ōtaki areas you'd like to provide
feedback on:

not answered

Q20. Do you agree with our proposed speed limit for
Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for
Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua
Mano?

not answered

Q25. Do you agree with our proposed speed limit for
Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit
for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for
St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School? not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School? not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road? not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road? not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre? not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre? not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on: not answered

**Respondent No:** 198**Login:** Registered**Responded At:** Jun 05, 2023 07:57:18 am**Last Seen:** Jun 04, 2023 21:37:38 pm**Q1. Do you agree with our proposed Speed Management Plan?**

Firstly, the proposals fail to identify the specific problem(s) they are supposed to be addressing. Secondly, they are somewhat vague and nebulous. For example, the term "road corridor" can be applied to any road, anywhere. It is meaningless in this context. When we look forward ahead to beyond 2027 we find a proposal to reduce ALL local roads to "safe and appropriate speed limits" What a nonsense term. Safe is a relative term. Appropriate is a completely subjective term. On what basis, exactly, is a 30kmh limit on Mazengarb road, for example, supposed to be "safe", and how, exactly, has the current 50kmh limit come to be deemed as "unsafe".

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

I have made most of my comments in response to the previous question. I have no issue with speed restrictions around schools and, perhaps, places like retirement villages, but 30 or 40kmh blanket restrictions on entire stretches of safe roads are absurd.

**Respondent No:** 199**Login:** Registered**Responded At:** Jun 05, 2023 10:04:38 am**Last Seen:** Jun 04, 2023 23:20:43 pm**Q1. Do you agree with our proposed Speed Management Plan?**

No - While I understand that this is driven by central government legislation, I don't support the concept of reducing speed limits to 30 or 40kph where they are currently 50kph. I accept that around schools' entry "100 or 200 meter" it is reasonable to have lower speed limits but mainly variable based on school hours. Some of the corridor can be reviewed based on increase in housing density.

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

You need to do less

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

I don't understand why the proposed limits extend down Milne Drive and surrounding streets as far as they do. This is inconsistent with other schools where the speed limits are reduced primarily at the entry to the school. We live on Milne Drive and school foot or bike traffic is very low, most of the car traffic is from Kapiti Rd. Kids walking from Milne or Raumati come either down the Motorway bike track or Milne Drive. Mile Drive Road is wide and has foot path both sides and low traffic volumes. Where is the data to support such extensive drop in speed limits and why different from other schools? Suggest the plan reduces the speed limits say 200 meters only to the south of the main say at the end of the commercial zone.

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

I simply don't support a plan to reduce the speed limits beyond school entries to 30 or 40km/h. We actually have good wide roads in comparison cities like Wellington plus good footpaths. We seem to be living in a world where we are passing the responsibility for safety to 3rd parties (car drivers) rather than individuals (pedestrians and bike traffic). I accept there is always a duty of care when you drive a car which is covered when you get a driver's license, but this plan goes too far. You can always aim to justify the plan with the statistics and variable which can be both subjective and objective. My discussions with friends and family are what we as the community want is keep speed limit as they are now. I would like to see the raw data used in the plan is that available on the web site.

Q1. Do you agree with our proposed Speed Management Plan?

Mostly. But the 30kph area around schools must be carefully considered as it will slow traffic too much for most of the day, And it can be very slow moving around anyway with all the lights on Kapiti Road and the very slow bit and too many lights through the "town centre". The slow areas through each "village" is essential and should be consistent through each and same traffic controlling features for each, eg speed humps.

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Raumati

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on:

- Te Rā Waldorf School and Te Rāwhiti Kindergarten
- Raumati Beach School
- Raumati South School
- Raumati South Village
- Raumati Beach Village

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? Yes, you've got it right

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

Make the speed limit from before the school right through to the otherside of the village. To Rosetta Road along Renown Road. and Bikes, pedestrians and buses mean that the area should be as safe as possible

Q54. Do you agree with our proposed speed limit for Raumati Beach School? Yes, you've got it right

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

Very busy area just by the village and so the area should have a slow speed

Q56. Do you agree with our proposed speed limit for Raumati South School? Yes, you've got it right

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

With school and kindergarten and Scout Den close together the area needs to be 30km/hr

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? Yes, you've got it right

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

It needs to be 30km per hour and consistently through as there are two bus stops, and not easy to get out of intersection with Tennis Court Road and bikes coming off the trail to visit the local cafes.

Q62. Do you agree with our proposed speed limit for Raumati Beach Village?

Yes, you've got it right

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

Very busy area with multiple weird intersections that need care

Q64. Select the Paekākāriki areas you'd like to provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Also install the signs that flash when you are going too fast to encourage people to slow down. Do some monitoring of people's speeds and fine them if they are going too fast, they are a danger to the people going about their day to day business in the villages

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School? not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road? not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

40km/h on main arterial routes like Kapiti road is nuts, where are the statistics that point out how many accidents, injury's and deaths have happened on our roads over say the last 20 years. 40km/h on some of our other roads eg Alexander, Kiwi ,anaru maybe justified.

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School? not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village? not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

Q1. Do you agree with our proposed Speed Management Plan?

Yes - I believe that streets in kapiti are to fast and are unsafe for the community

Q2. Would you like to answer on a specific area? Yes

Q3. Select the Community Board Areas you would like to provide feedback on: Raumati

Q4. Select the Waikanae areas you'd like to provide feedback on: not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui? not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School? not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School? not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village? not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on:

- Te Rā Waldorf School and Te Rāwhiti Kindergarten
- Raumati Beach School
- Raumati South School
- Raumati South Village
- Raumati Beach Village

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? Yes, you've got it right

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

100% agree

Q54. Do you agree with our proposed speed limit for Raumati Beach School? Yes, you've got it right

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

Good speed for the busy area

Q56. Do you agree with our proposed speed limit for Raumati South School? Yes, you've got it right

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

Yo many children here, definitely need to rescue speed

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? Yes, you've got it right

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

Yes, although the 20km would be better as a 30km, 20 seems to slow

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

Yes, you've got it right

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

I believe that shops and school should have reduced speed limits but every else should stay at 50km

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

No

Q1. Do you agree with our proposed Speed Management Plan?

No, all the speed limits around schools should be variable based on normal operating times - maybe extend these to be a bit earlier or later but fixing speed limits for well out of school hours is just a nuisance to road users.

Q2. Would you like to answer on a specific area? No

Q3. Select the Community Board Areas you would like to provide feedback on: not answered

Q4. Select the Waikanae areas you'd like to provide feedback on: not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui? not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?
not answered

Q7. Do you agree with our proposed speed limit for Waikanae School? not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?
not answered

Q9. Do you agree with our proposed speed limit for Te Horo School? not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?
not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?
not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village? not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?
not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Slowing down traffic will add to an increase in delivery costs which will be passed on to the consumers. Commuting times will increase and people may ignore slow speeds on roads if they serve no obvious purpose

Q1. Do you agree with our proposed Speed Management Plan?

Partly.

Q2. Would you like to answer on a specific area? Yes

Q3. Select the Community Board Areas you would like to provide feedback on: Waikanae (includes Peka Peka)

Q4. Select the Waikanae areas you'd like to provide feedback on: Waikanae Beach Village

Q5. Do you agree with our proposed speed limit for Kapakapanui? not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?
not answered

Q7. Do you agree with our proposed speed limit for Waikanae School? not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?
not answered

Q9. Do you agree with our proposed speed limit for Te Horo School? not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?
not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?
not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village? You need to do more

Q13. Do you agree with our proposed speed limit for Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

The 30km area should be widened to Waimea Road. There is a pre-schooler in Waimea Rd. There is a lot of pedestrian traffic across the Waimea Rd-Tutete St intersection.

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

The plan does not consider the needs of pre-schools. This is a very lamentable oversight.

Q1. Do you agree with our proposed Speed Management Plan?

Yes we agree with reducing speed around our schools and improving safety.

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)

Q4. Select the Waikanae areas you'd like to provide feedback on:

Waikanae School

Waikanae Town Centre

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

Yes, you've got it right

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

These speed limits are only part of the solution to making the school area a safer place. We also suggest: Making a pedestrian (zebra) crossing on Winara Ave, replacing the Kea crossing. Adding a pedestrian crossing on Elizabeth Street outside the dairy. Adding a pedestrian crossing down Te Moana Road with a protected harbour in the middle. Reducing the speed around our school and adjacent streets to 30 km/hr. There is a proposal to make this variable for school times. Signage around the school streets to encourage speed reduction. Adding 'show your speed' signs leading into our school area. Fixing the Traffic lights algorithm on Elizabeth Street train crossing- The traffic flow is slow turning right into the old state highway, meaning you can be stuck there for several light cycles. Investigating opening a 2nd train line crossing at the bottom of Hira Street (North of Waikanae Station, therefore avoiding the regular train services). A bike lane down Te Moana Road. Footpaths on both sides of Te Moana Road.

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for
Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for
Waikanae Town Centre? Yes, you've got it right

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

Sorting the light algorithm to turn right out of Elizabeth Street would help reduce traffic on Marae Lane as it is quicker to turn left and go through this way currently. We would also like to see a much safer intersection around Te Moana Road, Old State Highway, Elizabeth Street for cyclists, especially if we are going to encourage bikers.

Q17. Do you agree with our proposed speed limit for
Peka Peka Road? not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide
feedback on: not answered

Q20. Do you agree with our proposed speed limit for
Ōtaki College? not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for
Ōtaki School? not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua
Mano?

not answered

Q25. Do you agree with our proposed speed limit for
Te Kura-a-iwi Whakatupuranga Rua Mano? not answered

Q26. Do you agree with our proposed speed limit
for Te Kura Kaupapa Māori o Te Rito? not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School? not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School? not answered

Q30. Do you agree with our proposed speed limit for Waitohu School? not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School? not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road? not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road? not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre? not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre? not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on: not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College? not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College? not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School? not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School? not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School? not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School? not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School? not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School?

not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

not answered

Q49. Do you agree with our proposed speed limit for Valley Road?

not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on:

not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School?

not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School?

not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College?

not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for
Raumati South Village?

not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Some important traffic management concerns are not included in part A. We would be keen to trial a one-way system around the school perimeter to see if it has a positive impact and for a second railway crossing on Hira Street. Plus some consideration for the town houses with limited parking on Utauta Street.

Q1. Do you agree with our proposed Speed Management Plan?

I cannot give a "yes" or "no" to this question.

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)

Q4. Select the Waikanae areas you'd like to provide feedback on:

Waikanae School

Waikanae Town Centre

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

Other (please specify)

Substantially "yes" but clarification please. Firstly, The "Kura School" signs are electronic and will reduce speed from 50kph to 30kph during the school times only? I imagine this to be the case but it is not explicitly stated anywhere. Secondly, make the variable times simpler - why 8:25 - make it 8:30 . Why 2:55 (!) - make it 2:45 or 3pm. This makes the signs clearer and less pedantic.

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for
Waikanae Town Centre?

Yes, you've got it right

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for
Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide
feedback on:

not answered

Q20. Do you agree with our proposed speed limit for
Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for
Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua
Mano?

not answered

Q25. Do you agree with our proposed speed limit for
Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit
for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for
St Peter Chanel School?

not answered

Paekākāriki School? not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

1. I just want to be certain. The copious NZTA material does not refer anywhere to actual speed limit , so only propose any changes to speeds that are obviously sensible such as around schools and shopping areas. For everything else, leave existing speeds. 2. You talk about traffic calming mechanisms. Remember these are de facto speed limits so they must only prevent or inhibit speed above the legal limit. They are in effect "speed limiting signs". 3. The push for reduced speed limits is often alongside what appears to be data about injuries and death, but my understanding is that most of the data does not relate to pedestrian injuries/death so let's not be dishonest or disingenuous with the figures. Popularly people point to these figures as indicating risk to pedestrians but that in fact is not the case. I suggest therefore that there is not as great a reason for any change to speed limits as might be imagined. 4. I am grateful that KCDC is not proposing the silly and incomprehensible nonsense that WCC is suggesting with 30kph general application. Have you traveled around Kapiti Coast doing only 30kph? Try it. It is extraordinarily slow and would adversely affect commercial vehicles, require a stupid rate of travel at all hours of the day and night, frustrate drivers and provide yet more revenue for the government (Police enforcement). Apart from schools and shopping areas, there is no need to alter ANY of the current speed restrictions.

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School?

You need to do more

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

I totally agree with lowering the speed limits around all schools but this particular road is like a speed track especially during the night. Many a time we are sitting in our lounge thinking 'hope nothing was crossing the road then, would'nt have made it'... A speed count was undertaken I think in November 2021 but the results didn't reflect the true picture. Cars gather speed on Gray Avenue coming off Eatwell Avenue and the using the hump by the reserve entrance and not slowing down. I would personally like either a raised pedestrian crossing at the school (like the one on Mill Road Otaki), or a chicane to slow the cars down. Something definitely needs to be done to slow cars down on this busy road

Q45. Do you agree with our proposed speed limit for Kenakena School? not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

Paekākāriki School

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

You need to do more

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

Paekākāriki is a small village with a lot of walkers and cyclists. The entire village should be 40kmph permanently. This would make it safer for existing walkers and cyclists and encourage others to get out of their cars. The proposed 30 kmph zone around the school is too small. There should also be a crossing of Wellington road at Campbell Park.

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

Paekākāriki School

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

Yes, you've got it right

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

Please also apply to Paekākāriki Playcentre, which is located on the same road.

