PARAPARAUMU COMMUNITY BOARD COMMUNITY GRANTS APPLICATION FORM

Criteria for Community Grants

The purpose of the Paraparaumu Community Board's Community Grants is to provide financial assistance for projects or activities that promote the wellbeing of the Paraparaumu community and show clear community benefit.

Eligible Organisations/Individuals

1. The organisation/individual must undertake its activities in the Paraparaumu area. The Board may consider financial assistance for events occurring outside the Paraparaumu Community where it is shown the community will benefit.
2. Eligible organisations include those that provide cultural, sports, environmental or social services to the Paraparaumu areas.

Criteria

1. The applicant is unable to receive sufficient grants from other sources.
2. The applicant must be non-profit making.
3. The organisation/individual must use the financial assistance for its activities in the Paraparaumu Community. The Board may consider financial assistance for events occurring outside the Paraparaumu Community where it is shown the community will benefit.
4. Organisations must provide the most recent financial statements and a copy of a resolution noting the decision to apply for funding.
5. The organisation/individual has not received financial assistance from the Paraparaumu Community Board Community Grants Fund in the last twelve months.
6. Only one application will be considered by an organisation for one event (Individual team member applications will not be eligible).

Please note: All applications must have full documentation to support their application (**maximum of five pages in total**).

Eligible Purposes:

1. Unique or infrequent project or activity;
2. Special project or activity;
3. Meritorious project or activity;
4. To partially or fully offset the cost of any Council permit, licence or resource consent fees*;
5. The remission of hall rental*.

* within **the current financial year** of the project or activity

Ineligible Purposes

1. Expenses incurred for school curriculum activities.
2. Retrospective expenses**.

**Grants will not be paid retrospectively other than for hall hire or for the cost of a permit, licence or resource consent fee.

Updated January 2023

PARAPARAUMU COMMUNITY BOARD COMMUNITY GRANTS APPLICATION FORM

Maximum Grant

The maximum grant payable is **\$750**.

Accountability

Applicants are required to provide written confirmation or a verbal report that the money was spent for the purpose granted within 2 months of completion of the activity. Individuals are required to outline the benefits gained for them and community groups are required to furnish a written report outlining the benefits gained by the community. In normal circumstances applicants failing to meet accountability criteria will be excluded from any further applications for two years.

The Paraparaumu Community Board requires all monies that are not used for the purpose applied for to be returned to the Community Grants Fund. Failure to do so may exclude the applicant from any further application.

Procedure for Applications

1. Applications must be made on the approved application form and must contain all supporting information. Failure to provide all of the required information will result in the application being returned to the applicant.
2. Applications must include a bank deposit slip.

The above conditions and criteria do not preclude the Paraparaumu Community Board from considering any application at its discretion.

Applications are to be addressed to:

Democracy Services Team
Kāpiti Coast District Council
Private Bag 60601
Paraparaumu 5254

or

democracy.services@kapiticoast.govt.nz

Please Note: Applications must be received by the Kāpiti Coast District Council at least 8 working days before the Paraparaumu Community Board meeting date to meet the reporting deadline.

Meetings are held every six weeks.

Paraparaumu Community Board – Matters Under Action Register (as at June 2024)

Item	Progress
Town Centres Project/ Paraparaumu Transport Hub	<p>Work on the main plaza areas are now complete with GWRC/Metlink currently installing the living-roof bus shelters and connecting walkway. The shelters will also incorporate public transport infrastructure such as Real Time Information displays and signage designed to ensure easy wayfinding for passengers.</p> <p>The western plaza, road crossing and eastern plaza connecting to the rail station is now open to the public. Opening of the full site including the new bus lane is dependent completion of GWRC works, now expected to be complete in August 2024.</p> <p>GWRC have indicated they plan to start works on the station building in the new financial year, with works expected to take 7 months.</p> <p>We are now arranging for the skate spot at the Transport Hub to be publicly accessible early next week. The delay has been due to a wait on safety bollards to be installed that will prevent vehicle access to that area from Amohia Street. The fencing will be moved to open the northern area up to pedestrians (including skaters, scooters etc) while still closing off the bus stops that remain a GWRC construction site</p>
CCTV on Council's Parks and Open Spaces	An analysis on Council's CCTV network is being looked into and a report will go to the Council in the new triennium and the Community Board will be updated after.
The following items are part of the Council's forward work programme (for noting and appropriate updates)	
Te Newhanga Kapiti Community Centre	<p>We reported back to council on the social and community needs assessment and latest building assessment. The Meanwhile space is now open for the community, with positive feedback that users have noted the area feels safer, with families and groups actively using the space.</p> <p>On 30 May Council agreed to demolish the existing building in the 2024/25 financial year.</p>
MacLean Park (skate park, amenity block)	<p>Construction of the skatepark and amenity block has begun, with the amenity block expected to complete by end of June 2024 and the skatepark by end of January 2025 or earlier if conditions allow.</p> <p>The skatepark construction has begun from the southern end of the park and will work north. An electrical contractor will soon be engaged to upgrade the skatepark lighting and electrical services.</p> <p>The temporary skate ramp construction has started with a gravel pad in place west of the basketball court. Construction should take place over the next two weeks and the new ramp available to use from mid-late June.</p>