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Paekākāriki Playcentre at 22 Wellington Road

**Respondent No:** 215**Login:** Registered**Responded At:** Jun 09, 2023 07:46:32 am**Last Seen:** Jun 10, 2023 01:22:31 am**Q1. Do you agree with our proposed Speed Management Plan?**

No. I believe the speed management plan is ill-considered and lacks proclivity. It also lacks focus and is light on vision & leadership in this extremely important area. It appears to be driven by overarching NZTA funding parameters by focussing reducing speed limits with limited focus on the management of speed & traffic calming. It certainly does not focus on what is good / needed by the community and ignores many high benefit areas. The plan has completely ignored the area of Te Moana Road between Park Avenue & Old SH1 which has one of, if not the the highest concentration of active road users in Waikanae. Council monitoring over the past five years has identified an average of around 7500 each & every day on that section of Te Moana Road, the vast majority (circa 80%) of which exceed the 50kph limit. Incidences of 70,80,90 speeds are common (up to once a minute) and occasionally exceeding 110 kph. Additional noise from this uncontrolled speed is at times well above acceptable levels (two to three times above the 50kph norm) with additional health risks from stress, anxiety, lack of sleep and loss of enjoyment from our gardens. As a residential road, with many pedestrians, children on way to school, early childhood centres, bowls club, retirement villages and the like, the road desperately needs effective speed management & traffic calming measures, as well as normal pedestrian safety facilities (there are no zebra crossings for example) and a considerably less vehicle - centric mindset than is currently being demonstrated by council officers and has been for many years. The risks of high speed are a constant theme in the Speed Management Plan. Statistics about 70% of injury crashes having speed as a factor, a death risk of 80% at 50kph are noted in the plan and yet completely ignored as regards this section of Te Moana Road where over two million vehicles are exceeding the speed limit each year. These vehicles include significant and regular numbers of large logging trucks, heavy construction vehicles and the like where the risk of death is considerably higher than cars. The road markings in the 420-470 Te Moana Road section are considerably adding to the risk, bringing these heavy vehicles very close to residents mowing berms and considerably enhancing opportunities for those who want to go fast. Likewise, Park Avenue has similarly been ignored in this speed management plan with similar safety issues. The benefit areas of Waikanae such as the noted areas of Te Moana Road and Park Road need urgent speed management/traffic calming focus and must be included in the 2024-2027 plan. To continue to exclude would go completely against the main rationale for what council is proposing. That is " Why Does Speed Management Matter" I would be more than happy to speak to Councillors on this submission if provided with that opportunity.

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)

Q4. Select the Waikanae areas you'd like to provide feedback on:

Waikanae Beach Village

Waikanae Town Centre

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School? not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village? You need to do less

Q13. Do you agree with our proposed speed limit for Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

The area identified in the Speed Management Plan does not meet the high concentration of active road users to satisfy the benefit area criteria. Traffic moments are relatively low on these streets (some would not have a traffic movement for 5 minutes or more) with most of the area characterised by very narrow streets with inherently calm traffic below. The area of Tutere street noted is already calmed with regular roundabouts and slow traffic generally 30kph or less. Instead of this low benefit area, the resources should be directed to high benefit areas where council have already identified excessive speed & unsafe conditions, particularly Te Moana Road from Park Avenue to Old SH1 where there is a very high concentration of active road users (over 2 million per annum) and Park Avenue itself.

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? You need to do more

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

The area identified for Waikanae Village needs to be considerably extended to meet the high benefit area criteria. If council is serious about speed management the area of focus for attention (saftey measures, traffic calming & a speed limit of 30 kph) should include the area bounded between and including Te Moana Road / Marae Lane, Martin Road, Kapanui Road and Omahi Street. This would ensure all the high benefit around the village including both supermarkets, all three accesses to the park & ride rather than just the Marae Lane one and the main concentration of business / commercial & restaurant/ hospitality premises.

Q17. Do you agree with our proposed speed limit for Peka Peka Road? not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q65. **Do you agree with our proposed speed limit for Paekākāriki School?** not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

The Speed Management Plan notes that safe and appropriate speeds give people the best chance of survival. There are clearly major omissions with regards to Waikanae with Te Moana Road and Park Avenue which have high concentrations of active road users being completely ignored in the plan. Continuing to do so while including low traffic volume areas in Waikanae Beach is a significant oversight, goes right to heart of speed / traffic management and compromises the overall plan and objectives. Definitely brings into question the whole process. I would be happy to speak to this submission.

Q1. Do you agree with our proposed Speed Management Plan?

Only partially

Q2. Would you like to answer on a specific area?

No

Q3. Select the Community Board Areas you would like to provide feedback on:

not answered

Q4. Select the Waikanae areas you'd like to provide feedback on:

not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School? not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road? not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

I agree with the principle of lower speed limits around schools etc during term time but many of the other lower speed limits are too broad and harder to justify, leading to delays and frustration for private and business motorists, A more targeted & justified approach should be adopted.

Paekākāriki School? not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?
not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

The main road in Waikanae is Te Moana Road. This road needs speed limitations, a crossing for school children and better parking. Large trucks should be banned and made to use the former state highway 1.

Q1. Do you agree with our proposed Speed Management Plan?

No.

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)
 Paraparaumu

Q4. Select the Waikanae areas you'd like to provide feedback on:

Kapakapanui School
 Waikanae School
 Waikanae Beach Village
 Waikanae Town Centre

Q5. Do you agree with our proposed speed limit for Kapakapanui?

You need to do less

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

Variable is fine but not permanent. At school time the roads are so slow no one can do above 20. The rest of the time please don't slow the community down. I know there is a pool there, but it's closed half the year, and has a pedestrian crossing in place. Put in the platforms if you must there, but let the other streets flow smoothly. The real risk here is completely missed. We need footpaths and safe crossings on Te Moana and Park. That will help the community 365 days per year. Stop replacing the footpaths on Tutere, Walton, Sylvan. They are fine. Put them in where there are none for kids and for elderly.

Q7. Do you agree with our proposed speed limit for Waikanae School?

You need to do less

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

Pedestrian crossing on Winara would be good. Again, traffic is slow at school time so variable is fine. The real issue, and until you address this nothing else you do will fix it, is the lack of a second railway crossing. Put on in north of the station to bypass all the commuter trains, and it will fix everything. I promise.

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

You need to do less

Q13. Do you agree with our proposed speed limit for
Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

You're trying to fix something that isn't broken. The only busy area is Longbeach to 4 Square, and traffic is always slow by necessity. Leave this area, and focus back up Te Moana where they need a crossing and a footpath.

Q15. Do you agree with our proposed speed limit for
Waikanae Town Centre? You need to do less

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

Again, you're fixing something that isn't broken. This is a arbitrary road you've picked to "do something." Head two km west down Te Moana and put in a footpath and a crossing.

Q17. Do you agree with our proposed speed limit for
Peka Peka Road? not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide
feedback on: not answered

Q20. Do you agree with our proposed speed limit for
Ōtaki College? not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for
Ōtaki School? not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua
Mano?

not answered

Q25. Do you agree with our proposed speed limit for
Te Kura-a-iwi Whakatupuranga Rua Mano? not answered

Q26. Do you agree with our proposed speed limit
for Te Kura Kaupapa Māori o Te Rito? not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School? not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School? not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road? not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre? not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

- Paraparaumu College
- Kāpiti School
- Paraparaumu Beach School
- Kenakena School
- Paraparaumu School

Q37. Do you agree with our proposed speed limit for Paraparaumu College? Yes, you've got it right

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

This is good. Why can't you do this at Kapakapanui. There is less foot-traffic outside school drop-offs in Waikanae than here.

Q39. Do you agree with our proposed speed limit for Kāpiti School? You need to do less

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

Keep it simple and stick to 30 for consistency.

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School? not answered

Q42. What feedback would you like to give us about the proposed speed limits at Our Lady of Kāpiti School?

not answered

Q43. Do you agree with our proposed speed limit for Paraparaumu Beach School? Yes, you've got it right

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School? You need to do less

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

Speed is good, but again, for consistency I don't understand why humps here but not others. My suggestion is all schools have variable 30km and no humps (because humps are a bad idea when 50 and outside school hours).

Q47. Do you agree with our proposed speed limit for Paraparaumu School? You need to do less

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School?

Variable speed

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q58. Do you agree with our proposed speed limit for
Kāpiti College?

not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College?

not answered

Q60. Do you agree with our proposed speed limit for
Raumati South Village?

not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village?

not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

My overall comments are: 1. Please be consistent and you'll get consistently better driving. Variable 30km around all schools, no humps. 2. Please put in safe crossings and footpaths on both sides of our busiest roads like Te Moana and Park. This would be the biggest tangible improvement to safety.

Paekākāriki School? not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?
not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

i'm all for protecting schools zones during school hours, id even support extending by say 200 m. I do not support blanket area wide speed restrictions. Current sppeds limits need to be enforceeed, the people that break them now will continue to break them, this just incoviences the majority of residents. Push back against Whaka Kotahi and suggest the raise the expressway limit to 110. It is an express way !!

**Respondent No:** 222**Login:** Registered**Responded At:** Jun 09, 2023 12:12:05 pm**Last Seen:** Jun 10, 2023 00:32:21 am**Q1. Do you agree with our proposed Speed Management Plan?**

No. I believe the plan is simplistic and with a primary focus on one simple metric, speed limits, rather than the wider speed management area. No serious consideration appears to have taken in developing the plan of other NZTA metrics including volume of traffic, likelihood of injury in low versus high volume traffic areas. This is most dramatically brought into focus by council indicating that for example Ngapaki Street or Hona Street in Waikanae Beach is more deserving of Speed Management than Park Avenue the section of Te Moana east of Park Avenue to Old SH1. These roads have a high concentration of active road users which better fit the criteria of high benefit areas compared to Ngapaki Street. Additionally NZTA have identified that the risk of pedestrian injury on roads such as Te Moana Road is significantly higher than that of small local roads such as Ngapaki or Hona. Additional NZTA advises that 75% of pedestrian injuries occur on roads with more than 2900 vehicles per day such as the section of road between 420 and 470 Te Moana Road, a similar length to Ngapaki Street. Daily volumes are intuitively 50 times greater on that section of Te Moana further confirming a significantly higher risk profile. Additionally many of the traffic calming examples mentioned in the plan for future use appear at odds with current best practice. The plan certainly does not focus on what is good / needed by the community and ignores many high benefit areas. Council monitoring over the past five years has identified an average of around 7500 each & every day on the 420 - 470 section of Te Moana Road, the vast majority (circa 80%) of which exceed the 50kph limit. Incidences of 70,80,90 speeds are common (up to once a minute) and occasionally exceeding 110kph. Additional noise approaching 100 db from this above 50kph speeding is a major health risk As a residential road, with many pedestrians, children on way to school, early childhood centres, bowls club, retirement villages and the like, the road desperately needs effective speed management & traffic calming measures, as well as normal pedestrian safety facilities (there are no zebra crossings for example) and a considerably less vehicle - centric mindset than is currently being demonstrated by council officers and has been for many years. The risks of high speed are a constant theme in the Speed Management Plan. Statistics about 70% of injury crashes having speed as a factor, a death risk of 80% at 50kph are noted in the plan and yet completely ignored as regards this section of Te Moana Road where over 4000 vehicles passing each house EVERY day are exceeding the speed limit each year. Council officers have noted a high incidence of over 61 kph traffic which has an even higher above 90% death rate. These speeding vehicles include significant and regular numbers of large logging trucks, heavy construction vehicles and the like where the risk of death is considerably higher than cars. The road markings in the 420-470 Te Moana Road section are considerably adding to the risk, bringing these heavy vehicles very close to residents mowing berms and considerably enhancing opportunities for those who want to go fast. The high benefit areas of Waikanae such as the noted areas of Te Moana Road and Park Road need urgent "best practice" speed management/traffic calming focus and must be included in the 2024-2027 plan. To continue to exclude would go completely against the main rationale for what council is proposing. That is " Why Does Speed Management Matter"

Q2. Would you like to answer on a specific area?

Yes

Q3. Select the Community Board Areas you would like to provide feedback on:

Waikanae (includes Peka Peka)

Q4. Select the Waikanae areas you'd like to provide feedback on:

Waikanae Beach Village
Waikanae Town Centre

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. **Do you agree with our proposed speed limit for Waikanae School?** not answered

Q8. **What feedback would you like to give us about the proposed speed limits at Waikanae School?**

not answered

Q9. **Do you agree with our proposed speed limit for Te Horo School?** not answered

Q10. **What feedback would you like to give us about the proposed speed limits at Te Horo School?**

not answered

Q11. **What feedback would you like to give us about the proposed speed limits at Te Horo Beach?**

not answered

Q12. **Do you agree with our proposed speed limit for Waikanae Beach Village?** You need to do less

Q13. **Do you agree with our proposed speed limit for Te Horo Beach?** not answered

Q14. **What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?**

The area identified in the Speed Management Plan does not meet the high concentration of active road users to satisfy the benefit area criteria. It would also be considered a low risk area under NZTA risk management compared to high traffic volume roads such as Te Moana Road and Park Avenue. Traffic moments are relatively low on these streets (some would not have a traffic movement for 5 minutes or more) with most of the area characterised by very narrow streets with inherently calm traffic below. The area of Tutere street noted is already calmed with regular roundabouts and slow traffic generally 30kph or less. Instead of this low benefit area, the resources should be directed to high benefit areas where council have already identified excessive speed & unsafe conditions, particularly Te Moana Road from Park Avenue to Old SH1 where there is a very high concentration of active road users of around 7000 per day and Park Avenue itself.

Q15. **Do you agree with our proposed speed limit for Waikanae Town Centre?** You need to do more

Q16. **What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?**

The area identified for Waikanae Village needs to be considerably extended to meet the high benefit area criteria. If council is serious about speed management the area of focus for attention (saftey measures, traffic calming & a speed limit of 30 kph) should include the area around the village including both supermarkets, all three accesses to the park & ride rather than just the Marae Lane one and the main concentration of business / commercial & restaurant/ hospitality premises.

Q17. **Do you agree with our proposed speed limit for Peka Peka Road?** not answered

Q18. **What feedback would you like to give us about the proposed speed limits at Peka Peka Road?**

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

The Speed Management Plan notes that safe and appropriate speeds give people the best chance of survival. There are clearly major omissions with regards to Waikanae with Te Moana Road and Park Avenue which have high concentrations of active road users being completely ignored in the plan. Continuing to do so while including low traffic volume areas in Waikanae Beach is a significant oversight, goes right to heart of speed / traffic management and compromises the overall plan and objectives. Definitely brings into question the whole process.

**Respondent No:** 223**Login:** Registered**Responded At:** Jun 09, 2023 13:13:51 pm**Last Seen:** Jun 09, 2023 02:23:49 am**Q1. Do you agree with our proposed Speed Management Plan?**

No. The Speed Management Plan has completely ignored one of the highest risk areas in Waikanae, namely the section of Te Moana Road between the intersection of Park Avenue and Old SH1. This area of Te Moana Road is characterised by very high traffic volumes of around 7000 vehicles per day, excessive speeds as identified by council officers and yet had been specifically excluded. Council monitoring over the past 7 years has consistently recorded 75% to 80% of traffic exceeding 51kph with between 700 to 1000 vehicles per day travelling 60kph or above. Speeds of 70, 80, 90 are regularly recorded and occasionally in the range of 100 to 120 kph. It is without doubt a high benefit area with a high concentration of active road users. Council inaction to address multiple safety issues, some of which have been caused (according to advises our group have received from a TM expert) by using other than best practice in road marking design and not providing sufficient safe crossing points for pedestrians. Not including Te Moana Road in the Safety Management Plan significantly & further compromises the risk to all on & around Te Moana Road and ignores some of the key metrics on pedestrian safety published by NZTA. These include the fact that 75% of pedestrian accidents occur on roads with daily traffic volumes of above 2900 per day and the additional risk of this excessive speed. The speed management plan identifies the risk of death v impact speed of 70% at 50kph. With over 80% of traffic between 420 and 470 Te Moana Road (and similar to the West) travelling in excess of 50kph the risk to pedestrians, cyclists is above 70% risk of death and approaches 95% of death for the frequent traffic speeds in the 60 to 75 kph level. Te Moana Road contains early childhood centres, a retirement village, a good proportion of elderly, a Bowls club and is frequently used by primary and secondary school students to get to and from school. All these groups are defined as at risk by NZTA with above 65s having a similar risk profile to primary age children. Te Moana Road between Park Road and Old SH 1 must be included in the Speed Management Plan for urgent action between 2024 and 2027 if not sooner. To do otherwise would completely go against the core context of the Speed Management Plan to provide safe and appropriate speeds which is clearly not the case on this section of Te Moana Road currently.

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

The Te Moana Road Safety Group strongly advocate for the section of Te Moana Road between Park Avenue and Old SH1 to be included in the 2024 to 2027 Kapiti Coast Speed Management Plan with urgent attention given to effective practical physical traffic calming and pedestrian/ cyclist safety measures to ensure the greater majority of vehicles travel under 50kph. Road markings to narrow the road carriageway, raised zebra crossings every 800 metres and prominent signage are seen as minimum requirements along with restrictions on heavy traffic using Te Moana Road as a through route.

Q1. Do you agree with our proposed Speed Management Plan?

yes; it will make the roads and footpaths safer for all users in the areas concerned

Q2. Would you like to answer on a specific area? Yes

Q3. Select the Community Board Areas you would like to provide feedback on: Waikanae (includes Peka Peka)

Q4. Select the Waikanae areas you'd like to provide feedback on: Waikanae Town Centre

Q5. Do you agree with our proposed speed limit for Kapakapanui? not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School? not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School? not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village? not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach? not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre? You need to do more

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

The speed limit along the old Main Road between Te Moana Road and New World should be reduced from 50 kmh/hr. Motorists run the newly installed red lights outside Waikanae train station. If I wasn't careful I would have got bowled by a motorist who ignored a red light. Motorists still speed when entering / exiting the 50k/hr zone. I hear them from where I live and see them. This mainly happens outside daylight hours.

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

I would like to see something done about the traffic on Hemi Street, Waikanae. It has become busier and busier over the 8 years I have lived on the street, which has been compounded by a continual flow of heavy haulage, trucks, diggers and equipment to service new subdivisions at Waikanae North and latterly Manu Park. Trucks and tradies in their signwritten vehicles take the corner - both north and south bound from the old main road, and Parata street, at speed. Intercity coaches, Countdown and New World trucks all use Hemi Street in both directions. Some motorists cut the corner, making it hazardous for anyone crossing the road with a pushchair, pram, dog, or walking alone. Last week someone took the corner so fast they left tyre marks on the grass outside 2 Hemi Street.

Q1. Do you agree with our proposed Speed Management Plan?

While I support the proposals for variable 30km speed restrictions around schools immediately before and after schools, I do not agree with permanent restrictions, where a school is the driver for the reduction. The use of a school being the incentive to reduce speed limits, should not be used to just implement speed limits reductions across the wider Kapiti road network by stealth. Any speed limit reductions need to be aimed to address an actual issue and be imposed only when applicable. While variable restrictions (immediately before and after school) directly adjacent to schools makes sense, imposing permanent restrictions that is required 4.5% of the time does not (based on 396hrs per year, an hour before and after school for the 198 school days, out of the 8,760hrs in the year). An example is Te Rā Waldorf School and Te Rāwhiti Kindergarten proposal

Q2. Would you like to answer on a specific area?

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road?

not answered

Q51. Select the Raumati areas you'd like to provide feedback on: Te Rā Waldorf School and Te Rāwhiti Kindergarten

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? You need to do less

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten?

I support a variable restriction of 30km in this area, but not the proposed permanent reduction that is proposed. There are no other reasons that would prompt reduced speed in this area outside the period immediately before and after school. I am at a loss as to understanding what would have initiated the proposed permanent 30km speed limit as this was neither highlighted in the report nor obvious to anyone in the area, especially as this is not built up or has any other facilities with access from this stretch of road. The reduced speed limit will cause frustration for any driver using this road for the reasons listed above.

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School?

not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School?

not answered

Q1. Do you agree with our proposed Speed Management Plan?

No.

Q2. Would you like to answer on a specific area?

No

Q3. Select the Community Board Areas you would like to provide feedback on:

not answered

Q4. Select the Waikanae areas you'd like to provide feedback on:

not answered

Q5. Do you agree with our proposed speed limit for Kapakapanui?

not answered

Q6. What feedback would you like to give us about the proposed speed limits at Kapakapanui?

not answered

Q7. Do you agree with our proposed speed limit for Waikanae School?

not answered

Q8. What feedback would you like to give us about the proposed speed limits at Waikanae School?

not answered

Q9. Do you agree with our proposed speed limit for Te Horo School?

not answered

Q10. What feedback would you like to give us about the proposed speed limits at Te Horo School?

not answered

Q11. What feedback would you like to give us about the proposed speed limits at Te Horo Beach?

not answered

Q12. Do you agree with our proposed speed limit for Waikanae Beach Village?

not answered

Q13. Do you agree with our proposed speed limit for Te Horo Beach?

not answered

Q14. What feedback would you like to give us about the proposed speed limits at Waikanae Beach Village?

not answered

Q15. Do you agree with our proposed speed limit for Waikanae Town Centre?

not answered

Q16. What feedback would you like to give us about the proposed speed limits at Waikanae Town Centre?

not answered

Q17. Do you agree with our proposed speed limit for Peka Peka Road?

not answered

Q18. What feedback would you like to give us about the proposed speed limits at Peka Peka Road?

not answered

Q19. Select the Ōtaki areas you'd like to provide feedback on:

not answered

Q20. Do you agree with our proposed speed limit for Ōtaki College?

not answered

Q21. What feedback would you like to give us about the proposed speed limits at Ōtaki College?

not answered

Q22. Do you agree with our proposed speed limit for Ōtaki School?

not answered

Q23. What feedback would you like to give us about the proposed speed limits at Ōtaki School?

not answered

Q24. What feedback would you like to give us about the proposed speed limits at Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q25. Do you agree with our proposed speed limit for Te Kura-a-iwi Whakatupuranga Rua Mano?

not answered

Q26. Do you agree with our proposed speed limit for Te Kura Kaupapa Māori o Te Rito?

not answered

Q27. What feedback would you like to give us about the proposed speed limits at Te Kura Kaupapa Māori o Te Rito?

not answered

Q28. Do you agree with our proposed speed limit for St Peter Chanel School?

not answered

Q29. What feedback would you like to give us about the proposed speed limits at St Peter Chanel School?

not answered

Q30. Do you agree with our proposed speed limit for Waitohu School?

not answered

Q31. What feedback would you like to give us about the proposed speed limits at Waitohu School?

not answered

Q32. Do you agree with our proposed speed limit for Riverbank Road?

not answered

Q33. What feedback would you like to give us about the proposed speed limits at Riverbank Road?

not answered

Q34. Do you agree with our proposed speed limit for Ōtaki Town Centre?

not answered

Q35. What feedback would you like to give us about the proposed speed limits at Ōtaki Town Centre?

not answered

Q36. Select the Paraparaumu areas you'd like to provide feedback on:

not answered

Q37. Do you agree with our proposed speed limit for Paraparaumu College?

not answered

Q38. What feedback would you like to give us about the proposed speed limits at Paraparaumu College?

not answered

Q39. Do you agree with our proposed speed limit for Kāpiti School?

not answered

Q40. What feedback would you like to give us about the proposed speed limits at Kāpiti School?

not answered

Q41. Do you agree with our proposed speed limit for Our Lady of Kāpiti School?

not answered

Q44. What feedback would you like to give us about the proposed speed limits at Paraparaumu Beach School?

not answered

Q45. Do you agree with our proposed speed limit for Kenakena School?

not answered

Q46. What feedback would you like to give us about the proposed speed limits at Kenakena School?

not answered

Q47. Do you agree with our proposed speed limit for Paraparaumu School? not answered

Q48. What feedback would you like to give us about the proposed speed limits at Paraparaumu School? not answered

Q49. Do you agree with our proposed speed limit for Valley Road? not answered

Q50. What feedback would you like to give us about the proposed speed limits at Valley Road? not answered

Q51. Select the Raumati areas you'd like to provide feedback on: not answered

Q52. Do you agree with our proposed speed limit for Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q53. What feedback would you like to give us about the proposed speed limits at Te Rā Waldorf School and Te Rāwhiti Kindergarten? not answered

Q54. Do you agree with our proposed speed limit for Raumati Beach School? not answered

Q55. What feedback would you like to give us about the proposed speed limits at Raumati Beach School? not answered

Q56. Do you agree with our proposed speed limit for Raumati South School? not answered

Q57. What feedback would you like to give us about the proposed speed limits at Raumati South School? not answered

Q58. Do you agree with our proposed speed limit for Kāpiti College? not answered

Q59. What feedback would you like to give us about the proposed speed limits at Kāpiti College? not answered

Q60. Do you agree with our proposed speed limit for Raumati South Village? not answered

Q61. What feedback would you like to give us about the proposed speed limits at Raumati South Village? not answered

Q62. Do you agree with our proposed speed limit for
Raumati Beach Village?

not answered

Q63. What feedback would you like to give us about the proposed speed limits at Raumati Beach Village?

not answered

Q64. Select the Paekākāriki areas you'd like to
provide feedback on:

not answered

Q65. Do you agree with our proposed speed limit for
Paekākāriki School?

not answered

Q66. What feedback would you like to give us about the proposed speed limits at Paekākāriki School?

not answered

Q67. Are there any further comments you'd like to make about our Speed Management Plan?

Waste of time and effort. Not asked for by the community, but rather central government.

Last Seen: Jun 26, 2023 01:03:18 am

Q1. Rank the options in order of your preference
(with 1 being your preferred option)

1. Road corridors
2. Expand areas
3. Expand school zones
4. Reduce speeds on all roads

Q2. What other options for implementing safe and appropriate speeds on the Kāpiti Coast could be considered?

More traffic calming measures along with wider footpaths to facilitate the expansion of the shared pathway network. There is also a need to put in place additional crossing points and pedestrian refuges along Manly Street. I would also suggest that for option 3, many of the smaller local roads - especially the more narrow ones north of Paraparaumu Beach township, would be more suited for 30km/h speed limits. If you take the example of the streets that run between Golf Road and Manly Street, these are narrow streets, often barely able to accommodate two cars, and as such a slower speed limit on them would be appropriate..

Q3. Are you interested staying up to date regarding

Q1. Rank the options in order of your preference
(with 1 being your preferred option)

1. Road corridors
2. Expand school zones
3. Expand areas
4. Reduce speeds on all roads

Q2. What other options for implementing safe and appropriate speeds on the Kāpiti Coast could be considered?

Red light traffic cameras. So many red light runners. I completely oppose any reduction in speed to local roads, neighbourhoods etc. rather improve pedestrian refuges, bike lanes etc. No more traffic lights please!!!

Q1. Rank the options in order of your preference 1.
(with 1 being your preferred option)

Q2. What other options for implementing safe and appropriate speeds on the Kāpiti Coast could be considered?

Wow question 1 is poorly designed as it does not give an option to object to all the options (so I have not answered, they are all bad options which I do not support). The Part A proposals are sensible and respond to known safety risks at peak times around schools. There is no evidence of safety issues for most of these areas outside these times. If you were taking a risk based approach, I suggest the Council should consider putting variable speed restrictions around sports fields and netball courts on Saturdays or at peak sports times - driving around the netball courts and surrounding streets on a Saturday morning is a pretty hazardous exercise. The 2.5 km zone around Paraparaumu College is pretty quiet and sleepy outside peak school travel times and it's difficult to see why any reduced speed limit could possibly be justified. The same applies to other residential streets in the district.

Q1. **Rank the options in order of your preference**
(with 1 being your preferred option)

1. Expand school zones
2. Expand areas
3. Road corridors
4. Reduce speeds on all roads

Q2. **What other options for implementing safe and appropriate speeds on the Kāpiti Coast could be considered?**

First it would be helpful to know how 'safe' and 'appropriate' are being defined, by what process, with what real time data (not modelling as that is unreliable and tainted by the entry parameters). Who, or what corporation, sets the definition of the very vague and broad terms 'safe' and 'appropriate'?

Q3. **Are you interested staying up to date regarding** Yes
our Speed Management plan?

Q1. **Rank the options in order of your preference**
(with 1 being your preferred option)

1. Road corridors
2. Expand school zones
3. Expand areas
4. Reduce speeds on all roads

Q2. **What other options for implementing safe and appropriate speeds on the Kāpiti Coast could be considered?**

What are the facts - how many vehicle accidents happen due to speed? How many pedestrians are injured or killed due to vehicles speeding? What investigation has KCDC conducted in regard to additional CO2 being produced by cars travelling at a lower speed than the optimal efficiency as defined by vehicle manufacturers? Is KCDC trying to fix something that doesn't need fixing.

Q3. **Are you interested staying up to date regarding** Yes
our Speed Management plan?

**Q1. Rank the options in order of your preference
(with 1 being your preferred option)**

1. Road corridors
2. Expand areas
3. Expand school zones
4. Reduce speeds on all roads

Q2. What other options for implementing safe and appropriate speeds on the Kāpiti Coast could be considered?

Since when is 50KM not an appropriate speed, excluding around school zones. children are on the streets going to and from school for a maximum of 2 hours a day. We have school zones for this reason. Outside of school zones already have appropriate speed.

**Q3. Are you interested staying up to date regarding

Q1. **Rank the options in order of your preference** (with 1 being your preferred option)

1. Road corridors

Q2. **What other options for implementing safe and appropriate speeds on the Kāpiti Coast could be considered?**

Enforce existing rules or replace "passive" signage with appropriate traffic management systems! e.g. Few vehicles actually stop at the Stop sign on the intersection of Rosetta Rd with Poplar Av. A speed hump and pedestrian crossings are required to manage traffic safely.

Q3. **Are you interested staying up to date regarding our Speed Management plan?**

Yes

Q1. Rank the options in order of your preference
(with 1 being your preferred option)

1. Reduce speeds on all roads

Q2. What other options for implementing safe and appropriate speeds on the Kāpiti Coast could be considered?

Stop this nonsense, you have purposely misled the community with your survey, there is no options to provide negative feedback or challenge your stupid thinking - you're hellbent on believing the nonsense NZTA are pushing on you - stand up and resist and ask for detailed data on police reporting of death and serious injury statistics, and challenge to notion that 30kph is safer - its not the speed that causes accidents always its more often distraction or impatience by drivers in a hurry. More education and support not rules is a better approach.

Q3. Are you interested staying up to date regarding our Speed Management plan?

No

**Respondent No:** 64**Login:** Registered**Responded At:** May 26, 2023 10:42:08 am**Last Seen:** May 64, 2023 00:64:64 am

Q1. **Rank the options in order of your preference**
(with 1 being your preferred option)

1. Expand school zones

Q2. **What other options for implementing safe and appropriate speeds on the Kāpiti Coast could be considered?**

Records do not indicate inappropriate speeds are a major problem or have caused large number of vehicle accidents hence the reduction in speed proposed is more likely to cause major policing problems. Such reductions may also hamper bus services in the District and slow traffic to dangerous outcomes.

Q3. **Are you interested staying up to date regarding**
our Speed Management plan?

Yes

Q4. **Name**

Q5. **Email**

Q6. **Phone number**

Q1. Rank the options in order of your preference
(with 1 being your preferred option)

1. Road corridors
2. Expand school zones
3. Expand areas
4. Reduce speeds on all roads

Q2. What other options for implementing safe and appropriate speeds on the Kāpiti Coast could be considered?

Absolutely none. There are very few accidents because of speed around Kapiti. The problem is too many lights and roundabouts that influence traffic congestion and impatience.

Q1. **Rank the options in order of your preference** 1.
(with 1 being your preferred option)

Q2. **What other options for implementing safe and appropriate speeds on the Kāpiti Coast could be considered?**

The public expectation of roads is that they will generally be the maximum open road speed limit or the maximum urban speed limit with some but very limited exceptions eg 70kph where transitioning from open to urban or reverse. Any variation on this is admission of failure on the part of the parties responsible, that is, New Zealand Transport or local councils, and should be accompanied by appropriate resignations or sackings. I am opposed to each and every one of the options outlined in Question 1 Any attempt to obstruct traffic flow on New Zealand's roads is an offence with the responsible parties being appropriately prosecuted IF it is considered that roads in this district are not adequate for the existing speed limits then it is the responsibility of and incumbent upon New Zealand Transport and or the council to improve the roads appropriately including, for schools, adequate off street parking for pickups and drop offs and barriers to prevent children encroaching onto the road IF council is legally obliged to follow New Zealand Transport directives, I would like to know what law is contravened if the council refrains from doing so and of course, New Zealand Transport MUST meet the costs arising, not ratepayers that don't want these draconian, infantile and stupid restrictions; they'll want to bring back cars being preceded by someone carrying a red flag next!

**Q1. Rank the options in order of your preference
(with 1 being your preferred option)**

1. Reduce speeds on all roads
2. Expand school zones
3. Expand areas
4. Road corridors

Q2. What other options for implementing safe and appropriate speeds on the Kāpiti Coast could be considered?

More raised crossing as a part of all shared paths. Currently, it is inconvenient and dangerous to cross the road on a bicycle from one section of a shared path to another. For people in wheelchairs, like my mother, the lack of a raised crossing makes it very difficult for her to cross the road. Raised crossings are also excellent for traffic calming and should be adopted as widely as possible.

**Q3. Are you interested staying up to date regarding

1. Road corridors
2. Expand school zones
3. Expand areas
4. Reduce speeds on all roads

Q2. **What other options for implementing safe and appropriate speeds on the Kāpiti Coast could be considered?**

With respect to by Paraparaumu College we would like to see the bus stop directly opposite the school moved to by the new proposed zebra crossing (which we completely endorse as part of Plan A, this was not included in our response to Part A, so please include these comments). So yes to the new zebra crossing proposal, the improvements to crossing and variable speed limits in part A!!! Also, our big issue is students will walk across the road to the bus stop and a second crossing, with accompanying bus stop being moved adjacent to it will help in this respect. the appropriate distance will need to be considered, but we'd suggest even slightly east, so students walk down to the crossing

**Q1. Rank the options in order of your preference
(with 1 being your preferred option)**

1. Road corridors
2. Expand areas
3. Expand school zones
4. Reduce speeds on all roads

Q2. What other options for implementing safe and appropriate speeds on the Kāpiti Coast could be considered?

Reminder signs i.e., electronic speed signs that flash when you exceed the limit. A focus on pedestrians and cyclist - Encouraging safety programs at school (may be there now). Maybe cyclist encouraged to wear fluorescent vests, even make it law. As an observation I have noticed that people walk up to a pedestrian crossing and walk straight out and expect cars to stop. The safety awareness of stop, look, listen and live not always observed as they should compared to wait until they are sure the car sees them not the pedestrian sees the car.

**Q3. Are you interested staying up to date regarding

Q1. Rank the options in order of your preference
(with 1 being your preferred option)

1. Expand school zones
2. Road corridors
3. Expand areas
4. Reduce speeds on all roads

Q2. What other options for implementing safe and appropriate speeds on the Kāpiti Coast could be considered?

no other options

Q3. Are you interested staying up to date regarding
our Speed Management plan?

No

Q4. Name

not answered

Q5. Email

not answered

Q6. Phone number

not answered

Q7. Are you submitting as an individual or on behalf
of a organisation?

Individual

Q8. Organisation name

**Respondent No:** 85**Login:** Registered**Responded At:** Jun 06, 2023 10:25:03 am**Last Seen:** Jun 06, 2023 00:85:85 am

Q1. **Rank the options in order of your preference**
(with 1 being your preferred option)

1. Expand areas
2. Reduce speeds on all roads
3. Road corridors
4. Expand school zones

Q2. **What other options for implementing safe and appropriate speeds on the Kāpiti Coast could be considered?**

only limits speeds near busy areas like schools

Q3. **Are you interested staying up to date regarding**
our Speed Management plan?

No

Q4. **Name**

not answered

Q5. **Email**

Q1. Rank the options in order of your preference
(with 1 being your preferred option)

1. Road corridors
2. Expand school zones
3. Expand areas
4. Reduce speeds on all roads

Q2. What other options for implementing safe and appropriate speeds on the Kāpiti Coast could be considered?

Are current speeds causing injuries or deaths in Kapiti? If not, make it easier for pedestrians to cross roads and leave the speeds as they are.

Q3. Are you interested staying up to date regarding
our Speed Management plan? Yes

Q4. Name

Q5. Email

Q6. Phone number

Q7. Are you submitting as an individual or on behalf
of a organisation? Individual

Q8. Organisation name not answered

Q1. **Rank the options in order of your preference**
(with 1 being your preferred option)

1. Road corridors
2. Reduce speeds on all roads
3. Expand school zones
4. Expand areas

Q2. **What other options for implementing safe and appropriate speeds on the Kāpiti Coast could be considered?**

Provide reduced speed limits on all roads that have cycle lanes or significant cycle usage. All roads outside corridors to be 30km. All corridors to have pedestrian and cycle crossing points at regular intervals, especially at blind corners. Weggery Road from Queens Road to Te Moana should be a 30 km limit.

Q3. **Are you interested staying up to date regarding** Yes
our Speed Management plan?

**Q1. Rank the options in order of your preference
(with 1 being your preferred option)**

1. Expand school zones
2. Expand areas
3. Road corridors
4. Reduce speeds on all roads

Q2. What other options for implementing safe and appropriate speeds on the Kāpiti Coast could be considered?

The old State Highway and country roads in the area are already low enough - if you drop any lower than 80km/h on what used to be 100km/h roads, it's just impeding people moving around the district, and sucking the life out of travelling around the district/increasing frustration.

Q1. **Rank the options in order of your preference**
(with 1 being your preferred option)

1. Road corridors
2. Expand areas
3. Expand school zones
4. Reduce speeds on all roads

Q2. **What other options for implementing safe and appropriate speeds on the Kāpiti Coast could be considered?**

Nothing. This is not broken and the measures in part A are what you need. You could consider safe crossing point on Guildford, but otherwise put variable limits around schools and stop trying to fix things that are not broken. I have not seen evidence of pedestrian/scooter deaths that would be saved by these changes.

(with 1 being your preferred option)**

1. Road corridors
2. Expand areas
3. Expand school zones
4. Reduce speeds on all roads

Q2. What other options for implementing safe and appropriate speeds on the Kāpiti Coast could be considered?

This submission is to record that 650 (potentially more by close of submissions) people have signed my petition opposing blanket speed reductions, in particular options 4 and 1. They signed based on the following statement: "Blanket speed limit reductions won't make our roads any safer and will only make it slower to get around Kapiti and Horowhenua. National opposes blanket speed limit reductions, and prefers a targeted approach that increases genuine safety in the right places, and improves the quality of our roads. Kiwis want safer roads, not slower roads. Please sign our petition to tell Labour to leave speed limits alone and instead invest in real improvements to our roads to save lives." Please take this submission as 650 separate submissions opposing option 4 and 1. I'm happy to provide a copy as required.

(with 1 being your preferred option)

1. Expand school zones
2. Road corridors
3. Expand areas
4. Reduce speeds on all roads

Q2. **What other options for implementing safe and appropriate speeds on the Kāpiti Coast could be considered?**

More engagement about how road and footpath users can share the road/footpaths/bridle ways. There's a lot of animosity on local social media pages about cyclists, traffic lights, new road layout. Everyone is a traffic engineer. Perhaps take your drop in sessions to employers rather than expecting people to come to you.

KCDC Speed Management Plan – 2023 to 2033

(09-08-2023)

**Submission Summary
Haveyoursay e-mails
(Attachment 7)**

Page left intentionally blank.

INTRODUCTION

Table 1: Haveyoursay e-mails – Part A

Otaki	Site U: Riverbank Road	Just make it all 50km/hr from State highway one to Aotaki
Raumati	Site V: Raumati South Village	I would like the Council to consider extending the 30km zone around the Raumati south village 250m up all side streets to create a slow area.
Raumati	Site V: Raumati South Village	I would also like to see a raised pedestrian crossing put across the start of Rosetta Rd (outside #1) to help manage speed
Paraparaumu	Site G: Our lady of Kapiti school	...and from what we can see on your plans and maps, it is your intent to turn Milne Drive and all surrounding streets into a 30km/h zone. We fail to see the necessity or rationale behind such a move and strongly object to such a move.
Raumati	Site W: Raumati Beach Village	I live in the vicinity of the Raumati Village which has 30km signs approaching the village on Rosetta Road, Raumati Road, Alexander Road and Matatua Road. Very rarely are these signs recognised or taken into account. I recently counted 100 cars on Matatua Road, in to 30km zone, in approximately 10 minutes, and only 1 of those abided by the 30km speed limit. I see school buses, trucks, cars, work vans, taxis, even police cars (although I expect they have an exemption) speeding through the village. So, I reiterate – don't bring any speed limit changes, until they can be monitored and adhered to. Otherwise, it's just a time and cost waster.
Paekakariki	Site A: Paekakariki School	My recollection as when we talked at the Council table, we stated a preference of signalling we'd like to see a 30km blanket speed across Paekakariki in the longer term.
Otaki	Site U: Riverbank Road	I am a homeowner on Riverbank Road extension and welcome the speed limit to be dropped, PLEASE!!! At least twice yearly we are replacing parts of our fence due to drivers losing control of their car. It's costing us a fortune. Police no longer show up. We've had drunk drivers, underage drivers, motorcyclists and then the drivers that flee the scene. Our fences are electric because of the cows we keep in the paddock. It's only a matter of time until someone is severely injured, or worse. With the growing population we now have more walkers on the grassy verge and a lot more people riding bicycles. Plus, we now have logging trucks go past starting at 5:30am. I read that you are considering the speed limit change from 70 to 60 but I ask you to consider 50km and possibly a speed bump on the corner? Too many boy racers at the moment are testing their talents using the road as a drag strip. If you won't change the limit to 50, please advise who I can start sending my fence repair bills to.

Paraparaumu	Site CC: Pekapeka Road	<p>"Peka Peka rd, currently 80k, past Harrisons cafe just 60k, at the top of the road, beach end, drops down to 50k all the way into Waikanae. It makes no sense for Peka Peka rd to be 80k, it is very narrow with increasing numbers of cyclists from the recently added cycle lanes meeting at Harrisons, many of these cyclists want to visit the beach unfortunately Peka Peka rd is very narrow two car widths and a cyclist just will not fit, a reduction in the speed limit to 50k linking up to the existing 50k all the way into Waikanae would make sense and reduce the number of near misses I have witnessed, I realize a cycle track would be great but that is another issue,</p>
Waikanae	Site CC: Pekapeka Road	<p>Specifically, areas like Peka Peka Road are safe at 80 kph. I live there and use that road often. I know it is used by cyclists and I am happy to slow down and travel behind them till it is safe to pass. The volume of bikes and cars on this road is not so large that this is not doable, and if car drivers and cyclists are both aware it works. On this road I think some speed humps in the last block at the beach would be better value, to slow down the vehicles driving to (and on) the beach, often in large numbers and at huge speeds. Signage and rules will not slow these sorts of vehicles down. They are the most dangerous on this road.</p>
Otaki	Site U: Riverbank Road	<p>Thank you very much for your reply. It is great to see Backyard Kids has already been taken into consideration. I am supportive of the change and would like to make a submission - do I do this here haveyoursay@kapiticoast.govt.nz?</p>
Waikanae	Site X: Waikanae Beach Village	<p>Thank you for this opportunity. I completely agree with all that is planned. However, I am concerned about the time frame. The area along Tutere St from Rangiharoa St to Hemara St is very busy all summer, especially weekends and I would like to see 30 k speed notices as soon as possible. I live in this area and every weekend in summer I see dangerous situations around vertical parking, speeding cars and small children.</p>

Waikanae	Site L: Kapakapanui School	My daughter and grand children live on Ngarara road and park Ave in Waikanae. They have elderly neighbours and young families as neighbours. Firstly, there is no footpath on the eastern side near the exit from Russell Reserve. Secondly people fly around the two corners from Belvedere and from Te Moana. We have nearly been hit with the pram over ten times and have to run across it fast as there's no visibility for cars coming from the Te Moana end towards Belvedere. And vv. Given there's a park, the market and a school plus people walking and biking thru Russell-reserve it is an accident in the making. With all the Summerset and Anderson Park construction traffic it is really bad. I suggest a direct consultation with people in that area and a lower speed for Ngarara road and more speed bumps. The intersection with Park Ave is especially dangerous. A pedestrian crossing for kids near the park may help. Kids go to the park after school. It's a very busy area. Please can you look at it.
Waikanae	Site X: Waikanae Beach Village	It is almost winter, and I am writing a letter to update and inform you of what is happening in this neighborhood. The traffic multiplied this summer, and with it many drivers were disobeying the speed limit. One day there was a group of about 25 motorcyclists parked around Long Beach Cafe. Suddenly, they began racing up the street toward the expressway, three alongside each other. Their speed is hard to gauge but it must have been close to 80 km/h. Some of the group were shooting video of the disturbance before they got to their bikes and joined the race. It was frightening and intimidating enough for me to call the police. Since then, there have been many instances of people using the street as a warmup before the expressway as well as what looks like a victory lap around the Tutere street roundabout. At this time many people and kids were going to the beach and not paying much attention to the oncoming traffic. I have seen close calls even on Sunday, in front of the Hall when the market is on. Most of the incidents I am describing took place over the weekend, Sunday afternoon being the most frequent occurrence. We had a few weeks of respite from speeding cars and motorcycles while the repairs of the water drainage were going on Rauparaha street. The speed limit was 30 km and for the most part people obeyed it. The minute the speed limit went back to 50 km, and the traffic cones disappeared, drivers went back to speeding.

Raumati	Site B: Te Ra Waldorf School and Te Rawhiti Kindergarten	There are known safety and speed risks on this road so there is no valid reason to delay this into 2024-2027. 2. This road is the only connector between Raumati South and SH1 so it's strategic utility (peri[1] urban) should therefore be recognised. Outside of school start/ends it makes sense to maintain it at 50km/h, permanently reducing to 30 km/h undermines its acceptability and compliance. 3. On the basis of the above item the hump H is not required. Threshold T could be designed to visually narrow the road but retain a 50/30km/h speed option. 4. For consistency and safety extend the calmed school zone 30km/h to Mātai Rd. 5. Deliver the Ped/Cycle crossing shown on Poplar Ave in the image before 2024. Current data (provided to Raumati Community Board) shows speeds in excess of 50km/h regularly being recorded on the crossing. This is still an unsafe crossing place. 6. Drop to permanent 30km/h on the approach to the new crossing and to west on Poplar Ave.
Raumati	Site C: Raumati Beach School	As the Raumati Beach shops are already a permanent 30km/h zone there is no need to defer extending this permanent 30km/h along Raumati Rd past the school until after 2024. This is especially urgent with the proposed supermarket in Raumati Rd. 2. There are significant school related movements on Weka / Huia / Kiwi close to the school so make it a permanent 30km/h south of Huia Rd. This reinforces a low speed 'education precinct' environment; there are also community play facilities here that will also benefit from the lower speed. 3. Raumati Road has two adjacent schools – it is a 'education precinct' – so extend the 30km/h in front of Kāpiti College making it 30km/h as far as Hillcrest roundabout (school hours only). 4. Move T to Hillcrest roundabout
Raumati	Site H: Kapiti College	Extend variable 30km/h to Hillcrest / Raumati Rd roundabout and to Hillcrest/Telford Way. This provides a consistent 30 km/h precinct during key school hours. Leaving a higher speed (less safe for children) gap from 135 Hillcrest to Kiwi Rd is not sensible
Raumati	Site V: Raumati South Village	Dropping to 30km/h make sense and reflects usage, geometry, and character of the road.
Raumati	Site W: Raumati Beach Village	The existing pedestrian crossings are poorly sited and cars approach at speed from the south (Rosetta Rd). Add a raised platform crossing area (like at Paraparaumu Beach) at junction of Rosetta Rd and Raumati Rd stretching back to west of Margaret Rd. This improves speed compliance and pedestrian safety. 2. Disappointing to see no proposed changes in Margaret Rd shopping area. Why not take the opportunity to reduce it to 20km/h and make it a one-way fully shared zone? There are over 150 parking spaces within a 1-2 minute walk of the shops so remove the angled parking (retain delivery / disabled and add active mode) to provide more space for people not parking. Widen the walkway (on the sunny side of the street) and make this a genuine people friendly shopping area. 3. Is H style threshold on Rosetta Rd at the same place as Kāpiti School sign sign ? It should be. 4. Close Garden Rd. in front of derelict pool buildings. It does not need to be a through road with a few parking spaces. 5. Rosetta Rd – drop from 50km/h to 40km/h along its length.

Waikanae	Site L: Kapakapanui School	Having looked at your mapped proposal- I applaud every proposed change. Kapakapanui Road in Waikanae due to both its configuration and the speed of those using it- poses significant threat to both people and animals. Thank you for this important initiative.
Paekakariki	Site A: Paekakariki School	I would like to see Paekakariki reduced to 40km/h over the whole village apart from around schools - 30km/h there. Suggestion: Upon entering Paekakariki large sign saying 40km/h throughout all the village. Note - Waiheke Island has signs of Ferry Wharf saying 'Slow Down You're here' - perhaps something similar in Paekakariki? PS: Using the word village for Paekakariki is to be encouraged
Waikanae	Site L: Kapakapanui School	Most people are well aware of the dumbing down that has been happening in our country for some time, our education system being a prime example. Now it's our roading system. Overkill. Is this new policy a preventative one based on possibilities, or can statistics be given to show the dire need for everyone to slow down to snail like speeds in case a person might be hurt at some point in the future? Drivers know how difficult it is to creep at 30 kms for road works. With modern cars it is like trying to trot a racehorse round a racetrack. They are designed to go faster. In Waikanae we have a 10 km limit outside the community swimming pool. In all the years the humps have been created and that ridiculous speed limit has been imposed I have <i>not once</i> , at any time of day, seen people crossing the road to or from the pool. People park on the side of the pool. School children coming to the pool are accompanied by teachers who control traffic efficiently and safely. It is not a daily event. And yet, that ridiculous speed limit is in place for many hours of the day and months of the year when the swimming pool is closed! So how many people observe that restriction? Not many. I don't see a pedestrian crossing there. WHY NOT! Driving at such slow speeds gives drivers time to look around at scenery, to think their thoughts, to lose concentration. And to become frustrated. Which could lead to more accidents. And to people breaking the speed restriction - which so many do, anyway. What do you think hoons will do? I shudder to think. There always will be accidents as long as there are cars on the roads. Pedestrians have just as much responsibility in preventing accidents as do all drivers. We are over-governed in so many ways. And now this. The plan is hugely shortsighted, dangerously controlling, and very disturbing. It must be stopped.
Waikanae	Site X: Waikanae Beach Village	Re the proposal for Waikanae Beach Village reduced speed limit. Proposal accepted. But please please before 2007. The road noise from people exiting Long Beach and Hey Coastie cafes needs to be addressed before the coming summer.

Waikanae	Site X: Waikanae Beach Village	<p>I have read your proposal on new speed limits in the area of Waikanae Beach. The proposed map is very good and it encompasses the area of most recreational traffic. However, your 5-year plan will not work for the most urgent parts of Waikanae Beach, the two streets of heavy traffic combined with speeders. We need the lower limit now, before someone gets hurt. By 2027 the inevitable accidents will have happened, and speaking for myself, my use by date may be expired. I am sick of writing about a needed speed limit and discussing it with others. It seems that the Council sees no urgency until someone gets badly hurt. That is usually the time when problems get addressed. Why is that the usual course of affairs if the solution is so obvious and fairly simple? After seeing the effective use of speed limits at the Paraparaumu Marine Parade, our neighbourhood's request is so basic, just to prevent an accident. If you plan to prevent this accident 5 years from now, I am truly disappointed and I feel let down by the representatives of the Council, people that I voted for.</p>
Paekakariki	Site A: Paekakariki School	<p>Thanks for the opportunity to discuss this important kaupapa. I'm speaking as a resident of Paekākāriki and a frequent driver on the district's roads. I could imagine making Paekākāriki an exemplar of Modern Road-Sharing and Environmental Foresight. I'd start with the Cleared Garage Site opposite the Village on SH59 (ex SH1). If generous free parking (E Chargers of course) with excellent entry and exit both on foot and by car was constructed - there would need to be a Stop All Traffic zone from the southern end of the carpark to an appropriate distance before the Railway Crossing - and the Hill Road too - as well as co-ordination with the train signal barriers. The resulting Safe Pedestrian Crossing would meet just south of the current (unaltered) Picket Fence Gate. Let's do that. Soon! Leave Beach Road alone. With the "Carpark for Visitors", we've made a statement that we don't want Paekākāriki to change too much, so we focus on parking for locals on Beach Road. New, clever toilets (an architectural statement not a knock-up) would help with the aspect. Then by persuasion of your own 1 kilometre 30k zone around the Primary School - the entire Village would (almost) be a 30k zone. Bravo. Consider investing - over a term but as a fixed goal - in re-designing the footpath and cycleway relationship with a 30k zone from half-way down Ames Street to the Railway Station - all the way up Wellington Road with safety increased from just before the school to the end of Campbell Park (i.e one way - no parking). Right at the School Gates, create a Wide Raised Pedestrian Crossing to meet a new footpath back south to meet the footpath up from Ocean Road. From the end of Campbell Park to QE Park, Wellington Road should return to two-lane, but with widened footpaths and local parking bays. New Plantings, good walking and cycling access - especially along the Parade and the entrance to the Park - would encourage visitors and therefore encourage new businesses to deal with the already apparent influx of people. And everybody would be moving at 30k... or most probably, less. Perfect. Attractive. We're in a period of growth by popularity, let's quickly increase the overall growth of the District by making Bold, Smart Changes in Paekākāriki as a Test Case. Paekākāriki Village has the</p>

Page 7 of 25

		unique benefit of having only one main entry point - and the same exit. It would be an International Eye-Catching gesture and the source of much publicity. Again, thanks for the chance to expound these theories - I acknowledge the expertise of those who design in his field.
Raumati	Site B: Te Ra Waldorf School and Te Rawhiti Kindergarten	Having a trawl through the web site it is not clear how to submit feedback. One issue I want to raise is the permanent 30 km/hr at Te Ra Waldorf school - This should be variable rather than permanent - The important times being at the start and end of school. Outside these hours the standard 50 km/hr should apply. Many other schools have variable times - why not Ta Ra?
Waikanae	Site X: Waikanae Beach Village	Agree with proposal for Waikanae Beach and schools
Paraparaumu	Site E: Paraparaumu College	I read in the local papers of the plan to change some speed limits and would like to the following to be considered please. The road between Hudson Place and Trusham Court is currently 50 km per hour. This road passes an early child care centre. It is also very narrow, particularly where Hudson place merges with Trusham Court which results in difficulty for opposing traffic. The residential development in Hudson Place continues, which no doubt will include more families living in Hudson Place further increasing traffic volumes and an increased number of children. Please consider rezoning the speed limit on the road between Hudson Place and 22 Trusham Court to 30 km per hour.

Waikanae	Site X: Waikanae Beach Village	<p>Thank you for forwarding all the information about the process for lowering the speed limit in Waikanae Beach. In November last year I wrote to Vijay Soma voicing my concerns re traffic behaviour in our area and am now writing in support of my neighbours who have also written to you. I live at 4 Rauparaha Street, Waikanae Beach and as you will see from my comments which will be available in the Council records my husband and I have become increasingly concerned about traffic behaviour in our street. Excessive speed and noise is common at weekends and school holidays and this has already resulted in one accident and incidents of road rage which would never have occurred if some action had been implemented when we, the residents notified you of our concerns. Due to the two popular cafes, parking in this whole area is at a premium at weekends and school holidays. When we first lived here, about 23 years ago this area had a delightful, laid back, easy going beach vibe where adults and children could walk and not feel they had to be on constant alert for speeding drivers in cars and on motorbikes. I believe that everything could be alleviated with the installation of a 30k speed limit as is the case in Paraparaumu and many beachside communities. I am gratified to see that this is being considered and would be actioned in 2027. However, I am appalled and horrified that this is the timeline that is being proposed. What on earth makes you think this is acceptable? There will be accidents and unpleasant incidents galore by 2027 and all for the sake of erecting some reduced speed road signs. Have any of the council been here at these busy times especially 4-6pm on a Saturday and Sunday to witness some of this behaviour? A neighbour estimates that some of these vehicles accelerate up Rauparaha Street at 100kph. Recently I heard two advertisements on the radio sponsoring different road safety initiatives that Kapiti Council were promoting and how they took pride in caring for the safety of the community. I find this laughable and deeply disturbing as our community is being placed at risk till 2027! Disgraceful!</p>
Raumati	Site D: Raumati South School	<p>I would like to comment on the proposed speed management plan, regarding Map D Raumati South School. I am living at 105 Matai Road, North of Raumati South School, in the sharp corner on the left-hand side. I think it is absolutely necessary to extend the proposed 30km zone up to Menin Rd/ Harry Shaw /Matai Road crossing and not to stop just after Edward Court. We have been living in 105 Matai Road for the last 5 years and have a good idea how dangerous this part of Matai Road is, due to witnessing a couple of very serious accidents, little ones, and heaps of near misses. A lot of the kids from Harry Shaw subdivision attend Raumati South school and walk down south on Matai Road which should be a safe short walk to school, which unfortunately it isn't due to speeding cars. The worst accident I have witnessed in this sharp corner was when a car with very high speed was travelling south through the corner and due to its high speed lost control, shot up the footpath, crashed through a fence and landed in the front yard of a house. If this accident would have happened just after school, there would have been some kids killed walking home from school. There are not only speeding cars going South but also going North towards Raumati Road. As mentioned, we are living directly on this sharp corner and have had heaps of near misses ourselves, by driving into our driveway and cars following</p>

Page 9 of 25

		<p>us so closely that they almost hit the trunk of our car or when leaving our driveway cars are coming around the corner so fast that we only see them very late. To minimise this risk, we only turn left out of our driveway so that we don't have to cross Matai Road. The council put up a sign "concealed" just before the corner after I had approached them regarding this problem. Unfortunately, this sign did not make a change at all. Cars are still driving too fast around this corner. Another problem are electric cars, we can't hear them coming around the corner. They appear suddenly. Not only we can't hear them but cyclists going North around the corner can't hear them either. But even if they can hear them, they have no way to go because the road is so narrow and there is no footpath to escape to. You might not be aware of how narrow this corner is, especially for cyclists. When cyclists are half around the corner, they are invisible to the following cars and when there is oncoming traffic at the same time it gets pretty tight for the cyclists. It is a wonder that nothing has happened so far. There is no footpath from 105 Matai Road up to Menin Road and I have seen people walking on the road towards Menin Road to catch a bus or just to get to Menin Road. This is very dangerous, especially when cars are speeding. You might say they should cross Matai Road and walk on the footpath on the other side. This is not so easy; I speak out of experience. I look after my little granddaughter three times a week and I take her very often in her pram to the new Playground in the Harry Shaw subdivision. To cross the road just after the corner is extremely dangerous, I can't see the cars coming, some I can hear but some I can't. I have been caught out a few times when I just stepped out with the pram and a speeding car was coming around the corner and I was lucky enough to pull the pram back in again just in time. To get to Menin Road I must cross Matai Road, then Harry Shaw Way and then Matai Road again. Quite a dangerous task with a pram. To increase the speed from 30km to 50km going North just after Edward Court, will encourage drivers to pick up speed by putting their foot down on the accelerator and they will have reached their 50km/h just before the sharp corner. I honestly believe that it is a miracle that no one has been badly injured or killed so far. I ask you to reconsider and extend the 30km limit up to Harry Shaw/ Menin Road crossing to keep all the school kids, pedestrians, cyclists, and the residents from 105 Matai Road onwards up to Menin Road safe.</p>
Waikanae	Site AA: Te Horo Beach	I see there are already quite a few speed humps proposed. Can you please add Kitchener St. This stretch is used for racing. I have and others have made police complaints many times.
Otaki	Site U: Riverbank Road	Riverbank Road - Aotaki Road intersection - Change priority, add median island and Stop sign
Otaki	Site U: Riverbank Road	Riverbank Road Extension - Add footpath on one side from Aotaki St to Rangiuru Road

Raumati	Site W: Raumati Beach Village	<p>MATATUA ROADS - We are making our submission as concerned members of the Raumati community regarding the safety of our streets. We are well aware of the legal obligation that local councils have to ensure the safety of their citizens, and we believe some of the speeding on our streets is unacceptable. In particular, we have witnessed numerous instances of cars driving at excessive speeds in the Alexander and Matatua Roads area. This is a clear and present danger to the safety of our community, and action must be taken to address this issue. We would like to remind the council of its duty under section 17 of the Land Transport Act 1998, which imposes a duty on local authorities to take all reasonable steps to ensure that the local roads are safe for all users. This includes the installation of traffic-calming measures, such as speed bumps, where necessary. Furthermore, under section 155 of the Local Government Act 2002, the council has a duty to ensure that it provides for the wellbeing of the community. The safety of our streets is fundamental to the wellbeing of our community, and it is therefore imperative that the council takes appropriate action to address this issue. We urge the council to take immediate action to install speed bumps in the affected areas to ensure the safety of our community. Thank you for your attention to this matter. Please incorporate the above as a formal submission to the road safety plan.</p>
Raumati	Site W: Raumati Beach Village	<p>ALEXANDER ROADS - We are making our submission as concerned members of the Raumati community regarding the safety of our streets. Waikanae	Site X: Waikanae Beach Village	<p>As per our conversation with Councillor Jocelyn Prvanov at the Waikanae Market, I have gone and observed traffic patterns on Rauparaha, Tutere and Rangihiroa streets. My suggestions are as follows: Rauparaha street needs a speed bump or warning flashing light displaying the speed limit in the area of number 32. The location here is a warning of things to come. Rauparaha street needs a speed bump in the area of number 11 Rauparaha street. The location is just before an intersection and before entering the area of parked cars jammed on both sides of the street, sometimes including the berm. By now the drivers have to seriously slow down or risk flying off. Tutere street needs a speed bump at the location of number 54 Tutere. It is before the roundabout and enters basically an active parking lot (coming and going, turning and reversing), combined with a spill of children from the playground on one side of the street. The other side is busy with customers of two restaurants including back gardens, plus customers seated at the sidewalk. Tutere street at the 4 Square, in my opinion needs a warning flashing light displaying the speed limit in the roundabout. Rangihiroa street, in my observation, needs a speed bump at number 20, to limit the speed of vehicles coming up to the restaurants at Tutere street. These three streets are my immediate neighborhood where I walk daily with my dog and which I know well. I could not pass opinions on other parts of Waikanae Beach since I do not observe the traffic patterns there. I hope this is helpful in the Council's decisions and my fervent hope is that the Council actions the speed limits before something drastic happens.</p>
Waikanae	Site CC: Pekapeka Road	<p>We strongly support the council's example for Stage 2 to introduce a reduced speed limit of 60 km/hr on the central 1 km section of Peka Peka Road where there is no shoulder on a high speed route promoted as Kapiti Coast Cycle Trail and used extensively by road cyclists (refer our sub to the 2021 LTP). We have been pressing council to review the current 80 km/hr limit for the past four years without success.</p>
Waikanae	Site L: Kapakapanui School	<p>ABRIDGED - While I support the implementation of a 30km speed restriction being put in place at the Ngarara Road end of Park Avenue I ask that you extend that zone to cover the entire length of Park Avenue in order to improve safety for school students and the community or if that is not possible then, at the very least, put in place further measures that will slow the traffic along the entire length of Park Avenue. Please take this action well before 2027. That is far too long to wait and the risks of not doing so are great.</p>

Waikanae	Site L: Kapakapanui School	Map L Kapakapanui School. I support a 30km/h speed restriction in Belvedere Ave & Rimu St where traffic goes past the Kapakapanui School entrances. I do not support 30km/h speed restrictions in the other streets highlighted in Map L. There are already existing speed humps (10km/h speed limit) in Ngarara in front of the Waikanae Swimming Pool. (Some of these speed humps could do with repair). I consider a speed restriction on Park Ave is unnecessary as it is a wide road & traffic has to slow if making turns into Ngarara Rd. I would support a temporary speed restriction to 30km/h being imposed during the Saturday morning Community Market on Park Ave & Ngarara Rd with the signs put out & then removed on the Saturday morning by the organisers or else have it as a Static Variable Sign 30km/h Sat 8am – 12noon).
Waikanae	Site Z: Waikanae Town Centre	I don't support the proposal for a 30km/h speed restriction on Ngaio Rd. Traffic is already slowed down by the raised Pedestrian Crossings at the junction of Parata & Ngaio Rds
Waikanae	Site X: Waikanae Beach Village	I support a 30km/h speed restriction on Tutere St where Map X is marked 'Local Activity Zone' (to cover where cars are angled parked & to extend to cover the restaurants, tennis court & Four Square Supermarket). The rest of the areas marked on Map X for 30km/h, I feel is overkill & unnecessary
Raumati	Site W: Raumati Beach Village	I don't support the proposal for a 30km/h speed restriction on Matatua & Rosetta Rds.
Raumati	Site W: Raumati Beach Village	ROSETTA ROAD - My elderly parents are resident on Rosetta Road, Raumati Beach down a shared driveway close to the Raumati Beach shops. They have lived here for 20 years and are familiar with the area. Since Transmission Gully opened, the motorway traffic comes off to Raumati via Rosetta Road and traffic often moves at speed. There is no footpath to the local shops without crossing Rosetta Road, and the corner is blind for pedestrians with multiple roads coming into the intersection. Cars have always travelled way too fast around this corner by the PSA, and the increase in thoroughfare has only increased this problem. We'd like to suggest that the speed limit be dropped to 30, prior to the bus stop around 286 or 293 Rosetta Road. I have annotate a map to make this feedback clearer. Could you please confirm receipt of this email to advise this information will be fed into the Speed Management Plan. I'm unclear when submission close, so if this is not possible, how do we go about requesting a speed limit reassessment?
Raumati	Site W: Raumati Beach Village	We live in Raumati South and are regular visitors to Raumati Village and Raumati South Shops. Reducing the speed limit in these two centres was an excellent idea. However, there will always be a small percentage of drivers who ignore both the fixed 30km/h sign and the speed indicator signs (Raumati Village and we see this happen regularly. The only way to slow these drivers is to install speed bumps. They should be installed at all entrances to the villages adjacent to the 30km/h signs. Paraparaumu Beach is an excellent example where speed bumps slow the traffic and provide a safe environment for pedestrians. Even some of the pedestrian crossings have bumps. We are sure we are not the only residents who have had close calls at the crossings in Raumati Village especially where cars travel through the village from North

Page 13 of 25

		to South (and vice versa) where Rosetta Road and Matatua Road connect. Please give the above a high priority in your planning.
Paekakariki	Site A: Paekakariki School	I write this from the perspective of a long-time resident in Paekakariki 45+ years, as a driver , an on road cycle skills coach for years 7 and 8, as a bike rider, a member of the Cycleway, Walkways and Bridleways Advisory Group to KCDC. I fully concur with the statement that" it has never been more important to make sure our roads are safe for everyone". Now is the time to be bold in our actions. And the huge growth in e bike use particularly by older folk. Here is an opportunity to make our town a real cycle friendly place. I think that there should be a general blanket 30km speed on local streets with major connecting streets being generally 50. I wish to focus mainly on Paekakariki and strongly advocate for the whole town to be 30km an hour – we have this in the shop area Along Wellington RD we have the bowling club, tennis court and library followed by a hill with obscured drives coming onto it and a narrow carriage way and then the school followed by a dangerous intersection with poor sight lines getting across from the school to Campbell Park then there is the Scout Den often used at night with kids coming and going .
Raumati	Site D: Raumati South School	Extend 30km/h school hours calming to the junction of Mātai and Hillcrest Rd – this will provide a slower speed environment for children on cycles approaching along Hillcrest Rd and Mātai Rd. 2. Extend 30km/h variable to the junction of Tiromoana Rd and Dale Rd – this will provide a slower speed environment for children on cycles approaching along Dale Rd. & Tiromoana Rd. 3. Extend variable 30km/h south on Mātai to connect to Poplar Ave. This is a very busy route for two schools so have a higher speed segment between the schools makes no sense
Waikanae	Site M: Waikanae primary school	I support a permanent 30km/hr zone around Waikanae School as shown in the Council's Speed Management Plan. I would also support clear ways for parents to drop off and pick up kids (so no parking for residents or any other person on the surrounding roads around the school during those times). The latter point is important because if we move to higher density housing like what is proposed for the Gus Evans site; and given the RMA now no longer requires on-site car parking - residents of those higher density sites are likely going to be parking on the roads. Council when approving higher density developments on roads by schools need to be aware that those car parks on the road won't be available during certain times of the day and may encourage them to support more onsite parking. Also, I think the 30km/hr should be extended permanently to Elizabeth Street from Winara Avenue to the Railway line. I would also like to see Council install a pedestrian crossing over Elizabeth Street to the dairy. In addition to the above I would support fully subsidised school transport for all school children; and if the government isn't going to fund this (although I note current Govt is proposing this in the budget); that Councils and Schools / MoE top up to ensure it is free.

Paraparaumu	Site E: Paraparaumu College	Further to the following I advise that I have now spoken to a number of the local residents who all agree that some form of decreased speed management is required. I also advise that at its narrowest point the street where Hudson Place merges with Trusham court is just over 3 metres, meaning opposing vehicles cannot pass each other. It was also suggested that the speed limit on this stretch be reduced to 15km per hour. As an alternative to reduced posted speed limits, speed bumps could be installed. Zoe, Please pass this on to The Transport Safety Lead and I look forward to hearing from them.
Paekakariki	Site A: Paekakariki School	That the proposed 100m boundary being applied to the proposed school zone be extended to a 1 km radius for delivery before the end of 2023 and for speed limit changes to apply at all times (permanent with no variable step). For safe crossing infrastructure to be installed both over Wellington Road to Campbell Park/Scout Hall and across SH59 between the main entrance to the village and to old BP/Ian's coffee site. That safety improvements are made for those walking and cycling beside SH59, especially around the houses on SH 59. That a specific proposal for traffic calming and other measures be developed with residents of The Parade. That all works not completed before the end of 2023 (point 1) be completed before the end of 2027. That bi-lingual signage be used in all instances where a suitably approved option is available. ENDORSED BY Paekākāriki School/ Paekākāriki Playcentre/ Paekākāriki Scouts/ Kapiti Cycling Action/ And 82 individuals signatories in support.
Paekakariki	Site A: Paekakariki School	For safe crossing infrastructure to be installed both over Wellington Road to Campbell Park/Scout Hall and across SH59 between the main entrance to the village and to old BP/Ian's coffee site. That safety improvements are made for those walking and cycling beside SH59, especially around the houses on SH 59. ENDORSED BY Paekākāriki School/ Paekākāriki Playcentre/ Paekākāriki Scouts/ Kapiti Cycling Action/ And 82 individuals signatories in support.
Raumati	Site H: Kapiti College	The Ministry also seeks clarity on the speed management for Kāpiti College and Kenakena School. It is noted that Maps H and J are inconsistent with their corresponding descriptions in Table 9. While the maps show that the Council intends to transition these schools from a variable speed limit to permanent, Table 9 indicates a transition from permanent to variable. It is presumed that the description in Table 9 is incorrect, as this is contradictory to the Council's intention of prioritising variable speed limits around schools, followed by permanent speed limit reductions
Paraparaumu	Site J: Kenekena School	The Ministry also seeks clarity on the speed management for Kāpiti College and Kenakena School. It is noted that Maps H and J are inconsistent with their corresponding descriptions in Table 9. While the maps show that the Council intends to transition these schools from a variable speed limit to permanent, Table 9 indicates a transition from permanent to variable. It is presumed that the description in Table 9 is incorrect, as this is contradictory to the Council's intention of prioritising variable speed limits around schools, followed by permanent speed limit reductions

<p>Waikanae</p>	<p>-</p>	<p>The Waikanae Community Board welcomes the opportunity to provide feedback on Kapiti Coast District Council's first Speed Management Plan. The Board supports speed management approaches that are focused on locally identified issues. The Board seeks firstly road design that enables members of our community of all ages and ability to undertake their journey using any mode of transport safely. At community board meetings we have heard numerous issues of speeding from community representation. Our submission responds to these community concerns. It is the Board's view that locally identified issues have higher relevance to the community than a blanket approach of national guidance (e.g. focus on schools first, when in Waikanae these have not been identified by the community as areas where speeding occurs) It is the Board's understanding that traffic around schools is already slow due to the volumes, and on the hill (Waikanae School), traffic takes up to 20 minutes to leave the roads surrounding the school due to a singular crossing point through the old State Highway intersection / railway crossing. Focusing limited resources on areas where traffic speeds at high user times are already slow is a poor use of public funds. The Board seeks for funding to be targeted at areas that have high variability of speed and high traffic volumes. The NZTA document Road to Zero states that local areas know the issues best. The Board is aware of several local issues that are a high priority for the community and which have been known to the Council for many years and yet this Plan remains silent on them. The Board seeks the inclusion in the 2024 period of the following areas for immediate intervention in the Speed Management Plan. These include speed on Te Moana Road. Poor provision of pedestrian crossing facilities linking the River to the Waikanae garden area and town area including specific route from Kapanui Road and reserves to Koromiko Road, Rata Road, Kowhai Road and Te Moana Road. Te Moana Road has a kindergarten and retirement home on it, users who have slower reaction times. It also provides a barrier for school children from the beach to access Kapakapanui School and children from the residential properties on the southern side of Te Moana Road. Provision of safe crossing facilities is vital to support walking and cycling of our community, which aligns with the Transport Strategy and the Climate Change goals for Council. The Board seeks inclusion in 2024-2027 of pedestrian crossings (zebras) on Te Moana Road (current data suggests 80% of traffic on this road exceeds the posted speed limit) to allow vehicles to naturally reduce speed whilst providing safe crossing points for school children and residents to/from the residential area adjacent to the river and linking through the highly used pedestrian route outlined above. We support physical measures on roads that are in keeping with the the natural environment of Waikanae to reduce speeding vehicles or enable slow modes to cross key routes. Such designs will be unlikely to be met through standard engineering solutions. In the Waikanae Beach Area we request all projects receive the support of the Waikanae Beach Residents Association before installation. Specifically any and all works are aligned with the 'Our Future Waikanae Beach' https://www.kapiticoast.govt.nz/media/jhbbmxaq/wb-our-vision-booklet-web-version-march-2017.pdf. The Board welcomes slower speed limits but is concerned by the over use of</p>
-----------------	----------	--

Page 16 of 25

		<p>signage and impact on the character of the beach which has limited traffic control devices in place (a feature that supports the current beach character). We support pedestrian facilities across Tutere Street to assist residents to cross to access the beach access points. We welcome the plan for speed humps in Te Horo Beach which responds to requests from the residents of the Beach and seek for this to be implemented in 2024-2027 and as early as designs can be progressed in this period. We support lower speed limits in Peka Peka and seek further information on whether a 50kph limit would be suitable given the narrow width of the road ? Other measures to reduce the feeling of a long straight carriageway is also required (to be in keeping with the rural area) to align with good practice technical guidance. On Waikanae Town Centre, we question why speed limits of 30kph are proposed in the car parks off Marae Lane. The area designated as town centre only covers the internal area and not external area of the town centre. It would be more appropriate to consider a larger area for the town centre. Pedestrian facilities to provide access across Elizabeth Street to the playground, shop and cafe is substandard and has been a request of local residents for many years and requires addressing as part of the local improvements underway in the town centre as part of the revocation (or extension to the works area to minimise disruption - as part of a KCDC project). We seek the local issues raised at board meetings to be addressed in the 2024 -2027 period. We do not support waiting until 2027 for these long known speed management issues to be addressed. We would be happy to meet with local residents groups and council staff to address their and our concerns on the current proposals, to ensure that the final version of the speed management plan represents the views of the community first and foremost in future programme investment.</p>
Waikanae	Site X: Waikanae Beach Village	<p>In the Waikanae Beach Area we request all projects receive the support of the Waikanae Beach Residents Association before installation. Specifically any and all works are aligned with the 'Our Future Waikanae Beach' https://www.kapiticoast.govt.nz/media/jhbbmxaq/wb-our-vision-booklet-web-version-march-2017.pdf. Waikanae	Site CC: Pekapeka Road	Speed. Peka Peka rd, the proposal to reduce Speed limits from 80k to 60k, whilst it is a move in the right direction, 50k would be safer linking in with the 50k limit from the top of Peka Peka rd all the way to Waikanae, vehicles are traveling from the expressway and are still in expressway mode Speed. since the opening of the southbound exit for Peka Peka there has been a number of close calls past Harrisons and further were the school bus operates twice per school day, that with the increase in cyclists from the new cycle track visiting the beach should determine this road as a 50k max,
Paraparaumu	Site E: Paraparaumu College	There should be a reasonably high deterrence to taking a vehicle near a school at beginning/ end times. Cyclists/ walkers should have priority. There are huge hold ups every day from the effect of large numbers of students crossing Mazengarb Road. With a 30km/h speed limit this will increase so traffic planning needs to think how to route this traffic different ways to avoid the Guilford Drive roundabout, at these times.
Raumati	Site C: Raumati Beach School	The 30km/h speed limit needs to extend past the childcare centre, school and kindergarten area east of the kindergarten. At present the 30km/h stops before these areas which is dangerous as drivers speed up right in front of the areas with most pedestrians/ cyclist.
Otaki	-	
Waikanae	Site Z: Waikanae Town Centre	Marae Lane et al to 30km/h urgently for safety

Paraparaumu	-	Slowing down to 30km/h on smaller roads and to 40km/h on thoroughfare roads is going to increase impatience and frustration with drivers. School area should be 30km/h, town driving should stay at 50km/h. Slower does not always equate to safer, drivers already get impatient enough

**Table 2: Haveyoursay e-mails – Part C**

Paekakariki	The Parade	I'm very keen to promote traffic calming on The Parade, Paekakariki. Every day I see cars speeding, using the road as a racetrack. It won't do. There are children crossing the road, going to the beach and Campbell Park.
Paraparaumu	Manly Street	Please consider speed bumps from the round until at least past the Manly St diary as we live on the corner of Webber and Manly and the speed people do down this street is very likely to kill someone - boy racers go up and down this street at night. A reduction in speed will not change the behaviour but about five speed humps will
Otaki	Taylors Rd	The extension of Taylors Road shown as a dashed yellow line hasn't been included on KCDC's speed map. From previous discussions, we understand that the speed limit of the extended section will be 60km/h, same as the existing Taylors Road
Otaki	Old SH1	In Waka Kotahi's Interim State Highway Speed Management Plan (ISMP), it is proposed to change the speed limit of the old SH1 north of the Waitohu Valley Road (from the existing threshold) from 100km/h to 60km, which is shown as a solid yellow line on the below image
Otaki	Old SH1	We would like to know if KCDC would support changing the proposed speed limit of the old SH1 from Riverbank Road to Otaki Gorge Road to 50km/h
Otaki	Otaki Gorge Rd	The new alignment of Otaki Gorge Road hasn't been updated on KCDC's speed map – marked by the yellow dash line. With regard to its speed, what is considered appropriate by KCDC? The northbound offramp currently has 50km/h signs near the end of the ramp. If a different speed limit on Otaki Gorge Road is to be implemented, the speed signs need to be replace accordingly.
Otaki	Old Hautere Rd	Not shown on KCDC's speed maps
Otaki	Winiata Way	Not shown on KCDC's speed maps
Otaki	School Rd	Not shown on KCDC's speed maps
Otaki	Gear Rd	Not shown on KCDC's speed maps
Otaki	Old SH1	Not shown on KCDC's speed maps

Otaki	Old SH1	Not shown on KCDC's speed maps
Waikanae	Field Way	I would like to see speed bumps or similar in Field Way as it's used as a racetrack both by some owners and other users. This is especially so in the middle area around 25-75 Field way . Numerous animals are killed on this stretch of road and it's not fun on a bike. At night it's bad as well. Some buses go really fast up that stretch es in the mornings. Thanks.
Paraparaumu	Mahaki Road	Thank you for the opportunity to yet again request the council give consideration to a speed reduction on a section of my street. I reside at the extreme end of Mahaki Road . For some 130 odd mtrs the road is single lane . Loggers, service vehicles archery club members and many others use this road. Often when the farm gates are open vehicles enter my road at speeds inappropriate for a single lane, and, on a corner close to my home visibility is around 40 mtrs,so a vehicle entering this single lane and one departing both doing 60 K you get the picture. I would wish to see a speed limit of say 40k maximum . I would be pleased for you to visit my street to fully understand the situation.
Raumati	Rosetta Road - entire length	Rosetta Rd – drop from 50km/h to 40km/h along its length.
Paraparaumu	Rimu Road	We would like to submit a request to have a pedestrian crossing in Rimu Road outside Coastal villas retirement village gates and the bus stop, for residents to safely cross the road. We also want the speed limit to be decreased. Residents also request a crossing in Ihakara street near the roundabout to safely cross on their way to the mall
Otaki	Rangiuru Road	Rangiuru Road/ Marine Parade intersection - Change priority, add Stop sign and central island on Rangiuru Road
Otaki	Rangiuru Road	Rangiuru Road/ The Avenue intersection - (1) Change to Stop sign (2) add central island (3) extend byl's to #4 The Avenue
Otaki	Rangiuru Road	Rangiuru Road - Add speed hump east of The Avenue
Otaki	Rangiuru Road	Rangiuru - Te Whenua Street (1) Add central islands on Te Whenua (2) Add chevrons on the corner
Otaki	Rangiuru Road	Rangiuru - Old Coach Road (1) Add speed humps east and west of the intersection (2) Get islands repainted and chevron on the corner
Otaki	Rangiuru Road	Add speed hump southwest of bend before Main Street - near #270

Otaki	Marine Parade	Add speed hump south of Scott or Karaka Street
Otaki	Marine Parade	Add speed hump south of Tasman Road
Otaki	Marine Parade	Kerb and channel between Rangiuuru and The Avenue, footpath on the eastern side, widen road.
Otaki	Tasman Road	Tasman - Ngaio Road intersection - Change Give Way to Stop
Otaki	Tasman Road	Fix dip in road approx. 500m west of Wananga roundabout
Otaki	Mill Road	Upgrade road surface - Domain Road to Millhaven Place
Otaki	Old SH1 (Otaki)	Old SH1 - Waerenga Road intersection - Reorganise intersection
Otaki	Aotaki Street	Waerenga Road - Aotaki St intersection - Add central refuge, ped ramps and tactiles
Otaki	Kirk Street	Kirk Street - Lemon Street intersection - Add centrelines before and after intersection.
Waikanae	Pukenamu Road	I am asking the kapiti council to look at change in the speed limit for Pukenamu rd Te Horo. I live on Pukenamu rd and the speed drivers go down Pukenamu rd is between 80kms to 100kms. Some drivers use it as a drag strip once they come around the bend heading north and go flying passed our place. We have lived here over 20 years and the last couple of years drivers have got worse. I own two horses and ride a lot down Pukenamu rd and it is getting more dangerous at the speeds drivers go passed. Half the time they don't even notice me riding my horses. It should be max 60 kms. There will be a fatal accident one day and I hope it is not me and my horses.
Raumati	Menin Road	Hazel is concerned about speed of traffic regularly exceeding advertised speeds coming down Menin Rd from Matai Rd. She believes this is a child hazard and would like some traffic management to be in place before a serious accident occurs. Also enthusiastic drivers are using this area and the carpark at the park in a dangerous fashion. I have referred to speed hump material on our website but she would like a call please. I would like to request that a pedestrian crossing hump be installed opposite Glen Rd leading into Matthews Park.

Otaki	Aotaki Street	I have been reading the KCDC Speed Management Plan. I am aware my following request is not and cannot be included in those considerations. I propose consideration is given to reducing the speed limit on Aotaki Street to 40 kph. The speed along this street has been steadily increasing, as have the size of vehicles to large trucks and trailers. It is a dangerous now to enter and exit this street from adjoining properties and side streets. If unsuccessful, then at least the installation of speed cameras in both directions, should be considered.
Waikanae	Park Avenue	ABRIDGED - While I support the implementation of a 30km speed restriction being put in place at the Ngarara Road end of Park Avenue I ask that you extend that zone to cover the entire length of Park Avenue in order to improve safety for school students and the community or if that is not possible then, at the very least, put in place further measures that will slow the traffic along the entire length of Park Avenue. Please take this action well before 2027. That is far too long to wait and the risks of not doing so are great.
Paraparaumu	Langdale Avenue	I was just made aware of this, so went looking on your website. Something I would like is traffic slowed down or even better speed humps around playgrounds for children. I live at 140 Langdale Ave, next to Elizabeth Rose Park and have seen three near misses with children crossing this road. I am dreading the day that a child gets hit and its serious. Many drivers coming from Kapiti Road cut this corner due to no centre line. Some are going way too fast, especially with a children's playground around the corner. Myself coming out of my driveway at times. I have to give way to these lazy drivers, turning left to go towards Kapiti Rd. I had one conversation with one driver who thought he could drive anywhere on the road due to no centre line, keeping left yeah rite. I know some will still cut the corner, but having the guideline there will help a lot of drivers.
Paraparaumu	Arawhata Road	ARAWHATA ROAD - Arawhata road could do with some speed bumps but Reducing speed limits LEAVE THEM ALONE No More traffic lights. Roundabouts give better traffic flow. I strongly object to Reducing speeds lower than 40km especially round schools and Raumati functions well now. Reduce speeds any lower MAYHEM will happen
Waikanae	Kohekohe Road	I am a trustee owner of a property on Kohekohe Road in Waikanae and have observed firsthand the excessive speed of some cars that drive down that street towards the playground / park / swimming pool / school / kindergarten where there are often children biking or walking. I believe a speed bump in the road at the Ngarara Rd end of the street may considerably improve safety for these children by slowing down the cars that speed down Kohekohe Road in excess of 50km/hour. Unfortunately, changing the speed limit would not make any difference - there needs to be a physical intervention and a speed bump in the road would seem the most appropriate option.

Paraparaumu	Linwood Avenue	Speed Bumps Recently we have had cars and motorcycles driving or/and doing competition on our road. It's becoming way too frequent, it happens days and night. It's really annoying because you can't sleep well, wfh or just chill at your place. I am aware that some neighbours and my partner have already complained to the police, but nothing has changed. In addition, this situation is really dangerous! This street is a family neighborhood.
Otaki	Raukawa Street	Please reduce the speed limit in Raukawa Street in Otaki. It is unsafe for disabled, children and elderly to cross the road near the RSA and Waihurihia Street. The intersection of Raukawa Street and Aotaki Street needs a stop sign because cars turning left race around quickly where there is very little visibility for pedestrians due to cars parked on Raukawa Street.
Waikanae	Kohekohe Road	1. Speed Humps or alternative methods. Boy racers aggressively enter Kohekohe Road from Ngarara quite often skidding around the corner with the occasional burnout at the intersection. The speed down cars travel down the road is often in excess of the speed limit. I have spoken to neighbours towards the intersection who all support some action taking place here.
Raumati	Alexander Street	I live at 14 Ngaio Road in Raumati Beach, and every single day I witness cars speeding up and down Alexander Road as well as Ngaio Road. I am on the corner house which overlooks Alexander and Ngaio and every single day I see a close call, and wonder if this is the day I'll see an accident. The neighbour that lives to the right of me speeds off to work each day, through the 4-way intersection without stopping, she even has a 12 year old boy that scooters to school most days. At 2am boy racers use Alexander Road as their own personal speedway, and every day I watch young kids and elderly people bike and scooter through the street, with a chance of being hit and either seriously injured or killed. I have 3 children of my own, who sometimes make their own way to school, and every time they leave I remind them to BE SAFE around cars and LOOK OUT for them. They attend Raumati South School, so their journey is around 25 minutes, for the kids that bike/walk/scooter to Raumati Beach School, their journey is possibly a bit shorter but just as deadly. Today at 12.27pm I called 111 and requested an ambulance to come to help a cyclist hit by a car outside of my house. I was in my room at home and heard an impact sound along with brakes screeching, a scream, then a thud. Before even checking out my window I instinctively knew there had been an accident on that 4-way intersection and that it was either between two cars, or a car and a cyclist. Every single day I am here at my home thinking, today will be the day something happens, and today it did. This can't be when change occurs, when something FINALLY goes wrong, preventative measures should be in place to AVOID such incidents. The speed limit in this area should be lowered, because unfortunately 99% of the cars driving on these roads are going an average of 70km an hour. However, decreasing the speed won't solve this issue, there needs to be actual PHYSICAL BARRIERS put in place to stop cars from being able to speed and put people's lives at risk. It astounds me that there isn't more already done about this, Kapiti is filled with young families

		and older citizens, yet we don't have things in place to protect them. No matter the age, people residing here and those visiting should feel safe and comfortable to jump on a bike and get from A to B without fear or "close calls". Let's not wait for another cyclist's death, let's not wait for a child to be injured or killed, let's make TODAY they are prioritised and protected. I hope to hear back, and I hope to see change.

KCDC Speed Management Plan – 2023 to 2033

(09-08-2023)

**Submission Summary
Haveyoursay – Pins on Maps
(Attachment 8)**

Page left intentionally blank.

**Table 1: Haveyoursay pins – Part A**

Raumati	Site H: Kapiti College	RAUMATI -HILLCREST RD - This roundabout is a busy place especially at school start time - For those vulnerable primary and secondary students who chose to walk, scooter or bike, there needs to be more traffic calming to ensure they can cross Raumati Road and Hillcrest Road safely. Many drivers are focussed on other roundabout traffic and other road users are at a huge disadvantage.
Raumati	Site B: Te Ra Waldorf School and Te Rawhiti Kindergarten	MATAI-POPLAR AVE - This intersection is frequented by a significant number of children walking, biking and scooting from at least three schools. There is no preference for crossing pedestrians and vulnerable children crossing Mātai road need to give way to turning vehicles coming from east and west along Poplar Ave, as well as vehicles coming along Mātai road. This intersection is a major route for commuters and has become significantly busier in the last ten years with vehicles frequently travelling along Poplar Ave in excess of the speed limit on their way to work or school drop offs.
Raumati	Site V: Raumati South Village	TENNIS COURT RD - after coming out of the 30km zone in Raumati south village, cars zoom down tennis court road. there is a playground, a daycare, and community hall here, it is not safe for our tamariki being a 50km zone
Waikanae	Site L: Kapakapanui School	NGARARA RD - traffic heading south on Ngarara can SPEED downhill around the BEND past pedestrians, mobility scooters, prams, cyclists emerging from the path from Russell Reserve! a) Traffic can't see pathway b) from the pathway exit it's difficult to see far enough up Ngarara Rd. Could something be done to slow the traffic, say another speed hump down the slope?? I suspect cars speed away after the last hump in front of the pool
Waikanae	Site M: Waikanae primary school	This junction is used as a roundabout during drop off and pick up at Waikanae school causing traffic queues and increasing the risk of a child being injured. Either making this a mini roundabout or placing an island at the junction to prevent such behaviour would make it safer for kids to cross. Or perhaps putting a pavement up the hill with a crossing to the school would be an option
Paekakariki	Site A: Paekakariki School	Make 30km start here (for South bond traffic) as this is where Paekākāriki Playcentre is. Families cross the road and get kids in and out of cars.

Total = 6

**Table 2: Haveyoursay pins – Part C**

Raumati	Leinster Avenue	LEINSTER AVE - These two corners on Leinster Ave are blind, narrow and often have many vehicles parked along both sides - further impeding motorists view and ability for cyclists to travel safely on the road. The footpath in many places is very narrow and cluttered with vegetation, wheelie bins and large vehicles and trailers. Also the tendency is for cars to cut the corners at speed. This has only increased in hazard since the other end of Leinster was closed off 7-8 years ago and the number of houses and residents has increased. Need speed bumps, proper width footpaths, road markings, and 30 km/h limit.
Paraparaumu	Manly Street	MANLY ST - Manly St is a long straight stretch. Many drivers accelerate out of the roundabout and speed off down the road. This is a great danger to children or pets crossing the road.
Waikanae	Old SH1 (Waikanae)	These traffic lights are not needed now the road is no longer SH1. It stops the flow of traffic and people are using Marae Ln to dodge these lights. The only lights needed on this stretch are the ones at the crossing.
Waikanae	Ngarara Road	NAGARARA RD - Reduce the speed limit on Ngarara Road to 50kph from Ferndale Drive to the Expressway Overbridge. This winding section with blind bends cannot be safely negotiated at 60kph. Further it has no shoulders and has many other users such as walkers and cyclists. The current situation is frankly very dangerous.
Waikanae	Kapanui Road	KAPANUI RD - Extreme speeding (well over 100kph) is a daily occurrence down Kapanui. Speed bumps in the middle of the road adjacent to the heavily used walkway entry/exits would make a big difference to speeds in this location
Waikanae	Pukenamu Road	PUKENAMU RD - Signs warning of horses being ridden and/or carriage driving and hidden driveway exits are needed either side of this corner on Pukenamu Rd, as horse riders and drivers exiting 218 Pukenamu Rd are often surprised by traffic speeding around the corner which is not visible. There is a bridge which means no footpath. There is currently an exclamation mark sign but this is not really visible enough from the way it faces and there is nothing warning traffic coming the other way. Currently traffic is being told the speed limit is 80kmph on this stretch, which naturally many drivers treat as a target rather than a maximum. Big trucks come barrelling around this corner. It is very dangerous.
Waikanae	Old SH1 (Waikanae)	OLD SH1 - Traffic on The Old SH1, is extremely fast! Now it is a rural road we have numerous walkers, cyclists and horse riders using the road to get to the shared pathways however cars are still barrelling along the road exceeding 100km a reduced speed would be welcome to keep every safe! And some signage for road users that horses also use the road would be beneficial

Waikanae	Te Moana Road	Te Moana Rd - Excessive speed
Waikanae	Te Moana Road	Te Moana Rd - Upgrade existing pedestrian refuge to a raised zebra crossing
Waikanae	Te Moana Road	Te Moana Rd - Traffic Calmed Residential Area sign. Plus, speed limit painted on road surface
Waikanae	Te Moana Road	Te Moana Rd - Traffic Calmed Residential Area sign on both sides plus 50 painted on road surface at strategic regular locations
Waikanae	Te Moana Road	Te Moana Rd - Upgrade the existing pedestrian refuge to a raised zebra crossing to improve pedestrian safety and provide traffic calming at the same time. Appropriate signage on the road surface as deemed sensible on the approaches to the crossing to alleviate any concerns on driver complacency
Waikanae	Te Moana Road	TE MOANA RD - A raised zebra crossing with associated access foot pathing) or at the very least a pedestrian refuge zone that council advised in early 2021 for safety reason needs to be installed without further delay. The risk of death to pedestrians crossing the road is now approaching 95% with speeds exceed 60, 70 & 80 kph regularly recorded by Council monitoring since the expressway opened. The risk is sufficiently high to all road users particularly with high traffic volumes that urgent action is needed to introduce zebra crossings / pedestrian refuges every 800 metres the length of Te Moana Road from here to the Baptist church as was indicated would occur.
Waikanae	Te Moana Road	TE MOANA RD - Upgrade the existing pedestrian refuge to a raised zebra crossing to enhance pedestrian safety and traffic calming.

Total = 14
